INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of February 1, 2007, is made by **ULTRACELL MEDICAL TECHNOLOGIES, INC.** (“**Grantor**”), with offices at 183 Providence New London Tpk., North Stonington, Connecticut 06359, in favor of **GENERAL ELECTRIC CAPITAL CORPORATION**, a Delaware corporation, acting in its capacity as Administrative Agent for the Lenders under the Credit Agreement described below, with offices at 500 West Monroe, Chicago, Illinois 60661 (the “**Administrative Agent**”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of the date hereof by and among Aspen Surgical Products, Inc., as Borrower, the other Credit Parties signatory thereto, the Lenders signatory thereto (collectively, the “**Lenders**”), the Administrative Agent and National City Bank, as Documentation Agent (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented, extended replaced or otherwise modified, the “**Credit Agreement**”), the Lenders have agreed to make the Loans and to incur L/C Obligations for the benefit of Borrower;

WHEREAS, Administrative Agent and the Lenders are willing to make the Loans and to incur L/C Obligations as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor shall have executed and delivered to the Administrative Agent, for itself and the ratable benefit of Lenders, that certain Subsidiary Security Agreement, dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “**Security Agreement**”);

WHEREAS, pursuant to the Credit Agreement and the Security Agreement, Grantor is required to execute and deliver to Administrative Agent, for itself and the ratable benefit of the Lenders, this Intellectual Property Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **Definitions**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or in **Section 1.1** of the Credit Agreement, as applicable.

2. **Grant of Security Interest**. To secure the prompt and complete payment and performance of all of the Obligations, Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to Administrative Agent, for itself and the benefit of Lenders, a Lien upon all of its right, title and interest of Grantor in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Intellectual Property Collateral**”):

(a) all of its Patents and Patent Licenses to which it is a party including those referred to on Schedule I hereto, respectively;

(b) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule II hereto, respectively;

(c) all of its Copyrights and Copyright Licenses to which it is a party including those referred to on Schedule III hereto, respectively;

(d) all reissues, continuations or extensions of the foregoing;

(e) all goodwill of the business connected with the use of, and symbolized by, each Patent, each Patent License, each Trademark, each Trademark License, each Copyright and each Copyright License; and

(f) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Patent or Patent licensed under any Patent License, (ii) injury to the goodwill associated with any Patent or any Patent licensed under any Patent License, (iii) infringement or dilution of any Trademark or Trademark licensed under any Trademark License, (iv) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License, (v) infringement or dilution of any Copyright or Copyright licensed under any Copyright License, and (vi) injury to the goodwill associated with any Copyright or any Copyright licensed under any Copyright License.

3. **Representations and Warranties.** Grantor represents and warrants to the Administrative Agent and the Lenders that Grantor does not have any interest in, or title to, any Patent, registered Trademark or registered Copyright except as set forth in Schedule I, Schedule II and Schedule III, respectively, hereto. This Intellectual Property Security Agreement is effective to create a valid and continuing Lien on and, upon the recording hereof by the United States Copyright Office and the United States Patent and Trademark Office, perfected Liens in favor of Administrative Agent (for the benefit of itself and the Lenders) on Grantor's Patents, registered Trademarks and registered Copyrights and such perfected Liens are enforceable as such as against any and all creditors of and purchasers from any Grantor to the extent that recording in the United States Copyright Office and the United State Patent and Trademark Office is effective to do so and subject to the proviso in the next sentence. Upon recording of this Intellectual Property Security Agreement by the United States Copyright Office and the United States Patent and Trademark Office and the filing of appropriate financing statements listed on Schedule I to the Security Agreement, all action necessary or desirable to protect and perfect Administrative Agent's Lien on Grantor's Patents, registered Trademarks or registered Copyrights shall have been duly taken; provided, however, that the subsequent recordation of this Intellectual Property Security Agreement in the U.S. Patent and Trademark Office and U.S. Copyright Office, as applicable, may be necessary to perfect the security interest of the Administrative Agent in issued registrations and applications for other U.S. Intellectual Property that are acquired by Grantor after the date hereof, the

registration of unregistered Copyrights in the U.S. Copyright Office may be required in order to perfect the Administrative Agent's Lien therein, and the taking of actions outside the United States may be required in order to perfect the Administrative Agent's Lien in Intellectual Property included in the Collateral which is protected under non-U.S. law.

4. **Covenants.** Grantor covenants and agrees with the Administrative Agent that from and after the date of this Intellectual Property Security Agreement and until the Termination Date:

(a) Grantor shall notify Administrative Agent immediately if it knows or has reason to know that any material application or registration relating to any Patent, Trademark or Copyright (now or hereafter existing) may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(b) Grantor shall provide Administrative Agent with written notice of any application filed by Grantor, either by itself or through any agent, employee, licensee or designee, to register any Patent, Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in the United States within ninety (90) days of such filing, and, upon request of Administrative Agent, Grantor shall execute and deliver a supplement hereto as Administrative Agent may request to evidence Administrative Agent's Lien on such Patent, Trademark or Copyright, and the General Intangibles of Grantor relating thereto or represented thereby.

(c) Grantor shall take all commercially reasonable actions necessary or requested by Administrative Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Patents, Trademarks and Copyrights (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(d) In the event that any of the Intellectual Property Collateral is infringed upon, or misappropriated or diluted by a third party, Grantor shall (1) comply with Section 5(c) of the Security Agreement and (2) unless Grantor shall reasonably determine that such Intellectual Property Collateral is not material to the conduct of its business or operations, promptly take all commercially reasonable actions, including to sue to enjoin any such conduct and/or to recover any and all damages for such infringement, misappropriation or dilution.

5. **Security Agreement.** The security interests granted by Grantor pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interest granted by Grantor to Administrative Agent, on behalf of itself and the Lenders, pursuant to the Security Agreement. Grantor and Administrative Agent expressly agree that the security interests granted under this Intellectual Property Security Agreement and the Security Agreement in the Intellectual Property Collateral are intended to be treated as a single security interest for purposes of Article 9 of the Code and other applicable law. The exercise by the Administrative Agent or the Lenders of any rights or remedies with respect to any of the Intellectual Property Collateral shall be deemed to be an exercise of such rights or remedies in connection with both this Intellectual Property Security Agreement and the Security Agreement. In the event of any inconsistency between the terms and conditions of this Intellectual Property Security Agreement and the Security Agreement, the terms and conditions of the Security Agreement shall prevail.

6. **Reinstatement.** This Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

7. **Notices.** Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

8. **Termination; Authorized Sales of Collateral.** Subject to Section 6 hereof, this Intellectual Property Security Agreement shall terminate upon the Termination Date. In the event Grantor proposes to sell any of the Intellectual Property Collateral and such sale is permitted pursuant to the terms and conditions set forth in Section 7.8 of the Credit Agreement, the Administrative Agent agrees, at the expense of the Grantor, to execute and deliver to the Grantor, prior to or contemporaneously with Grantor's receipt of the proceeds from such sale, such UCC-3 termination statements and other collateral property releases necessary to release the applicable Intellectual Property Collateral from the lien and security interest of the Administrative Agent.

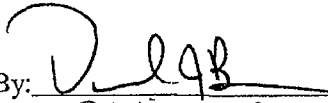

9. **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF ILLINOIS. GRANTOR HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE FEDERAL AND/OR STATE COURTS SITTING IN COOK COUNTY, CITY OF CHICAGO, ILLINOIS FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. GRANTOR IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 11.3** OF THE CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Grantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer or other representative as of the date first set forth above.
