TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment"), effective as of the 1st day of November, 2006, (the "Effective Date") is by and between AZATEK.COM, INC., an Arizona corporation, ("Assignor"), and INTECHRA LLC, a Mississippi limited liability company ("Assignee").

For good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as follows:

Assignor hereby sells, assigns, transfers and otherwise conveys to Assignee the entire right, title and interest in and to the servicemark/trademark and/or tradename "Azatek.com", both under common law and the corresponding application for registration filed with the United States Patent and Trademark Office ("USPTO") on or about October 30, 2006, and assigned serial #77032606 (the "Servicemark") together with the goodwill of the business connected with and symbolized by the Servicemark (including, without limitation, the right to sue for past, present and future infringements or misappropriations of the Servicemark, the right to renew any registrations included in the Servicemark, the right to apply for trademark/services registrations within or outside the United States based in whole or in part upon the servicemark, and any priority right that may arise from the servicemark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made. Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the USPTO and officials in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration described herein to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor further covenants to execute any and all documents, papers, forms and/or authorizations and take all other actions that may be reasonably necessary at any time now or in the future to effect and/or perfect this assignment or to confirm Assignee's ownership of the Servicemark.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.
