**TRADEMARKS ASSIGNMENT**

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment") is executed December 29, 2006, by 3M Company and Riker Laboratories Inc., corporations of the State of Delaware, with offices at 3M Center, 2501 Hudson Road, Saint Paul, Minnesota 55144 (collectively "Assignor") for the benefit of Graceway Pharmaceuticals, LLC, a limited liability company of the State of Delaware, with offices at 340 Edgemont Avenue, Suite 500, Bristol, Tennessee 37620 ("Assignee"). This Assignment is being entered into pursuant to that certain Acquisition Agreement dated as of November 8, 2006, by and between Assignor and Assignee (the "Acquisition Agreement"). Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Acquisition Agreement.

WHEREAS, Assignor is the owner of the trademarks, designated by registrations and applications listed on the attached Exhibit D-1 (hereinafter, the "Marks").

NOW, THEREFORE, for good and valuable consideration as recited in the Acquisition Agreement, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, Assignor does hereby convey, transfer, assign unto Assignee, its successors and assigns, all of Assignor's right, title and interest of whatever kind in, to and under the Marks, together with (1) the goodwill of the business symbolized thereby and relating to the Products in respect upon which the Marks are used and for which they are registered; (2) all rights to collect all income, royalties, and damages due or payable to Assignor with respect to the Marks, including without limitation, damages, and payments for past or future infringements and misappropriations of the Marks; and (3) all rights to sue for past, present and future infringements or misappropriations of the Marks. The United States Commissioner of Patents and Trademarks and his other counterparts in any foreign country are hereby authorized and requested to record and issue any trademark registrations in accordance with this Assignment to the Assignee, its successors, assigns and legal representatives, as the assignee of the entire right, title and interest thereto and therein.

This Assignment is binding on Assignor, its successors and assigns, and will inure to the benefit of the Assignee, its successors and assigns. Nothing in this instrument, express or implied, is intended or shall be construed to confer upon, or give to, any person, corporation or entity other than Assignee, its successors and assigns, any remedy or claim under or by reason of this instrument, or any terms, covenants or conditions hereof, and all the terms, covenants and conditions in this instrument shall be for the sole and exclusive benefit of Assignee and its successors and assigns.
