## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Assignment") is made and entered into as of December 29, 2006 by and between Television Station Group, LLC, a Delaware limited liability company ("Assignor"), and WTAJ Newco, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is a wholly-owned subsidiary of Television Station Group Holdings, LLC (the "Parent");

WHEREAS, the Parent and Nexstar Broadcasting, Inc., a Delaware corporation ("Nexstar"), have entered into a certain Purchase Agreement, dated as of June 7, 2006, as amended (the "Purchase Agreement"), pursuant to which the Parent has agreed to sell, and Nexstar has agreed to purchase, all of the outstanding membership interests of Television Station Group Pennsylvania, LLC, a Delaware limited liability company and wholly owned subsidiary of the Parent ("TSGPA");

WHEREAS, prior to the consummation of the transactions contemplated by the Purchase Agreement, Assignee will merge with and into TSGPA (the "Merger");

WHEREAS, prior to the Merger, Assignor desires to transfer, assign and convey to Assignee all of the Station Assets (as defined in the Purchase Agreement) held by Assignor, including the registered domain names and mark listed on Exhibit A attached hereto (the "Registered Intellectual Property"); and

WHEREAS, capitalized terms set forth herein but not defined herein shall have the meanings as defined and set forth in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor hereby assigns, conveys, transfers, releases and delivers to Assignee, and Assignee does hereby accept, all of Assignor's right, title and interest in and to the Registered Intellectual Property held by Assignor, including any and all goodwill of the business symbolized by the registered mark identified on Exhibit A as the "Mark", and the Assumed Liabilities, which are Liabilities of Assignor, to the extent relating to such Registered Intellectual Property. For purposes of clarity, Assignor shall retain all Retained Liabilities with respect to the Registered Intellectual Property.

2. Further Assurances. Assignee and Assignor shall execute and deliver from time to time hereafter, upon reasonable request of the other party, all such further documents and instruments, and shall do and perform all such acts as may be reasonably necessary or reasonably requested by any of the other parties, to give full effect to the intent and meaning of this Assignment.

3. Governing Law. THIS ASSIGNMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (BUT NOT THE LAWS PERTAINING TO CHOICE OF LAW) AS TO ALL MATTERS, INCLUDING BUT NOT LIMITED TO MATTERS OF VALIDITY, CONSTRUCTION, EFFECT, PERFORMANCE AND REMEDIES.

4. Severability. In the event that any one or more of the provisions or parts of a provision contained in this Assignment shall for any reason be held to be invalid, illegal or unenforceable in any respect in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Assignment or any other jurisdiction, but this Assignment shall be reformed and construed in any such jurisdiction as if such invalid or illegal or unenforceable provision or part of a provision had never been contained herein and such provision or part shall be reformed so that it would be valid, legal and enforceable to the maximum extent permitted in such jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

5. Counterparts. This Assignment may be executed in one or more counterparts which, when taken together, shall constitute a single instrument.

6. Other Provisions. This Assignment shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns. The headings herein are for convenience only and will not control or affect the meaning or construction of the provisions of this Assignment.

*[Signature Page Follows]*

IN WITNESS WHEREOF, the parties hereto have caused this Intellectual Property Assignment Agreement to be dated as of the date first above written and effective as set forth herein.
