**TRADE-MARK SECURITY AGREEMENT**

THIS TRADE-MARK SECURITY AGREEMENT (this "Agreement"), dated as of April 28, 2006 is entered into by CLOVER LEAF SEAFOODS, L.P., a limited partnership formed pursuant to the laws of Ontario, by its general partner CONNORS CL GP LIMITED (the "Grantor"), in favour of BANK OF AMERICA, N.A., as administrative agent under the Credit Agreement referred to below (as defined below, the "Administrative Agent"), and their successors and assigns, with reference to the following facts:

**RECITALS**

A. Pursuant to the Credit Agreement of even date herewith by and among Bumble Bee Foods LLC, a Delaware limited liability company ("Bumble Bee"), and the Grantor (together with Bumble Bee, collectively the "Borrowers" and each individually a "Borrower"), the Lenders from time to time party thereto, the Administrative Agent, and Banc of America Securities LLC (as the same may from time to time be amended, extended, renewed, supplemented or otherwise modified, the "Credit Agreement"), the Lenders have agreed to extend certain facilities to the Borrowers.

B. Pursuant to the Continuing Guarantee of even date herewith, made by the Grantor in favour of the Administrative Agent (as originally executed or as it may from time to time be supplemented, modified, amended, restated or extended, the "Guarantee"), the Grantor has guaranteed, among other things, the obligations of Bumble Bee under the Credit Agreement and the other Loan Documents.

C. The Credit Agreement provides, as a condition to the availability of such credit facilities, that the Grantor enter into this Agreement and grant security interests to the Administrative Agent as herein provided.

NOW, THEREFORE, in order to induce the Lenders to extend the aforementioned credit facilities to the Borrowers, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINITIONS**

Terms defined in the Credit Agreement and not otherwise defined in this Agreement shall have the meanings given those terms in the Credit Agreement as though set forth herein in full. The following terms shall have the meanings respectively set forth after each:

"Administrative Agent" means Bank of America, N.A., in its capacity as administrative agent under the Credit Agreement, herein acting for itself and on behalf of the Secured Parties, including its successors and assigns in such capacities.

"Event of Default" has the meaning ascribed to such term in the Credit Agreement, and shall include, without limitation and for greater certainty, an event that causes the Secured Obligations under the Guarantee to become enforceable.

"Secured Obligations" means any and all present and future obligations of any type or nature of the Grantor to the Secured Parties arising under or relating to (i) the Credit Agreement, (ii) the Guarantee, (iii) this Agreement and (iii) any other Loan Document, whether due or to become due, matured or unmatured, liquidated or unliquidated, or contingent or noncontingent, including obligations of performance as well as obligations of payment, and including interest that accrues, in accordance with the terms thereunder, in each case, after the commencement of any proceeding under any Debtor Relief Laws by or against either Borrower or any other Loan Party.

"Secured Parties" means the Administrative Agent (for itself and in its capacity as the Administrative Agent for the Lenders (including the Swing Line Lender), the L/C Issuers, any Cash Management Bank party to a Secured Cash Management Agreement and any Hedge Bank party to a Secured Hedge Agreement), the Lenders (including the Swing Line Lender), the L/C Issuers, any Cash Management Bank party to a Secured Cash Management Agreement and any Hedge Bank party to a Secured Hedge Agreement, and each of them, and any one or more of them. Each such party is herein individually referred to as a **"Secured Party"**. Subject to the terms of the Credit Agreement, any right, remedy, privilege, or power of the Secured Parties shall be exercised by the Administrative Agent on behalf of the Lenders (including the Swing Line Lender), the L/C Issuers, any Cash Management Bank party to a Secured Cash Management Agreement and any Hedge Bank party to a Secured Hedge Agreement.

## 2. SECURITY INTEREST

The Grantor hereby grants to the Administrative Agent, a security interest in all of the Grantor's now existing or hereafter acquired right, title, and interest in and to:

A. All of the Grantor's trade-marks, trade names, trade dress and service marks; all prints and labels on which such trade-marks, trade names, trade dress and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications, registrations and recordings relating to the foregoing in the Trade-marks Office of the Canadian Intellectual Property Office or in any similar office or agency of the United States of America, any State thereof, any political subdivision thereof or in any other country, and all reissues, extensions and renewals thereof including those trade-marks, terms, designs and applications described in Schedule A hereto (collectively, the "Trade-marks");

B. The goodwill of the business symbolized by each of the Trade-marks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trade-marks; and

C. Any and all proceeds of any of the foregoing, including, without limitation, any claims by the Grantor against third parties for infringement of the Trade-marks or of any licenses with respect thereto (all of the foregoing in clauses (A) through (C) are collectively referred to herein as the "Collateral").

3. OBLIGATIONS SECURED

The security interests granted to the Administrative Agent in this Agreement shall secure the prompt payment, in full, and full performance of, all Secured Obligations.

4. WARRANTIES AND COVENANTS

The Grantor hereby covenants, represents and warrants, as applicable, that (all of such covenants, representations and warranties being continuing in nature so long as any of the Secured Obligations are outstanding (other than contingent indemnity and expense reimbursement obligations for which no claim has been made)):

A. Except as disclosed in the Credit Agreement, all of that portion of the existing Collateral owned by the Grantor is valid and subsisting in full force and effect to the Grantor's knowledge, and the Grantor owns sole, full, and clear title thereto, and has the right and power to grant the security interests granted hereunder. The Grantor will, at the Grantor's expense, perform all acts and execute all documents reasonably necessary to maintain the existence of that portion of the Collateral owned by the Grantor as valid, subsisting and registered trade-marks, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any Lien, except the security interest granted hereunder, the licenses, if any, which are specifically described in Schedule B hereto and Liens which are permitted by Section [7.01] of the Credit Agreement.

B. Except as otherwise permitted by the Credit Agreement, the Grantor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or Lien upon, encumber, grant an exclusive or non-exclusive license relating to that portion of the Collateral owned by the Grantor, except to the Administrative Agent, or otherwise dispose of any of that portion of the Collateral owned by the Grantor without the prior written consent of the Administrative Agent or except as permitted by the Credit Agreement.

C. The Grantor authorizes the Administrative Agent to have this or any other similar security agreement filed with the Trade-marks Office of the Canadian Intellectual Property Office or other appropriate federal, provincial or government office.

D. The Grantor will, concurrently with the execution and delivery of this Agreement, execute and deliver to the Administrative Agent five (5) originals of a Power of Attorney in the form of Exhibit 1 annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to the Administrative Agent's exercise of the rights and remedies granted to the Administrative Agent hereunder. The Administrative Agent agrees it will only exercise the Power of Attorney upon the occurrence and during the continuation of an Event of Default.

E. The Administrative Agent may, to the extent permitted under the Credit Agreement, pay any amount or do any act which the Grantor fails to pay or

do as required hereunder or as requested by the Administrative Agent to maintain and preserve the Collateral, defend, protect, record, amend or enforce the Secured Obligations, the Collateral, or the security interest granted hereunder including but not limited to, all filing or recording fees, court costs, collection charges and reasonable attorneys' fees. The Grantor will be liable to the Administrative Agent for any such payment, and such payment shall be payable on demand together with interest at the rate set forth in the Loan Documents and shall be part of the Secured Obligations; provided that the Grantor shall not be responsible for such expenses to the extent incurred because of the gross negligence or willful misconduct of the Administrative Agent, any Secured Party or any of their respective representatives.

F. As of the date hereof, the Grantor does not have any Trade-marks registered, or subject to pending applications, in the Trade-marks Office of the Canadian Intellectual Property Office or any similar office or agency in the United States of America or in any other country other than those described in Schedule A annexed hereto.

G. The Grantor shall notify the Administrative Agent in writing of the filing by the Grantor of any application for the registration of a Trade-mark with the Trade-marks Office of the Canadian Intellectual Property Office within thirty (30) days of such filing. Upon request of the Administrative Agent, the Grantor shall execute and deliver to the Administrative Agent any and all amendments to this Agreement as may be requested by the Administrative Agent to evidence the security interests of the Administrative Agent in such Trade-mark.

H. The Grantor (1) has not abandoned any of the Trade-marks and the Grantor will not do any act, nor omit to do any act, whereby the Trade-marks may become abandoned, cancelled, invalidated, unenforceable, avoided, or avoidable, and, (2) shall notify the Administrative Agent promptly if the Grantor knows or has reason to know of any reason why any application, registration or recording may become abandoned, cancelled, invalidated, unenforceable, avoided, or avoidable, except in the cases of clause (1) and (2) where such abandonment, cancellation, invalidation, unenforceability or avoidance would not reasonably be expected to have a Material Adverse Effect.

I. The Grantor will take such actions in any proceeding before the Trade-marks Office of the Canadian Intellectual Property Office, any federal or provincial court or any similar office or agency in the United States of America or any state therein or any other country as are necessary to maintain such application and registration of the Trade-marks owned by the Grantor and material to its business, in the Grantor's reasonable business judgment, as the Grantor's exclusive property and to protect the Administrative Agent's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings.

J. The Grantor will promptly notify the Administrative Agent if the Grantor learns of any use by any person of any term or design likely to cause confusion with any Trade-mark or of any use by any person of any product that infringes upon any Trade-mark. If requested by the Administrative Agent, the Grantor, at the Grantor's expense, shall take such action as the Administrative Agent may reasonably deem necessary for the protection of the Administrative Agent's interest in and to the Trade-marks.

K. The Grantor will maintain the quality of the products associated with the Trade-marks at a level consistent with the quality at the time of this Agreement.

L. The Grantor hereby grants to the Administrative Agent the right to visit the Grantor's plant and facilities which manufacture or store products sold under any of the Trademarks and to inspect the products and quality control records relating thereto at such times as permitted in the Credit Agreement.

## 5. RIGHTS AND REMEDIES

Upon the occurrence and during the continuance of an Event of Default and at any time thereafter while it continues, in addition to all other rights and remedies of the Administrative Agent, whether provided under applicable law, the Loan Documents or otherwise, and after expiration of any grace period, the Administrative Agent shall have the following rights and remedies which may be exercised without notice to, or consent by, the Grantor, except as such notice or consent is expressly provided for hereunder.

A. The Administrative Agent may make use of any Trade-marks for the sale of goods or rendering of services in connection with enforcing any other security interest granted to the Administrative Agent by the Grantor or subsidiaries of the Grantor.

B. The Administrative Agent may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner as the Administrative Agent shall in its sole discretion deem appropriate. Such license or licenses may be general, special, or otherwise and may be granted on an exclusive or non-exclusive basis throughout all or any part of Canada, the United States of America or any other foreign countries.

C. The Administrative Agent may assign, sell, or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations, except that the Administrative Agent agrees to provide the Grantor with ten (10) days prior written notice of any proposed disposition of the Collateral. The Administrative Agent shall have the power to buy the Collateral or any part thereof, and the Administrative Agent shall also have the power to execute assurances and perform all other acts which the Administrative Agent may, in the Administrative Agent's sole discretion, deem appropriate or proper to complete such assignment, sale or disposition. In any such event, the Grantor shall be liable for any deficiency.

D. In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to subparagraph 4C hereof, the Administrative Agent may at any time execute and deliver on behalf of the Grantor, pursuant to the authority granted in the Powers of Attorney described in subparagraph 3D hereof, one or more instruments of assignment of the Trade-marks (or any application, registration, or recording relating thereto), in form suitable for filing, recording or registration. The Grantor agrees to pay the Administrative Agent on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and reasonable legal fees.

E. The Administrative Agent may apply the proceeds actually received from any such license, assignment, sale or other disposition of Collateral first to the reasonable costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel, and other expenses which may be incurred by the Administrative Agent. Thereafter, the Administrative Agent shall apply any remaining proceeds to the Secured Obligations as provided in the Credit Agreement. The Grantor shall remain liable to the Secured Parties for any expenses or obligations remaining unpaid after the application of such proceeds, and the Grantor will pay the Secured Parties on demand any such unpaid amount, together with interest at the default rate set forth in the Credit Agreement.

F. In the event that any such license, assignment, sale or disposition of the Collateral (or any part thereof) is made after the occurrence of an Event of Default, the Grantor shall supply to the Administrative Agent or Administrative Agent's designee, the Grantor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trade-marks and the Grantor's customer lists and other records relating to the Trade-marks and the distribution thereof.

Nothing contained herein shall be construed as requiring the Administrative Agent to take any such action at any time. All of the Administrative Agent's rights and remedies, whether provided under law, the Loan Documents, this Agreement, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently subject to applicable law.

6. MISCELLANEOUS

A. Any failure or delay by the Administrative Agent to require strict performance by the Grantor of any of the provisions, warranties, terms and conditions contained herein or in any other agreement, document, or instrument, shall not affect the Administrative Agent's right to demand strict compliance and performance therewith, and any waiver of any Event of Default shall not waive or affect any other Event of Default, whether prior or subsequent thereto, and whether of the same or of a different type. None of the warranties, conditions, provisions, and terms contained herein or in any other agreement, document, or instrument shall be deemed to have been waived by any act or knowledge of Secured Parties, their agents, officers, or employees, but only by an instrument in

writing, signed by an officer of the Administrative Agent and directed to the Grantor, specifying such waiver.

B. All notices, requests and demands are to be given or made to the respective parties at the addresses and in the manner set forth in the Credit Agreement.

C. In the event any term or provision of this Agreement conflicts with any term or provision of the Credit Agreement, the term or provision of the Credit Agreement shall control.

D. In the event that any provision hereof shall be deemed to be invalid by any court, such invalidity shall not affect the remainder of this Agreement.

E. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assigns permitted in accordance with the Credit Agreement. No provision hereof shall be modified, altered or limited except by a written instrument expressly referring to this Agreement signed by the party to be charged thereby.

F. The security interest granted to the Administrative Agent hereunder shall terminate upon termination of the Credit Agreement and indefeasible payment in full to the Secured Parties of all Secured Obligations thereunder (other than contingent indemnity and expense reimbursement obligations for which no claim has been made).

G. The validity, interpretation and effect of this Agreement shall be governed by the federal laws of Canada and the laws of the Province of Ontario.

H. Termination/Release of Collateral.

(1) When all Secured Obligations (other than contingent indemnity and expense reimbursement obligations for which no claim has been made) shall have been paid in full and the commitments of the Lenders under the Credit Agreement shall have expired or been terminated, the Liens created under this Agreement shall terminate, and the Administrative Agent shall forthwith cause to be assigned, transferred and delivered, against receipt but without any recourse, warranty or representation whatsoever, any remaining Collateral and money received in respect thereof, to or on the order of the Grantor or any other person legally entitled thereto, and to be released and cancelled all licenses and rights referred to herein. Subject to the terms of the Credit Agreement, the Administrative Agent shall also deliver to the Grantor promptly upon such termination but in any case not later than ten (10) days following a request therefore from the Grantor such termination statements and such other documentation as shall be reasonably requested by the Grantor to effect the termination and release of the security interests in the Collateral.

(2) Upon disposition of property constituting Collateral that is permitted under the Credit Agreement, upon the request of the Grantor, the Administrative Agent shall execute and deliver to the Grantor such partial releases and such other documentation as shall be reasonably requested by the Grantor to effect the termination and release of the security interests on such Collateral.
