7. **Collateral Agent's and Lenders' Rights.** The Collateral Agent and the Lenders shall have the right, but not the obligation, to take, at any Canadian Credit Party's sole expense, any actions that such Canadian Credit Party is required under this Agreement to take but which such Canadian Credit Party fails to take, after fifteen (15) business days' notice by the Collateral Agent to such Canadian Credit Party. 9. **Further Assurances; Attorney in Fact.**

(a) On a continuing basis, but subject to Section 17, each Canadian Credit Party will, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States and Canada, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the Canadian Intellectual Property Office and the United States Patent and Trademarks Office and the Register of Copyrights and take all such action as may reasonably be deemed necessary or advisable, or as requested by the Collateral Agent or any Lender, to perfect the Collateral Agent's and the Lenders' security interests in all Copyrights, Patents, Trademarks and Designs, and otherwise to carry out the intent and purposes of this Agreement, or for assuring and confirming to the Collateral Agent and the Lenders the grant or perfection of a security interest in the Intellectual Property.

(b) Each Canadian Credit Party hereby irrevocably appoints the Collateral Agent as such Canadian Credit Party's attorney-in-fact, with full authority in the place and stead of such Canadian Credit Party and in the name of such Canadian Credit Party, the Collateral Agent or otherwise upon the occurrence and during the continuance of an Event of Default, from time to time in the Collateral Agent's discretion, upon such Canadian Credit Party's failure or inability to do so, to take any action and to execute any instrument which the Collateral Agent acting reasonably may deem necessary or advisable to accomplish the purposes of this Agreement, including:

(i) To modify, in its sole discretion, this Agreement without first obtaining such Canadian Credit Party's approval of or signature to such modification by amending Schedule "A", Schedule "B", Schedule "C", Schedule "D" and Schedule "E" hereof, as appropriate, to include reference to any right, title or interest in any After Acquired Intellectual Property or to delete any reference to any right, title or interest in any Copyrights, Designs, Patents or Trademarks in which such Canadian Credit Party no longer has or claims any right, title or interest; and

(ii) To file, in its sole discretion, one or more financing, financing change or continuation statements and amendments thereto, relative to any of the Intellectual Property without the signature of such Canadian Credit Party where permitted by law.

10. **Default.** Each Canadian Credit Party shall be in default under this Agreement upon the occurrence of an Event of Default under the Senior Credit Agreement.
11. **Remedies.** Upon the occurrence and continuance of an Event of Default, the Collateral Agent and the Lenders shall have the right to exercise all the remedies of a secured party under the PPSA including, without limitation, acceleration of the indebtedness, the right to require each Canadian Credit Party to assemble the Intellectual Property, to the extent it is in a tangible form, in which the Collateral Agent and the Lenders have a security interest and to make it available to the Collateral Agent at a place designated by the Collateral Agent and the right to record a notice of an Event of Default with the Canadian Intellectual Property Office, the Register of Copyrights and the Commissioner of Patents and Trademarks in the United States of America.

Any such Receiver shall, so far as concerns responsibility for its acts, be deemed the agent of such Canadian Credit Party and not of the Collateral Agent or the Lenders, and the Collateral Agent and the Lenders shall not be in any way responsible for any misconduct, negligence, or non-feasance on the part of any such Receiver, its servants, agents or employees other than the gross negligence or willful misconduct of any of the foregoing. Subject to the provisions of the instrument appointing him, any such Receiver shall have power to take possession of the Intellectual Property, to preserve the Intellectual Property or its value and to sell, license or otherwise dispose of or concur in selling, licensing or other disposing of the Intellectual Property. To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others including such Canadian Credit Party, enter upon, use and occupy all premises owned or occupied by such Canadian Credit Party wherein the Intellectual Property, to the extent that it exists in a tangible form, may be situated, maintain the Intellectual Property upon such premises, borrow money on a secured or unsecured basis and use the Intellectual Property as security for loans or advances, as such Receiver shall, in its discretion, determine. Except as may be otherwise directed by the Collateral Agent, all money received from time to time by such Receiver in carrying out his appointment shall be received in trust for and paid over to the Collateral Agent. Every such Receiver may, in the discretion of the Collateral Agent and the Lenders, be vested with all and any of the rights and powers of the Collateral Agent and a Lender.
13. **Exercise of Rights by Collateral Agent and Lenders.** Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent and the Lenders may, either directly or through its nominees, exercise any or all of the powers and rights given to a Receiver by virtue of Section 12.
14. **Taking Possession of Intellectual Property.** Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent and the Lenders may take possession of, collect, demand, sue on, enforce, recover and receive the Intellectual Property and give valid and binding receipts and discharges therefor and in respect thereof, and, the Collateral Agent and the Lenders may sell, license or otherwise dispose of the Intellectual Property in such manner at such time or times and place or places, for such consideration and upon such terms and conditions as the Collateral Agent and the Lenders may deem reasonable.

15. **Rights and Remedies of Collateral Agent and Lenders under the PPSA.** In addition to those rights granted herein and in any other agreement now or hereafter in effect between any Canadian Credit Party, the Collateral Agent and the Lenders and in addition to any other rights the Collateral Agent and the Lenders may have at law or in equity, the Collateral Agent and the Lenders shall have, after the occurrence and during the continuance of an Event of Default, all rights and remedies of a secured party under the PPSA provided always, that the Collateral Agent and the Lenders shall not be liable or accountable for any failure to exercise their remedies, take possession of, collect, enforce, realize, sell, license or otherwise dispose of the Intellectual Property or to institute any proceedings for such purposes. Furthermore, the Collateral Agent and the Lenders shall have no obligation to take any steps to preserve rights against prior parties to any Instrument (as defined in the PPSA) or Chattel Paper (as defined in the PPSA) whether to the Intellectual Property or proceeds and whether or not in the Collateral Agent's and the Lenders' possession and shall not be liable or accountable for failure to do so.
16. **Cooperation of Grantor with respect to Taking Possession.** Each Canadian Credit Party acknowledges that the Collateral Agent or a Lender or any Receiver appointed by them may take possession of the Intellectual Property wherever it may be located, to the extent it exists in a tangible form, and by any method permitted by law and such Canadian Credit Party agrees upon request from the Collateral Agent or a Lender or any such Receiver to assemble and deliver possession of the Intellectual Property at such place or places as directed.
17. **Notice of Sale.** The Collateral Agent will give each Canadian Credit Party such notice, if any, of the date, time and place of any public sale or of the date after which any private disposition of the Intellectual Property of such Canadian Credit Party is to be made, as may be required by the PPSA.
18. **Reassignment.** At such time as the Canadian Credit Parties shall completely satisfy all of the obligations secured under this Agreement or Section 27 shall apply, the Collateral Agent shall execute and deliver to the Canadian Credit Parties all deeds, assignments, and other instruments as may be necessary or proper to reinvest in the Canadian Credit Parties full title to the property assigned hereunder, subject to any disposition thereof which may have been made by the Collateral Agent pursuant hereto.
19. **Course of Dealing.** No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.
20. **Amendments.** This Agreement may be amended only by a written instrument signed by both parties hereto.
21. **Survival and Reliance.** All representations and warranties of each Canadian Credit Party made in this Agreement or in any certificate or other document delivered by or on behalf of such Canadian Credit Party for the benefit of the Collateral Agent and the Lenders are material and shall continue without time limit. The Collateral Agent and each of the Lenders shall be deemed to have relied upon each such representation and warranty despite any investigation the Collateral Agent or the Lenders may have made.
22. **License/Assignment of Intellectual Property.** For the purpose of enabling the Collateral Agent and the Lenders or any Receiver to exercise the rights and remedies under Sections 11 and 12 (including, without limiting the terms of Sections 11 and 12, in order to take possession of, hold, preserve, process, assemble, prepare for sale, market for sale, sell or otherwise dispose of the Intellectual Property) at and for such time as the Collateral Agent and the Lenders shall be

lawfully entitled to exercise such rights and remedies, each Canadian Credit Party shall grant to the Collateral Agent, for the benefit of the Collateral Agent and the Lenders, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Canadian Credit Party) to use, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Canadian Credit Party, and wherever the same may be located, and included in such license access to all media in which any of the licensed items may be recorded or stored and to all Software used for the compilation or printout thereof. In addition, upon receiving written demand from the Collateral Agent after an Event of Default has occurred and is continuing, each Canadian Credit Party shall assign the Intellectual Property to whomever the Collateral Agent directs, including to the Collateral Agent or any Lender.

23. **Grantor Remains Liable.** Notwithstanding any other provision in this Agreement, each Canadian Credit Party shall remain liable under all license agreements under which such Canadian Credit Party is a licensor. Each Canadian Credit Party shall perform all of its duties and obligations thereunder just as if this Agreement had not been executed. Each Canadian Credit Party shall not be released from any of its duties or obligations under such license agreements by the exercise of any rights by the Collateral Agent or the Lenders. The Collateral Agent or the Lenders shall not have any obligation or liability under such license agreements by reason of this Agreement, nor shall the Collateral Agent or the Lenders be obliged to perform any of the obligations or duties of each Canadian Credit Party thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. The rights and powers conferred upon the Collateral Agent or the Lenders hereunder are solely to protect their interest in the Intellectual Property and shall not impose any duty upon them to exercise any such powers.
24. **Counterparts, Electronic Signature.** This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original agreement and all of which shall constitute one agreement. All counterparts shall be construed together and shall constitute one and the same agreement. This Agreement, to the extent signed and delivered by means of electronic transmission (including, without limitation, facsimile and Internet transmissions), shall be treated in all manner and respects as an original agreement and should be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.
25. **Governing Law; Attornment.** This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein, and will be treated, in all respects, as an Ontario contract. Each Canadian Credit Party submits and attorns to the non-exclusive jurisdiction of the courts of Ontario. To the extent permitted by Applicable Law, each Canadian Credit Party irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in courts of such Province.
26. **Confidentiality.** All information (other than periodic reports filed by any Canadian Credit Party with any securities commission or regulatory authority) disclosed by any Canadian Credit Party to the Collateral Agent or any Lender in writing that is marked confidential, or acquired through inspection pursuant to this Agreement and treated as confidential by such Canadian Credit Party, shall be considered confidential. The Collateral Agent and the Lenders agree to use the same degree of care to safeguard and prevent disclosure of such confidential information as the Collateral Agent and the Lenders use with their own confidential information, but in any event no less than a reasonable degree of care. The obligations of confidentiality shall not apply to any information that (a) was known to the public prior to disclosure by such Canadian Credit Party under this Agreement, (b) becomes known to the public through no fault of the Collateral Agent and the Lenders, (c) is disclosed to the Collateral Agent and the Lenders by a third party having a

legal right to make such disclosure, or (d) is independently developed by the Collateral Agent and the Lenders. Notwithstanding the foregoing, the Collateral Agent's and the Lenders' agreement of confidentiality shall not apply if the Collateral Agent or Lenders have acquired indefeasible title to any Intellectual Property or in connection with any enforcement or exercise of the Collateral Agent's and the Lenders' rights and remedies under this Agreement following the occurrence and continuation of an Event of Default, including the enforcement of the Collateral Agent's and the Lenders' security interest in the Intellectual Property.

27. **Termination.** Upon payment and satisfaction in full of the Secured Obligations, the cancellation of all credit facilities and the termination of all obligations of the Collateral Agent and each Lender under the Senior Credit Agreement and the Loan Documents, the Canadian Credit Parties may request in writing that this Agreement be released and discharged, and if this occurs the Collateral Agent and the Lenders will, at the expense of the Canadian Credit Parties, execute and deliver to the Canadian Credit Parties a release and discharge of this Agreement.
28. **Amalgamation, Reorganization, etc. with a Person.** Except as permitted in writing by the Collateral Agent or as otherwise provided for in the Senior Credit Agreement, each Canadian Credit Party acknowledges and agrees that if it merges, amalgamates, continues, reorganizes or consolidates with any other Person, it is the intention of the parties hereto that the security interest (i) shall extend to Intellectual Property owned by such Person(s) and the resultant Person at the time of merger, amalgamation, reorganization or consolidation and to any Intellectual Property thereafter owned or acquired by the resultant Person, such that the term the "Canadian Credit Party" when used herein will apply to each of the amalgamating, merging, reorganizing or consolidating Persons and the resultant Person, and (ii) shall secure the Secured Obligations of each of the merging, amalgamating, reorganizing or consolidating Persons and the resultant Person to the Collateral Agent and the Lenders, at the time of merger, amalgamation or reorganization and any of the Secured Obligations of the resultant Person to the Collateral Agent and the Lenders, thereafter arising. The security interest shall attach to the additional Intellectual Property at the time of amalgamation, merger or reorganization and to any Intellectual Property thereafter owned or acquired by the resultant Person when such Intellectual Property is acquired by such Person.
29. **Attachment.** The security interest created hereby is intended to attach when this Agreement is signed by each Canadian Credit Party and delivered to the Collateral Agent.
30. **Receipt of Loan Documents.** Each Canadian Credit Party acknowledges that this Agreement is executed pursuant to the terms and conditions of the Senior Credit Agreement and shall (unless otherwise expressly indicated herein) be administered and applied in accordance with the terms and provisions of the Senior Credit Agreement and the other Loan Documents. Each Canadian Credit Party acknowledges that it has received a copy of the Senior Credit Agreement and any other Loan Documents to which it is party.
31. **Registration of Agreement.** Each Canadian Credit Party hereby acknowledges that the Collateral Agent and the Lenders may register a copy of this Agreement or notice thereof. Each Canadian Credit Party shall cooperate with and assist the Collateral Agent and the Lenders, as requested by the Collateral Agent, with respect to any registrations or notice registrations of or relating to this Agreement which the Collateral Agent and the Lenders deem appropriate.
32. **Severability of Provisions.** If any term, covenant, obligation or agreement contained in this Agreement, or the application of any such term, covenant, obligation or agreement to any Person or circumstance, shall, to any extent, be invalid or unenforceable, the remainder of this

Agreement or the application of such term, covenant, obligation or agreement to Persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected by such invalidity or unenforceability and each term, covenant, obligation or agreement contained in this Agreement shall be separately valid and enforceable to the fullest extent permitted by law.

33. **Successors and Assigns.** This Agreement will enure to the benefit of, and be binding on, each Canadian Credit Party and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Collateral Agent and the Lenders and their respective successors and assigns. Each Canadian Credit Party may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Collateral Agent. The Collateral Agent may assign this Agreement and any and all benefits hereunder in accordance with the assignment provisions applicable to the Senior Credit Agreement.
34. **Collateral Agent and Lenders.** Each Canadian Credit Party hereby acknowledges that the Collateral Agent acts for itself and on behalf of each of the Lenders as agent in connection with the Senior Credit Agreement and the assignments, transfers, pledges, hypothecations and other security interests granted in favour of the Collateral Agent and the Lenders hereunder are and shall be held by the Collateral Agent for the benefit of itself and the Lenders.
35. **Conflict.** In the event that there is any conflict or inconsistency between the provisions contained in this Agreement and the provisions contained in the Senior Credit Agreement, then the provisions of the Senior Credit Agreement shall have priority over and shall govern to the extent of such conflict or inconsistency. Provided, however, that the existence of a particular representation, warranty, covenant or other provision in this Agreement which is not contained in the Senior Credit Agreement shall not be deemed to be a conflict or inconsistency, and that particular representation, warranty, covenant or other provision shall continue to apply.

In the event that there is any conflict or inconsistency between the provisions contained in this Agreement and the provisions contained in a general security agreement dated as of the date hereof granted by the Canadian Credit Parties in favour of the Collateral Agent and the Lenders, then the provisions of this Agreement shall have priority over and shall govern to the extent of such conflict or inconsistency.

36. **Addition of New Canadian Credit Parties.** Additional Persons may from time to time after the date of this Agreement become Canadian Credit Parties under this Agreement by executing and delivering to the Collateral Agent a supplemental agreement (together with all schedules thereto, a "Supplement") to this Agreement, in substantially the form attached hereto as Schedule "F". Effective from and after the date of the execution and delivery by any Person to the Collateral Agent of a Supplement:
- (a) such Person shall be, and shall be deemed for all purposes to be, a Canadian Credit Party under this Agreement with the same force and effect, and subject to the same agreements, representations, indemnities, liabilities, obligations, liens and security interests, as if such Person had been an original signatory to this Agreement as a Canadian Credit Party; and
 - (b) all Intellectual Property of such Person shall be, and shall be deemed for all purposes to be, "Intellectual Property" of such Person for the purposes of this Agreement and subject to "security interests" from such Person in accordance with the provisions of this Agreement as security for the due payment and performance of the "Secured Obligations" of such Person in accordance with the provisions of this Agreement.

The execution and delivery of a Supplement by any additional Person shall not require the consent of any Canadian Credit Party and all of the liabilities and obligations of each Canadian Credit Party under this Agreement, and all security interests of each Canadian Credit Party, shall remain in full force and effect, notwithstanding the addition of any new Canadian Credit Party to this Agreement.

[THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

SUPPLEMENT NO. ●

TO

INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS SUPPLEMENT is made as of _____, 20__ in favour of **CANADIAN IMPERIAL BANK OF COMMERCE**, as collateral agent (in such capacity, together with its successors and assigns in such capacity, the "**Collateral Agent**"), for its own benefit and for the benefit of the Lenders (as defined in the Credit Agreement).

RECITALS:

A. Reference is made to an intellectual property security agreement (as amended, restated, supplemented, renewed, replaced or otherwise modified from time to time, the "**IP Agreement**") dated as of November 14, 2006 in favour of the Collateral Agent, for its own benefit and for the benefit of the Lenders, by the Borrower and the other Canadian Credit Parties (as each such term is herein defined) described in a credit agreement dated as of November 14, 2006 (as amended, restated, supplemented, renewed, replaced or otherwise modified from time to time, the "**Credit Agreement**") among Globalive Communications Corp. (the "**Borrower**"), each Guarantor whose jurisdiction of incorporation or formation is under the laws of Canada or a Province or Territory located in Canada (collectively, together with the Borrower, the "**Canadian Credit Parties**" and each individually, a "**Canadian Credit Party**"), the lenders from time to time party thereto (such lenders, together with their successors and assigns, being collectively referred to as the "**Lenders**"), the Collateral Agent and others.

B. Capitalized terms used but not otherwise defined in this Supplement have the respective meanings given to such terms in the IP Agreement, including the definitions of terms incorporated in the IP Agreement by reference to other agreements.

C. Section 36 of the IP Agreement provides that additional Persons may from time to time after the date of the IP Agreement become Canadian Credit Parties under the IP Agreement by executing and delivering to the Collateral Agent a supplemental agreement to the IP Agreement in the form of this Supplement.

D. The undersigned (the "**New Canadian Credit Party**") is a wholly-owned Subsidiary of a Credit Party and a condition to the Lenders continuing to make certain financial accommodation available to the Borrower under the Loan Documents is that the undersigned become a Canadian Credit Party under the IP Agreement by executing and delivering this Supplement to the Collateral Agent.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are acknowledged by the New Canadian Credit Party, the New Canadian Credit Party hereby covenants and agrees in favour of the Collateral Agent, for its own benefit and for the benefit of the Lenders, as follows:

1. The New Canadian Credit Party has received a copy of, and has reviewed, the IP Agreement and is executing and delivering this Supplement to the Collateral Agent pursuant to Section 36 of the IP Agreement.

TRADEMARK

REEL: 003464 FRAME: 0181

2. Effective from and after the date this Supplement is executed and delivered to the Collateral Agent by the New Canadian Credit Party:

- (a) the New Canadian Credit Party shall be, and shall be deemed for all purposes to be, a Canadian Credit Party under the IP Agreement with the same force and effect, and subject to the same agreements, representations, indemnities, liabilities, obligations, liens and security interests, as if the New Canadian Credit Party had been, as of the date of this Supplement, an original signatory to the IP Agreement as a Canadian Credit Party; and
- (b) all Intellectual Property of the New Canadian Credit Party shall be, and shall be deemed for all purposes to be, "Intellectual Property" of the New Canadian Credit Party for the purposes of the IP Agreement and subject to security interests granted by the New Canadian Credit Party in accordance with the provisions of the IP Agreement as security for the due payment and performance of the Secured Obligations of the New Canadian Credit Party in accordance with the provisions of the IP Agreement.

In furtherance of the foregoing, the New Canadian Credit Party, as security for the due payment and performance of the Secured Obligations (including the payment of any such Secured Obligations that would become due but for any automatic stay under the provisions of the *Bankruptcy and Insolvency Act* (Canada) or any analogous provisions of any other Applicable Law in Canada or any other jurisdiction) of the New Canadian Credit Party, grants to the Collateral Agent, for its own benefit and for the benefit of the Lenders, a continuing security interest in, the Intellectual Property of the New Canadian Credit Party. Each reference to a Canadian Credit Party in the IP Agreement shall be deemed to include the New Canadian Credit Party. The terms and provisions of the IP Agreement are incorporated by reference in this Supplement.

3. The New Canadian Credit Party represents and warrants to the Collateral Agent, for its own benefit and for the benefit of the Lenders, that (a) this Supplement has been duly authorized, executed and delivered by the New Canadian Credit Party and constitutes a legal, valid and binding obligation of the New Canadian Credit Party enforceable against the New Canadian Credit Party in accordance with its terms, and (b) each of the representations and warranties made or deemed to have been made by it under the IP Agreement as a Canadian Credit Party are true and correct on the date of this Supplement.

4. All Intellectual Property in which the New Canadian Credit Party has any right, title or interest (and the nature of such right, title or interest), and all rights of the New Canadian Credit Party to the use of any Intellectual Property, are described in Exhibit "A" to this Supplement.

5. Upon this Supplement bearing the signature of any Person claiming to have authority to bind the New Canadian Credit Party coming into the possession of the Collateral Agent, this Supplement and the IP Agreement shall be deemed to be finally and irrevocably executed and delivered by, and be effective and binding on, and enforceable against, the New Canadian Credit Party free from any promise or condition affecting or limiting the liabilities of the New Canadian Credit Party and the New Canadian Credit Party shall be, and shall be deemed for all purposes to be, a Canadian Credit Party under the IP Agreement. No statement, representation, agreement or promise by any officer, employee or agent of the Collateral Agent or any Lender, unless expressly set forth in this Supplement, forms any part of this Supplement or has induced the New Canadian Credit Party to enter into this Supplement and the IP Agreement or in any way affects any of the agreements, obligations or liabilities of the New Canadian Credit Party under this Supplement and the IP Agreement.

6. This Supplement may be executed in multiple counterparts, each of which shall be deemed to be an original agreement and all of which shall constitute one agreement. All counterparts shall be construed

together and shall constitute one and the same agreement. This Supplement, to the extent signed and delivered by means of electronic transmission (including, without limitation, facsimile and Internet transmissions), shall be treated in all manner and respects as an original agreement and should be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

7. This Supplement will be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein, and will be treated, in all respects, as an Ontario contract. The New Canadian Credit Party submits and attorns to the non-exclusive jurisdiction of the courts of Ontario. To the extent permitted by Applicable Law, the New Canadian Credit Party irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Supplement in the courts of such Province.

8. This Supplement and the IP Agreement will enure to the benefit of, and be binding on, the New Canadian Credit Party and its respective successors and permitted assigns. The New Canadian Credit Party may not assign this Supplement or the IP Agreement, or any of its respective rights or obligations under this Supplement or the IP Agreement, without the prior written consent of the Collateral Agent.

IN WITNESS WHEREOF, the New Canadian Credit Party has executed this Supplement as of the date first above written.
