FIRST LIEN TRADEMARK SECURITY AGREEMENT

First Lien Trademark Security Agreement, dated as of November, 30 2006 (as amended, restated or otherwise modified from time to time, the "**Agreement**"), between **Each Of The Undersigned** (each, a "**Grantor**"), and **Merrill Lynch Capital**, a division of Merrill Lynch Business Financial Services Inc., as collateral agent for the Secured Parties (together with its permitted successor in such capacity, the "**Collateral Agent**").

WITNESSETH:

WHEREAS, Grantors are party to a First Lien Pledge and Security Agreement dated as of November, 30 2006 (the "**Pledge and Security Agreement**") between each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to Collateral Agent for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "**Trademark Collateral**"): all United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to: (i) the registrations and applications referred to in Schedule I hereto, (ii) all extensions or renewals of any of the foregoing and (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing; provided, however that the foregoing definition shall not include any "intent-to-use" based application for a Trademark (but only if the grant of security interest to such "intent-to-use" Trademark violates 15 U.S.C. Section 1060(a)) until such time that a "Statement of Use" or "Amendment to Allege Use" has been filed with the United States Patent and Trademark Office (collectively, "**Trademarks**").

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Pledge and Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the

Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Applicable Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile transmission or electronic transmission (in pdf format) will be effective as delivery of a manually executed counterpart hereof.
