## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment") is made and entered into as of the 31st day of December, 2006, by and between HALLIBURTON ENERGY SERVICES, INC., a Delaware corporation ("Assignor"), having a principal place of business at 2601 E. Belt Line Road, Carrollton, Texas 75006, and WELLDYNAMICS, BV, ("Assignee"), a company formed under the laws of the Netherlands, having a principal place of business at Weversbaan 1-3, Leiderdorp, the Netherlands.

WHEREAS, pursuant to that certain Purchase and Sale Agreement, made and entered into as of December 31, 2006 (the "Purchase and Sale Agreement"), by and between Assignor and Assignee and certain of their respective Affiliates, Assignor has agreed to assign, transfer, convey and deliver to Assignee, and Assignee has agreed to acquire from Assignor, at the Closing, the RPM Assets (as defined in the "Purchase and Sale Agreement"); and

WHEREAS, Section 6.2.4 of the Purchase and Sale Agreement requires Assignor to and Assignee to execute and deliver to each other assignment documents, transferring the RPM Intellectual Property to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, covenants and agreements contained herein and in the Purchase and Sale Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, intending to be legally bound, hereby agree as follows:

1. Assignor does hereby assign to Assignee, its successors and assigns, the entire right, title and interest in and to all trademarks listed in the accompanying Schedule A, including registrations and applications for registration of the foregoing and all goodwill associated therewith. Assignor further grants to Assignee all rights to sue or recover and retain damages, costs and attorneys fees for past, present and future infringement or misappropriation of any of the foregoing.

2. Assignor agrees that said Assignee may apply for and receive registrations for said trademarks in its own name; and that, when requested, at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Assignor will execute all applications for registration, and all other like rights of exclusion in any country on any and all said trademarks; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the Assignor relating to said trademarks and the history thereof; and take such other actions as are reasonably necessary to secure and maintain proper protection for said trademarks and vesting title to said trademarks and all applications for registration of said trademarks, in said Assignee, its successors, assigns and legal representatives.

3. This Trademark Assignment may not be modified, amended or supplemented, and no obligation hereunder may be waived or released, except pursuant to a written instrument signed by the parties hereto.

4. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, legal representatives and assignees. No person or entity other than the parties hereto and their respective successors, legal representatives and assignees shall be entitled to bring any action to enforce any provisions of this Trademark Assignment against any of the parties hereto.

5. This Trademark Assignment is delivered pursuant to the Purchase and Sale Agreement and is subject to the conditions, representations, warranties and covenants provided therein. Nothing contained herein shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase and Sale Agreement in any manner whatsoever. This instrument does not create or establish liabilities or obligations not

otherwise created or existing under or pursuant to the Purchase and Sale Agreement. In the event of any conflict or other difference between the Purchase and Sale Agreement and this Trademark Assignment, the provisions of the Purchase and Sale Agreement shall control.

6. Except to the extent federal law preempts state law, this Trademark Assignment shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without regard to conflict of laws principles.

7. Each party hereto agrees to take any and all actions, including the execution of certificates, documents or instruments, necessary or appropriate to give effect to the terms, conditions, assignments and transfers set forth in this Trademark Assignment.

8. This Trademark Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute the same agreement.

9. All defined terms not otherwise defined herein shall be as defined in the Purchase and Sale Agreement.
