ORDER UNDER 11 U.S.C. §§ 105, 363, 365 AND 1146(c) AND FED. R. BANKR. P. 6004 AND 6006 (A) APPROVING ASSET PURCHASE AGREEMENT WITH LB ACQUISITION CO., L.L.C., (B) AUTHORIZING SALE OF ASSETS AND ASSUMPTION AND ASSIGNMENT OF ASSUMED CONTRACTS FREE AND CLEAR OF LIENS, CLAIMS, ENCUMBRANCES AND INTERESTS AND EXEMPT FROM ANY STAMP, TRANSFER, RECORDING OR SIMILAR TAX, AND (C) GRANTING RELATED RELIEF

This matter coming on to be heard on the Motion for Order (A) Authorizing the Sale of Assets Pursuant to 11 U.S.C. §§ 363(b) and (f); (B) Establishing Auction Procedures and (C) Setting Sale Hearing (the "Motion") filed by Lawrence Brothers, Inc., the above-captioned debtor and debtor in possession (the "Debtor"); the Court having reviewed the Motion and having heard the statements of counsel in support of the relief requested therein at a hearing thereon (the "Sale Hearing"); the Court having previously conducted a hearing (the "Preliminary Hearing") and entered an order (the "Bidding Procedures Order") with respect to the Motion and the bidding procedures (the "Bidding Procedures") and related relief requested therein; the Court having reviewed the Asset Purchase Agreement dated as of June 15, 2001 (the "Purchase

EOD JUL - 2 2001

Agreement")¹ between the Debtor and LB Acquisition Co., L.L.C. (the "Purchaser") attached hereto as Exhibit A; the Court being fully advised in the premises and having determined that the legal and factual bases set forth in the Motion and at the Preliminary Hearing and the Sale Hearing on the Motion establish just cause for the relief herein granted;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A). Venue of these cases and the motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 105(a), 363(b), (f), (m) and (n), 365, and 1146(c) of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"), and Rules 2002, 6004, 6006 and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

C. Proper, timely, adequate and sufficient notice of the Motion, the Preliminary Hearing, the Sale Hearing, the sale set forth herein (the "Sale"), and the assumption and assignment of the executory contracts and unexpired leases listed in Exhibit B hereto (the "Assumed Contracts") has been provided in accordance with 11 U.S.C. §§ 105(a), 363 and 365 and Bankruptcy Rules 2002, 6004 and 9014 and in compliance with the Bidding Procedures, such notice was good and sufficient, and appropriate under the particular circumstances, and no other or further notice of the Motion, the Preliminary Hearing, Sale Hearing, the Sale, the assumption and assignment of the Assumed Contracts set forth herein is or shall be required .

¹ Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the Purchase Agreement

D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Preliminary Hearing and the Sale Hearing and (ii) the representations of counsel made on the record at the Preliminary Hearing and the Sale Hearing, the Debtor has conducted the sale process in compliance with the Bidding Procedures.

E. No consents or approvals, other than those expressly provided for in the Purchase Agreement or expressly set forth herein, are required for the Debtor to consummate the Sale.

F. Approval of the Purchase Agreement and consummation of the Sale at this time are in the best interests of the Debtor, its creditors, its estates, and other parties in interest.

G. The Debtor has demonstrated both (i) good, sufficient, and sound business purpose and justification and (ii) compelling circumstances for the sale pursuant to 11 U.S.C. § 363(b).

H. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities.

I. The Purchase Agreement was negotiated, proposed and entered into by the Debtor and Purchaser without collusion, in good faith, and from arm's-length bargaining positions. Neither the Debtor nor the Purchaser have engaged in any conduct that would cause or permit the Purchase Agreement or the Sale to be avoided under 11 U.S.C. § 363(n).

J. The Purchaser is a good faith purchaser under 11 U.S.C. § 363(m) and, as such, is entitled to all of the protections afforded thereby. The Purchaser will be acting in good faith within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Purchase Agreement at all times after the entry of this Order.

K. The consideration provided by the Purchaser for the Acquired Assets pursuant to the Purchase Agreement (i) is fair and reasonable, (ii) is the highest and best offer for the Acquired Assets, (iii) will provide a greater recovery for the Debtor's creditors than would be provided by any other practical available alternative and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

L. The Sale must be approved and consummated promptly in order to preserve the viability of the Acquired Assets as a going concern.

M. The transfer of the Acquired Assets to the Purchaser will be a legal, valid, and effective transfer of the Acquired Assets, and will vest the Purchaser with all right, title, and interest in and to the Acquired Assets free and clear of all liens, claims, encumbrances and interests, including, without limitation, free and clear of all (a) interests (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Debtor's or the Purchaser's interest in the Acquired Assets, or any similar rights and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the business prior to the date of the closing of the Sale (the "Closing Date") and (b) liens, claims, encumbrances and interests related to the use of any and all trademarks and/or tradenames stamped on any Acquired Assets, appearing on the packaging of any Acquired Assets or otherwise necessary to sell any of the Acquired Assets.

N. The Purchaser would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, its estate, and its creditors, if the sale of the Acquired Assets to the Purchaser and the assignment of the Assumed Contracts to the Purchaser were not free and clear of all interests of

any kind or nature whatsoever (except those expressly assumed by the Purchaser in the Purchase Agreement; such assumed interests, the "Surviving Obligations"), or if the Purchaser would, or in the future could, be liable for any of the claims or interests or bound by any of the liens or encumbrances.

O. The Debtor may sell the Acquired Assets free and clear of all interests of any kind or nature whatsoever because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. Those nondebtor parties with interests in the Acquired Assets who did not object, or who withdrew their objections, to the Sale or the Motion are deemed to have consented pursuant to 11 U.S.C. §§ 363(f)(2) and 365. Those nondebtor parties with interests in the Debtor's Acquired Assets who did object fall within one or more of the other subsections of 11 U.S.C. §§ 363(f) and 365 and are adequately protected by having their interests, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an interest.

P. Except for the Surviving Obligations, the transfer of the Acquired Assets to the Purchaser and assumption and assignment to the Purchaser of the Assumed Contracts will not subject the Purchaser to any liability whatsoever with respect to the operation of the business prior to the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or in part, directly or indirectly, in any theory of law or equity, including, without limitation, any theory of equitable law, including, without limitation, any theory of antitrust or successor or transferee liability.

Q. The Debtor has demonstrated that it is an exercise of its sound business judgment on behalf of the Debtor to assume and assign the Assumed Contracts to the Purchaser

in connection with the consummation of the Sale, and the assumption and assignment of the Assumed Contracts is in the best interests of the Debtor, its estate and its creditors. The Assumed Contracts being assigned to the Purchaser are an integral part of the business being purchased by the Purchaser and, accordingly, such assumption and assignment of Assumed Contracts is reasonable, enhances the value of the Debtor's estate, and does not constitute unfair discrimination.

R. The Debtor has (i) cured, or provide adequate assurance of cure, of any default occurring prior to the Closing Date under any of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A) and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default occurring prior to the Closing Date under any of the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B).

S. On or around June 22, 2000, the Debtor and C. Hager & Sons Hinge Manufacturing Co. ("Hager") entered into that certain Interim Service and Supply Agreement (the "Supply Agreement"). Pursuant to Section 5(d) of the Supply Agreement, the Debtor and Hager agreed that the Debtor would not use certain of Hager's registered and unregistered trademarks and tradenames in connection with the Debtor's operations, except for the two year period following the date of the Supply Agreement. Since the date of the Supply Agreement, the Debtor has consistently sold certain of its inventory either stamped with, packaged in or otherwise bearing the Hager name or mark. On or around March, 2001, based on alleged monetary breaches under the Supply Agreement and related agreements, Hager sent a notice to the Debtor purporting to terminate the Debtor's right to use any of Hager's registered and unregistered trademarks or tradenames. Hager commenced a lawsuit against the Debtor

The Purchaser and Hager have reached an agreement in principle as to a license for purchaser to use the Hager trademark and tradenames, subject to execution of a written license on or prior to the Closing Date (the "license").

~~seeking, among other things, damages for the Debtor's alleged infringement of Hager's trademarks and tradenames. This lawsuit was pending as of the Petition Date.~~

T. All inventory in the Debtor's possession constituting Acquired Assets bearing the Hager name or mark was manufactured by Hager and packaged in the same or similar manner that Hager packaged the same type of inventory prior to the date of the Supply Agreement and its related agreements.

U. The Purchaser's subsequent sale of the Acquired Assets stamped with, packaged in or otherwise bearing the name of Hager is not likely to cause confusion or mistake, or to deceive any third parties with respect to such sale as to the origin or make of such Acquired Assets, nor will such sale have a negative impact upon the image or name of Hager or any of its registered trademarks and/or tradenames. As such, and based on the findings in paragraphs O and S, the Purchaser has the right to sell all Acquired Assets stamped with, packaged in or otherwise bearing the Hager name or mark from the Closing Date through and including June 22, 2002.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

1. The Motion is granted, as further described herein.
2. All objections to the Motion or the relief requested therein that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby overruled on the merits.

Approval of the Purchase Agreement

3. The Purchase Agreement between the Debtor and the Purchaser, attached hereto collectively as Exhibit A, and all of the terms and conditions thereof, is hereby approved.

4. Pursuant to 11 U.S.C. § 363(b), the Debtor is authorized and directed to consummate the Sale pursuant to and in accordance with the terms and conditions of the Purchase Agreement.

5. The Debtor is authorized and directed to execute and deliver, and empowered to perform under, consummate and implement the Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Purchase Agreement, and to take all further actions as may be reasonably requested by the Purchaser for the purpose of assigning, transferring, granting, conveying and conferring to the Purchaser or reducing to possession, the Acquired Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Purchase Agreement.

Transfer of Acquired Assets

6. Pursuant to 11 U.S.C. §§ 105(a) and 363(f), the Acquired Assets shall be transferred to the Purchaser, and upon consummation of the Purchase Agreement (the "Closing") shall be, free and clear of all interests of any kind or nature whatsoever, including, without limitation, liens, security interests and reclamation and other claims, other than the Surviving Obligations, with all such interests of any kind or nature whatsoever to attach to the net proceeds of the Sale in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets, subject to any claims and defenses the Debtor may possess with respect thereto.

7. Except as expressly permitted or otherwise specifically provided by the Purchase Agreement or this Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade and other creditors, holding interests of any kind or nature whatsoever against or in the Debtor or the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtor, the Acquired Assets, the operation of the business prior to the Closing Date, or the transfer of the Acquired Assets to the Purchaser, hereby are forever barred, stopped, and permanently enjoined from asserting against the Purchaser, its successors or assigns, its property, or the Acquired Assets, such persons' or entities' interests.

8. The transfer of the Acquired Assets to the Purchaser pursuant to the Purchase Agreement constitutes a legal, valid, and effective transfer of the Acquired Assets, and shall vest the Purchaser with all right, title, and interest of the Debtor in and to the Acquired Assets free and clear of all interests of any kind or nature whatsoever.

Assumption and Assignment to Purchaser
of Assumed Contracts and Rejection of Non-Assumed Contracts

9. Pursuant to 11 U.S.C. §§ 105(a) and 365, and subject to and conditioned upon the Closing of the Sale, the Debtor's assumption and assignment to the Purchaser, and the Purchaser's assumption on the terms set forth in the Purchase Agreement, of the Assumed Contracts is hereby approved, and the requirements of 11 U.S.C. § 365(b)(1) with respect thereto are hereby deemed satisfied.

10. The Debtor is hereby authorized and directed in accordance with 11 U.S.C. §§ 105(a) and 365 to (a) assume and assign to the Purchaser, effective upon the Closing of the Sale, the Assumed Contracts free and clear of all interests of any kind or nature

whatsoever, and (b) execute and deliver to the Purchaser such documents or other instruments as may be necessary to assign and transfer the Assumed Contracts to the Purchaser.

11. The Assumed Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Purchaser in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Debtor shall be relieved from any further liability with respect to the Assumed Contracts after such assignment to and assumption by the Purchaser.

12. Each nondebtor party to an Assumed Contract hereby is forever barred, estopped, and permanently enjoined from asserting against the Debtor or the Purchaser, or the property of either of them, any default existing as of the date of the Sale Hearing; or, against the Purchaser, any counterclaim, defense, setoff or any other claim asserted or assertable against the Debtor.

13. On or prior to the Closing Date, the Debtor shall pay all obligations (other than the Surviving Obligations) arising on or prior to the Closing Date under the Assumed Contracts. To the extent any obligations under the Assumed Contracts (other than the Surviving Obligations) arising on or prior to the Closing Date are unpaid as of the Closing Date, the Debtor shall immediately pay such amounts from the gross proceeds of the Sale and no liens, claims, encumbrances or interests shall attach to gross proceeds utilized for such purpose.

14. The failure of the Debtor or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or

conditions, or of the Debtor and Purchaser's rights to enforce every term and condition of the Assumed Contracts.

15. The Purchaser shall notify the Debtor of any executory contract or unexpired lease of the Debtor which was not provided to Purchaser and is not listed on Exhibit B to this Order but is related to the Acquired Assets, regardless of whether such discovery is made prior to or after the Closing of the Sale, if the Purchaser desires such executory contract and/or unexpired lease to be treated as an Assumed Contract under the Sale. If such executory contract or unexpired lease has not previously been rejected in the Debtor's bankruptcy proceedings, then upon notification by the Purchaser, the Debtor shall file for determination at the next regularly scheduled hearing in the Debtor's bankruptcy proceedings, an independent motion for assumption and assignment to the Purchaser of such executory contract or unexpired lease the Debtor shall cure all defaults thereunder at the Debtor's expense. The Debtor shall provide notice and an opportunity to object to all parties affected thereby.

General Provisions

17. The Purchaser shall be, and hereby is, authorized to sell all Acquired Assets stamped with, packaged in, or otherwise bearing the Hager name or mark from the Closing Date ~~through and including June 22, 2002~~ ^{and after} without having or incurring any liability to Hager or any of its affiliates with respect to such sales except as set forth in the License.

19. This Order (a) shall be effective as a determination that, on the Closing Date, all interests of any kind or nature whatsoever existing with respect to the Debtor or the Acquired Assets prior to the Closing have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected, and (b) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

20. Each and every federal, state, and local governmental agency or department is hereby directed to accept for filing and/or recording any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

21. If any person or entity that has filed financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing interests with respect to the Debtor or the Acquired Assets shall not have delivered to the Debtor prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all interests which the person or entity has with respect to the Debtor or the Acquired Assets or otherwise, then (a) the Purchaser is hereby authorized and

directed to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Purchaser is hereby authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all interests in the Acquired Assets of any kind or nature whatsoever.

22. All entities who are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets, including, without limitation, C. Hager & Sons Manufacturing Co., are hereby directed to provide access to, and surrender possession of, the Acquired Assets to the Purchaser on and after the Closing Date.

23. The execution, delivery and/or recordation of any and all document or instruments necessary or desirable to consummate the transactions contemplated by the Purchase Agreement and the Sale shall be, and hereby are, exempt from the imposition and payment of any and all recording taxes, stamp taxes, transfer taxes, sales taxes, use taxes or other similar taxes, whether imposed against the Debtor or the Purchaser, pursuant to 11 U.S.C. § 1146(c).

24. The Debtor shall be, and hereby is, authorized and directed to pay or establish an escrow account for, all or any portion of any real estate or personal property taxes on the Acquired Assets which are accrued for, applicable to or arising from any period (or portion thereof) ending on or prior to the Closing Date. To the extent any such taxes are not paid on or prior to the Closing Date, the Debtor shall either immediately pay such taxes or fund the escrow account for such taxes from the gross proceeds of the Sale and no liens, claims, encumbrances or interests shall attach to gross proceeds utilized for such purpose.

25. All proceeds of the Sale shall be remitted directly to LaSalle Bank National Association ("LaSalle") for application by LaSalle in accordance with applicable orders of this Court.

26. Except for the Surviving Obligations, the Purchaser shall have no liability or responsibility for any liability or other obligation of the Debtor arising under or related to the Acquired Assets, including, without limitation, any liability relating to the Purchaser's subsequent sale of Acquired Assets stamped with, packaged in or otherwise bearing the Hager name. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein and in the Purchase Agreement, the Purchaser shall not be liable for any claims against the Debtor or any of its predecessors or affiliates, and the Purchaser shall have no successor or vicarious liabilities of any kind or character whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtor or any obligations of the Debtor arising prior to the Closing Date, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the business prior to the Closing Date.

27. Under no circumstances shall the Purchaser be deemed a successor of or to the Debtor for any interest against or in the Debtor or the Acquired Assets of any kind or nature whatsoever, including, without limitation, for purposes of the WARN Act or COBRA. Except for the Surviving Obligations, the sale, transfer, assignment and delivery of the Acquired Assets shall not be subject to any interests, and interests of any kind or nature whatsoever shall remain with, and continue to be obligations of, the Debtor. Except for persons holding Surviving Obligations, all persons holding interests against or in the Debtor or the Acquired Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently

enjoined from asserting, prosecuting, or otherwise pursuing such interests of any kind or nature whatsoever against the Purchaser, its property, its successors and assigns, or the Acquired Assets with respect to any interest of any kind or nature whatsoever such person or entity had, has, or may have against or in the Debtor, its estate, officers, directors, shareholders, or the Acquired Assets. Following the Closing Date, no holder of an interest in the Debtor or the Acquired Assets, nor any party asserting such an interest, shall interfere with the Purchaser's title to or use and enjoyment of the Acquired Assets based on or related to such interest, or any actions that the Debtor may take in its chapter 11 case.

28. This Court retains jurisdiction to enforce and implement the terms and provisions of the Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Acquired Assets to the Purchaser, (b) resolve any disputes arising under or related to the Purchase Agreement, except as otherwise provided therein, (c) interpret, implement, and enforce the provisions of this Order, and (d) protect the Purchaser against any interests in the Debtor or the Acquired Assets, of any kind or nature whatsoever, attaching to the proceeds of the Sale.

29. Nothing contained in any order of this Court shall conflict with or derogate from the provisions of the Purchase Agreement or the terms of this Order without the consent of the Purchaser.

30. The transfer of the Acquired Assets pursuant to the Sale shall not subject the Purchaser to any liability (other than the Surviving Obligations) with respect to the operation of the business prior to the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in

whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable subordination or successor or transferee liability.

31. The transactions contemplated by the Purchase Agreement are undertaken by the Purchaser in good faith, as that term is used in section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale to the Purchaser, unless such authorization is duly stayed pending such appeal. The Purchaser is a purchaser in good faith of the Acquired Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

32. The terms and provisions of the Purchase Agreement and this Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtor, its estate, and its creditors, the Purchaser, and their respective affiliates, successors and assigns, and shall be binding in all respects upon any affected third parties including, but not limited to, all persons asserting interests in the Acquired Assets to be sold to the Purchaser pursuant to the Purchase Agreement, notwithstanding any subsequent appointment of any trustee(s) under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

33. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Purchase Agreement be authorized and approved in its entirety.

34. The Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto, in a writing signed by both parties, and in accordance with the terms thereof, without further order of the

Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor's estate.

Additional Provisions

35. Any signature by Jay Lawrence or Ann Moore on the Purchase Agreement or any related document shall be deemed an authorized signature, without any corporate action by the Debtor.

36. Jay Lawrence and Ann Moore are hereby directed to appear at the offices of Katten Muchin & Zavis, 525 West Monroe, 16th Floor, Chicago, Illinois, 60661, at 9:30 a.m. on July 2, 2001 and sign the Purchase Agreement and all related documents requested by the Purchaser.

37. As provided by Bankruptcy Rules 7062 and 9014, this Order shall be effective and enforceable immediately upon signing and shall not be subject to the stay provisions contained in Bankruptcy Rules 6004(g) and 6006(d). Time is of the essence in closing the transaction and the Debtor and the Purchaser intend to close the Sale as soon as possible. Therefore, any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay or risk their appeal being foreclosed as moot.

38. The Court shall retain jurisdiction over any matter or dispute arising from or relating to the implementation of this Order.

ASSET PURCHASE AGREEMENT

ASSET PURCHASE AGREEMENT, dated as of June 19, 2001 (the "Agreement"), by and between LB Acquisition Co., L.L.C., a Delaware limited liability company (the "Purchaser"), and Lawrence Brothers, Inc., an Illinois corporation (the "Seller"). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in Article XII.

WHEREAS, the Seller is engaged in the business of manufacturing and selling hinges and other building materials and products (the "Business");

WHEREAS, the Seller has filed a voluntary petition (the "Petition") for relief commencing a case (collectively, the "Chapter 11 Case") under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. sections 101 et seq. (the "Bankruptcy Code") in the United States Bankruptcy Court for the Northern District of Illinois (the "Bankruptcy Court"); and

WHEREAS, the Purchaser desires to purchase and obtain the assignment from the Seller, and the Seller desires to sell, convey, assign, and transfer to the Purchaser, certain assets and properties of the Seller relating to the Business, together with certain obligations and liabilities relating thereto, all in the manner and subject to the terms and conditions set forth herein and in accordance with sections 105, 363, and 365 of the Bankruptcy Code (the "Contemplated Transactions").

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants, and agreements set forth herein, the parties hereto agree as follows:

ARTICLE I. PURCHASE AND SALE OF ASSETS

Section 1.1 Purchase and Sale of Acquired Assets. On the terms and subject to the conditions set forth in this Agreement, at the Closing, the Seller shall sell, assign, transfer, convey, and deliver to the Purchaser, and the Purchaser shall purchase and accept from the Seller, all of the contracts and contract rights of the Seller set forth on Section 1.1 of the Seller Disclosure Letter, if any (the "Assumed Contracts"), and all of the assets, properties, accounts receivable and rights of the Seller (the "Base Acquired Assets"), excluding the Excluded Assets and the Excluded Contracts, but including, without limitation, all network assets, equipment, Acquired Real Estate, and partnership or limited liability company membership interests in real estate in Colorado, Illinois and elsewhere, if any, each as further described in Section 1.1 of the Seller Disclosure Letter, as the same shall exist at the Closing, free and clear of all interests in property as set forth in Section 363 of the Bankruptcy Code (collectively, "Encumbrances"). Further, on the terms and conditions set forth in this Agreement, at such time or times as the Purchaser pays to the Seller the Hager Asset Amount or the Conway Asset Amount, if any, the Seller shall sell, assign, transfer, convey and deliver to the Purchaser, and the Purchaser shall accept from the Seller, the Hager Assets and/or the Conway Assets, as applicable, free and clear of all Encumbrances (such Hager Assets and Conway Assets, collectively with the Base Acquired Assets, the "Acquired Assets").

Section 1.2 Excluded Assets and Excluded Contracts. Purchaser and Seller acknowledge that Seller shall retain all of its right, title and interest in and to (a) assets and the accounts receivable described in Section 1.2(a) of the Seller Disclosure Letter and causes of action arising under 11 U.S.C. §§ 544-550 inclusive, and all causes of action of the Seller under bankruptcy or non-bankruptcy law against officers, directors, shareholders, employees or other insiders of the Seller that arose before the Closing, except for causes of action to collect trade accounts receivables and other similar causes of action directly related to the Business and the Acquired Assets, (b) if the Purchaser does not pay to the Seller the Hager Asset Amount, the Hager Assets and (c) if the Purchaser does not pay to the Seller the Con-way Asset Amount, the Con-way Assets ((a), (b) and (c), collectively, the "Excluded Assets"). Further, the Seller and the Purchaser acknowledge that the Seller shall retain all of its right, title and interest in and to (a) the Agreement between the Seller and the United Steelworkers of America, AFL-CIO-CLC, on behalf of itself and its local Union No. 63-03 and (b) the contracts and leases designated in Section 1.2(b) of the Seller Disclosure Letter ((a) and (b), collectively, the "Excluded Contracts").

Section 1.3 Assumed Liabilities. On the terms and subject to the conditions set forth in this Agreement, at the Closing, the Purchaser shall assume and/or accept assignment from the Seller the obligations of the Seller under the Assumed Contracts set forth in Section 1.3 of the Seller Disclosure Letter, if any, that, by the terms of such Assumed Contracts, arise after Closing, relate to periods following the Closing (the "Assumed Liabilities").

Section 1.4 Excluded Liabilities. Notwithstanding anything to the contrary contained herein, the Purchaser shall not assume, or in any way be liable or responsible for, any liabilities, commitments, or obligations of the Seller except for the Assumed Liabilities. Without limiting the generality of the foregoing, the Purchaser shall not assume, and the Seller shall remain responsible for the following (the "Excluded Liabilities"): (a) any liabilities or obligations (whether absolute, contingent, or otherwise) which accrue with respect to the Acquired Assets on or prior to the Closing Date; (b) any liability or obligation of the Seller for any Taxes of any kind accrued for, applicable to or arising from any period (or portion thereof) ending on or prior to the Closing Date; and (c) all cure amounts payable in order to effectuate, pursuant to the Bankruptcy Code, the assumption by and assignment to the Purchaser of Assumed Contracts, including unexpired leases, assigned to the Purchaser under the Sale Order ("Cure Amounts"), including Cure Amounts paid by any person or entity (including the Seller or any affiliate of the Seller) which is not the Purchaser or any of its affiliates prior to the Closing.

Section 1.5 Purchase Price. The consideration for the Base Acquired Assets (the "Base Purchase Price") shall be equal to the lesser of (a) Eight Million Seven Hundred Forty-One Thousand Eight Hundred Dollars (\$8,741,800) and (b) the amount due by the Seller to LaSalle Business Credit, Inc., ("LaSalle") on the Closing Date. The consideration for the Hager Assets shall be equal to Six Hundred Fifty-Eight Thousand Two Hundred Dollars (\$658,200) (the "Hager Asset Amount"). The consideration for the Con-way Assets shall be equal to Three Hundred Thousand Dollars (\$300,000) (the "Con-way Asset Amount").

ARTICLE II. THE CLOSING

Section 2.1 Closing. The closing of the Contemplated Transactions (the "Closing") shall take place by mail and/or facsimile, as necessary (with originals to follow by mail) on July 2, 2001 or at such other time as shall be fixed by agreement among the parties (the date of the Closing being herein referred to as the "Closing Date").

Section 2.2 Closing Consideration. Subject to the terms and conditions hereof, at the Closing, the Purchaser shall:

(a) pay to the Seller, by wire transfer of immediately available funds to an account or accounts specified in writing not less than three (3) Business Days prior to the Closing by the Seller, the Purchase Price; and

(b) assume the Assumed Liabilities, if any, pursuant to a duly executed Assignment and Assumption Agreement, in customary form mutually agreeable to the parties.

Section 2.3 Post-Closing Payments

(a) Hager Assets

(i) Subject to the terms and conditions hereof, within five (5) Business Days after delivery of the Hager Assets from the Hager premises to the Acquired Real Estate, the Purchaser shall pay to the Seller, by wire transfer of immediately available funds, the Hager Asset Amount.

(ii) If the Purchaser does not obtain the Hager Assets within fifteen (15) days following the Closing Date, the Purchaser shall have the right but not the obligation to purchase the Hager Assets, by payment to the Seller of the Hager Asset Amount, at such time as such Hager Assets are delivered to the Acquired Real Estate.

(b) Con-way Assets. At the Seller's option, subject to the consent of Con-way and LaSalle, the Seller may deliver the Con-way Assets to the Acquired Real Estate within fifteen (15) days of the date hereof; provided, however, that the Purchaser, in its sole discretion, shall have the right to reject the Con-way Assets. Within five (5) Business Days after the delivery of the Con-way Assets to the Acquired Real Estate, the Purchaser shall pay to the Seller, by wire transfer of immediately available funds, the Con-way Asset Amount.

**ARTICLE III.
REPRESENTATIONS AND WARRANTIES OF THE SELLER**

The Purchaser specifically acknowledges and agrees that the representations and warranties of the Seller set forth herein relate solely to the Business and/or the Acquired Assets and do not relate to either the Excluded Assets or the Excluded Liabilities.

Except as otherwise disclosed to the Purchaser in a schedule annexed hereto (which contains appropriate references to identify the representations and warranties herein to which the information in such schedule relates) (the "Seller Disclosure Letter"), the Seller represents and warrants to the Purchaser that, to the Seller's knowledge:

Section 3.1 Organization. The Seller is a corporation validly existing and in good standing under the laws of the jurisdiction of its incorporation and has the corporate power and authority to own, use, and operate the Business and to carry on the Business as it is now being conducted or presently proposed to be conducted except where the failure to be so validly existing and in good standing would not reasonably be expected to, individually or in the aggregate, result in a Seller Material Adverse Effect.

Section 3.2 Authority Relative to this Agreement. Subject to entry and effectiveness of the Sale Order, the Seller has the corporate power and authority to enter into this Agreement and to carry out its obligations hereunder. Subject to entry and effectiveness of the Sale Order, the execution, delivery, and performance of this Agreement by the Seller and the consummation by the Seller of the Contemplated Transactions have been duly authorized by all requisite corporate actions. Subject to the entry and effectiveness of the Sale Order, this Agreement has been duly and validly executed and delivered by the Seller and (assuming this Agreement constitutes a valid and binding obligation of the Purchaser) constitutes a valid and binding agreement of the Seller, enforceable against the Seller in accordance with its terms.

Section 3.3 Consents and Approvals. No material consent, approval, authorization of, declaration, filing, or registration with, any United States federal or state government or regulatory authority, is required to be made or obtained by the Seller in connection with the execution, delivery, and performance of this Agreement and the consummation of the transactions contemplated hereby, except (a) for consents, approvals, authorizations of, declarations, or filings with, the Bankruptcy Court, and (b) such consents, approvals, authorizations of, declarations, filings, or registrations which, if not made or obtained, as the case may be, would not individually or in the aggregate have a Seller Material Adverse Effect. The items referred to in clauses (a) and (b) of this Section 3.3 are hereinafter referred to as the "Governmental Requirements."

Section 3.4 No Violations. Assuming that the Governmental Requirements will be satisfied, made, or obtained and will remain in full force and effect and the conditions set forth in Article VII will have been satisfied or waived, neither the execution, delivery, or performance of this Agreement by the Seller, nor the consummation by the Seller of the Contemplated Transactions, nor compliance by the Seller with any of the provisions hereof will (a) conflict with or result in any breach of any provisions of the articles of incorporation or bylaws of the Seller, (b) violate any order, writ, injunction, decree, statute, rule, or regulation applicable to the Business or (c) result in the creation or imposition of any Encumbrance on any Acquired Asset, except in each case for violations, breaches, defaults, terminations, cancellations, accelerations, creations, impositions, suspensions, or revocations that (i) would not individually or in the aggregate have a Seller Material Adverse Effect, (ii) are excused by or unenforceable as a result of the filing of the Petition or the applicability of any provision of or any applicable law of the Bankruptcy Code, or (iii) are set forth in Section 3.4 of the Seller Disclosure Letter.

Section 3.5 No Default. Except to the extent excused by or unenforceable as a result of the commencement or pendency of the Chapter 11 Case or the application of any provision of the Bankruptcy Code (but only to the extent such excuse, lack of enforceability or application of law will continue to apply in favor of the Purchaser and its successors and assigns

following Closing), the Seller is not in violation, breach of, or default under (and no event has occurred that with notice or the lapse of time would constitute a violation, breach of, or a default under) any term, condition, or provision of (a) its articles of incorporation or bylaws, (b) any agreement, commitment, or other instrument or obligation to which the Seller is a party or by which the Seller's properties or assets may be bound or affected, (c) any order, writ, injunction, decree, statute, rule, or regulation applicable to the Seller or to the Seller's properties or assets, or (d) any permit, license, governmental authorization, consent, or approval necessary for the Seller to conduct the Business as currently conducted, except in each case for breaches, defaults, or violations that result from the filing of the Petition or non-payment of amounts owed prior to the filing of the Petition and except as would not reasonably be expected to, individually or in the aggregate, result in a Seller Material Adverse Effect.

Section 3.6 No Violation of Law. Except to the extent excused by or unenforceable as a result of the commencement or pendency of the Chapter 11 Case or the application of any provision of the Bankruptcy Code (but only to the extent such excuse, lack of enforceability or application of law will continue to apply in favor of the Purchaser and its successors and assigns following Closing), the Seller is not in violation of, nor has been given notice or been charged with any violation of, any law, statute, order, rule, regulation, ordinance, or judgment (including, without limitation, any applicable environmental law, ordinance, or regulation) of any governmental or regulatory body relating to the Business except for such violations, notices, or changes that would not reasonably be expected to, individually or in the aggregate, result in a Seller Material Adverse Effect.

Section 3.7 Intellectual Property. Except as otherwise disclosed on Schedule 3.7 hereto, the Seller owns, or possesses adequate and enforceable (except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization and similar laws affecting creditors' rights and remedies and by general equitable principles (regardless of whether enforcement is sought in equity or at law)) licenses or other rights to use, all Intellectual Property used in or necessary for the Business as it is currently conducted.

Section 3.8 Title to Assets. Except as otherwise disclosed on Schedule 3.7 hereto, the Seller has and will transfer good and marketable title to the Acquired Assets, and upon the entry of the Sale Order and the consummation of the transactions contemplated hereby, the Purchaser will acquire good and marketable title to all of such Acquired Assets, free and clear of any and all Encumbrances.

Section 3.9 Environmental Matters. Except as and to the extent set forth on Schedule 3.9, if at all, there are no currently effective consent decrees, consent orders, judgments, judicial or administrative orders or written agreements (other than Permits) between any governmental authority and the Seller, or currently effective judgments, judicial or administrative orders issued by any governmental authority against the Seller, or liens on the Real Estate perfected by any governmental authority under any Environmental Law.

Section 3.10 Accuracy of Information Furnished. No representation or warranty of the Seller contained in this Agreement, including the Seller Disclosure Letter, and no statement contained in any certificate furnished or to be furnished by or on behalf of the Seller at the Closing contains or will contain as of the date such representation or warranty is made or

such certificate is delivered, any untrue statement of a material fact, or omits, or will omit to state as of the date such representation or warranty is made or such certificate is furnished, any material fact that is necessary to make the statements contained herein or therein not misleading.

Section 3.11 Brokers. Except for fees payable to Morris-Anderson, which fees are payable by the Seller, no person is entitled to any brokerage, financial advisory, finder's, or similar fee or commission payable by the Seller in connection with the Contemplated Transactions based upon arrangements made by or on behalf of the Seller.

Section 3.12 Employee Benefit Plans. (a) Each employee benefit plan (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") in which employees of the Business participate is disclosed on Schedule 3.12 (the "Employee Benefit Plans").

(b) Except as set forth on Schedule 3.12(d), each Employee Benefit Plan has in all material respects been maintained in compliance with its terms and all material provisions of ERISA and the Internal Revenue Code of 1986, as amended (the "Code"), applicable thereto (including rules and regulations thereunder).

(c) Except as set forth on Schedule 3.12(d), each Employee Benefit Plan which is an employee pension plan within the meaning of Section 3(2) of ERISA (a "Pension Plan"), which is intended to be "qualified" within the meaning of Sections 401(a) and 501(a) of the Code has been determined by the IRS to be so qualified and the Company knows of no facts which would indicate that the qualified status of each such Pension Plan or the tax exempt status of each trust created thereunder has been adversely affected.

(d) Except as set forth on Schedule 3.12(d), with respect to each Pension Plan that is subject to Part 3 of Title I or Title IV of ERISA (a "Title IV Plan"): (i) no reportable event under Section 4043 of ERISA for which the notice requirement has not been waived has occurred; (ii) no accumulated funding deficiency, whether or not waived under Code Section 412 has been incurred; (iii) the assets of each Title IV Plan equal or exceed the benefit liabilities of such Title IV Plan determined as if such plan were terminating; (iv) no liability to the Pension Benefit Guaranty Corporation has been incurred and all premiums required to be paid thereto have been paid on behalf of each Title IV Plan; and (v) no event or condition exists which (A) would constitute grounds for termination by the Pension Benefit Guaranty Corporation or (B) has caused or would give rise to a partial termination of any such Title IV Plan.

(e) Except as set forth on Schedule 3.12(d), each Employee Benefit Plan which is a welfare plan has at all times been in compliance with the provisions of Section 4980B of the Code and no such plan provides post-retirement medical or life coverage to any employees of the Business, other than as required by COBRA.

Section 3.13 Assets Transferred. The Seller has good and marketable title to all assets, inventory and equipment located on the Real Estate, and all of such assets, inventory and equipment constitute Acquired Assets.

Section 3.14 Interests Transferred. With regard to any Acquired Assets in the form of partnership or limited liability company membership interests of another entity, the Seller has full voting and other power over such interests, subject to no agreement relating to the voting or transfer of any such interests.

ARTICLE IV. REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

Except as otherwise disclosed to the Seller in a schedule annexed hereto (which schedule contains appropriate references to identify the representations and warranties herein to which the information in such schedule relates) (the "Purchaser Disclosure Letter"), Purchaser represents and warrants to the Seller as follows:

Section 4.1 Organization. Purchaser is a limited liability company validly existing and in good standing under the laws of its jurisdiction of formation.

Section 4.2 Authority Relative to This Agreement. Purchaser has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution, delivery, and performance of this Agreement by the Purchaser and the consummation by the Purchaser of the transactions contemplated hereby have been duly authorized by all requisite limited liability company actions.
