TRADEMARK SECURITY AGREEMENT

WHEREAS, E2INTERACTIVE, INC., a Georgia corporation ("Grantor"), owns the Trademarks, trademark registrations, and trademark applications listed on Schedule 1 annexed hereto, and is a party to the Trademark Licenses listed on Schedule 1 annexed hereto; and

WHEREAS, pursuant to the terms of the Security Agreement dated as of December 16, 2005 (as said Agreement may be amended and in effect from time to time, the "Security Agreement"), between Grantor and JPMorgan Chase Bank, N.A., as administrative agent ("Secured Party"), Grantor has granted to Secured Party a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), trademark registrations, trademark applications and Trademark Licenses (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of all Obligations (as such term is defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Secured Party a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

(1) each Trademark, trademark registration and trademark application, including, without limitation, the Trademarks, trademark registrations (together with any reissues, continuations or extensions thereof) and trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, trademark registration and trademark application;

(2) each Trademark License and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark License, including, without limitation, each Trademark License referred to in Schedule 1 annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or trademark registration including, without limitation, the Trademarks and trademark registrations referred to in Schedule 1 annexed hereto, the trademark registrations issued with respect to the trademark applications referred in Schedule 1 and the Trademarks licensed under any Trademark License, or (b) injury to the goodwill associated with any Trademark, trademark registration or Trademark licensed under any Trademark License.

This security interest is granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the 5th day of January, 2007.

Acknowledged:
