SENIOR TRADEMARK SECURITY AGREEMENT

Senior Trademark Security Agreement, dated as of February 2, 2007 (the "**Agreement**"), by AYLWARD ENTERPRISES, LLC, a Delaware limited liability company ("**Borrower**" or "**Grantor**"), for itself and on behalf of its Subsidiaries, to and in favor of PATRIOT CAPITAL FUNDING, INC., a Delaware corporation ("**Agent**"), in its capacity as agent for the Purchasers (Agent, in such capacity, "**Secured Party**") identified in the Senior Secured Credit Agreement (as the same may be amended, restated, substituted, supplemented or otherwise modified from time to time, the "**Credit Agreement**") among Grantor, Agent and the Purchasers from time to time party thereto dated of even date herewith.

WITNESSETH:

WHEREAS, the Grantor is party to a Senior Security Agreement of even date herewith (the "**Security Agreement**") in favor of the Agent pursuant to which the Grantor is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement, or if not defined therein, as defined in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby pledges and grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in and to all of its and its Subsidiaries' right, title and interest in, to and under all the following pledged Collateral:

- (a) Trademarks listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing.

Notwithstanding the foregoing, "**Trademark Collateral**" shall not include any general intangibles or other rights arising under any contracts, instruments, licenses or other documents relating to any of the foregoing Patent Collateral as to which the grant of a security interest would (i) constitute a violation of a valid and effective restriction in favor of a third party on such grant, unless and until any required consents shall have been obtained or (ii) give any other party to such contract, instrument, license or other document the right to terminate its obligations thereunder pursuant to any valid and effective provision thereof.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Agent for the benefit of the Secured Parties in the Trademarks with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security

Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement, the Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, Lien and security interest in the Trademarks under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.
