Trademark Security Agreement

and Liens permitted by Section 9.03 of the Credit Agreement, no liens, claims or security interests in such Trademarks and Licenses have been granted by such Grantor to any Person other than the Administrative Agent. If, prior to the termination of this Agreement, any Grantor shall (i) obtain rights to any new trademarks, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) become entitled to the benefit of any trademarks, registered trademarks, trademark applications, trademark licenses, trademark license renewals, service marks, registered service marks, service mark applications, service mark licenses or service mark license renewals, whether as licensee or licensor, or (iii) enter into any new trademark license agreement or service mark license agreement, the provisions of Section 3 above shall automatically apply thereto. Each Grantor shall give to the Administrative Agent written notice of events described in clauses (i), (ii) and (iii) of the preceding sentence not less frequently than on an annual basis. Each Grantor hereby authorizes the Administrative Agent to modify this Agreement unilaterally, upon reasonable notice to such Grantor thereof, (x) by amending Schedule A to include any future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications owned or held by any Grantor or to prepare this Agreement for filing with the Patent and Trademark Office and by amending Schedule B to include any trademark license agreements and service mark license agreements to which any Grantor becomes a party, which are Trademarks or Licenses under Section 3 above or under this Section 5, and (y) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule A or B thereto, as the case may be, such future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, and trademark license agreements and service mark license agreements.

6. Royalties. Each Grantor hereby agrees that the use by the Administrative Agent of the Trademarks and Licenses as authorized hereunder in connection with the Administrative Agent's exercise of its rights and remedies under Section 14 hereof or pursuant to Section 8 of the Security Agreement shall be coextensive with such Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Secured Parties to such Grantor.

7. Further Assignments and Security Interests. Each Grantor agrees (a) except as provided in Section 9.02 of the Credit Agreement, not to sell or assign its respective interests in, or grant any license under, the Trademarks or the Licenses without the prior and express written consent of the Administrative Agent and (b) to maintain the quality of such products as of the date hereof.

8. Nature and Continuation of the Administrative Agent's Security Interest; Termination of the Administrative Agent's Security Interest; Release of Collateral.

(a) This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only upon the satisfaction of the conditions specified in Section 12.09(c)(i)(A) of the Credit Agreement. Upon such termination and at the written request of any Grantor or its successors or assigns, and at the cost and expense of such Grantor or its successors or assigns, the Administrative Agent shall execute in a timely manner such instruments, documents or agreements as are reasonably necessary or reasonably desirable to terminate the Administrative

Trademark Security Agreement

Agent's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to this Agreement or the Security Agreement.

(b) Notwithstanding anything in this Agreement to the contrary, each Grantor may, to the extent permitted by Section 9.02 of the Credit Agreement sell, assign, transfer or otherwise dispose of any Trademarks and any Licenses. In addition, the Trademarks and Licenses shall be subject to release from time to time (with the Trademarks and Licenses referred to in the immediately preceding sentence, the "Released Collateral") in accordance with Section 12.09(c)(i)(A) of the Credit Agreement. The Liens under this Agreement shall automatically terminate with respect to the Released Collateral upon such sale, transfer, assignment, disposition or release, and upon the request of the applicable Grantor, the Administrative Agent shall execute and deliver such instrument or document as may be reasonably necessary to release the Liens granted hereunder; provided, however, that (i) the Administrative Agent shall not be required to execute any such documents on terms which, in the Administrative Agent's opinion, would expose the Administrative Agent to liability or create any obligation other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Liabilities or any Liens on (or obligations of such Grantor in respect of) assets which continue to constitute Trademarks and Licenses, including, without limitation, all reversionary rights of such Grantor with respect to the Released Collateral and the proceeds of any sale, all of which shall continue to constitute part of the Trademarks and Licenses.

9. Duties of each Grantor; The Administrative Agent's Duty of Care. Each Grantor shall have the duty, to the extent it deems appropriate in the normal conduct of such Grantor's business, to: (a) prosecute diligently any material trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, and (b) make application for the registration of trademarks or service marks used or adopted by such Grantor. Each Grantor further agrees (x) not to abandon any material Trademark or License without the prior written consent of the Administrative Agent, and (y) to use its reasonable best efforts to obtain and maintain in full force and effect the Trademarks and the Licenses that are or shall be reasonably necessary or reasonably desirable in the operation of any Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by each Grantor. The Administrative Agent shall not be liable for any acts, omissions, errors of judgment or mistakes of fact or law including, without limitation, acts, omissions, errors or mistakes with respect to the Collateral, except for those arising out of or in connection with the Administrative Agent's (c) gross negligence or willful misconduct, or (d) material breach of a material provision of this Agreement. Without limiting the generality of the foregoing, none of the Secured Parties shall be under any obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but the Administrative Agent may do so at its option, and all reasonable expenses incurred in connection therewith shall be for the sole account of the Grantors and shall be added to the Liabilities secured hereby.

10. The Administrative Agent's Right to Sue. From and after the occurrence of an Event of Default, the Administrative Agent shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if the Administrative Agent shall commence any such suit, each Grantor shall, at the request of the

Trademark Security Agreement

Administrative Agent, do any and all lawful acts and execute any and all proper documents reasonably required by the Administrative Agent in aid of such enforcement. Each Grantor shall, upon demand, promptly reimburse the Administrative Agent for all reasonable costs and expenses incurred by the Administrative Agent in the exercise of its rights under this Section 10 (including, without limitation, reasonable fees and expenses of attorneys for the Administrative Agent).

11. Waivers. The Administrative Agent's failure, at any time or times hereafter, to require strict performance by any Grantor of any provision of this Agreement shall not waive, affect or diminish any right of the Administrative Agent thereafter to demand strict compliance and performance therewith nor shall any course of dealing between any Grantor and the Administrative Agent have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of any Grantor contained in this Agreement shall be deemed to have been suspended or waived by the Administrative Agent unless such suspension or waiver is in writing signed by an officer of the Administrative Agent and directed to such Grantor specifying such suspension or waiver.

12. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. Cumulative Remedies; Power of Attorney. Each Grantor hereby designates, constitutes and appoints the Administrative Agent (and all Persons designated by the Administrative Agent in its sole and absolute discretion) as such Grantor's true and lawful attorney-in-fact, and, upon the occurrence and during the continuance of an Event of Default, authorizes the Administrative Agent and any of the Administrative Agent's designees, in such Grantor's or the Administrative Agent's name, to take any action and execute any instrument which the Administrative Agent may deem reasonably necessary or reasonably desirable to accomplish the purposes of this Agreement, including, without limitation, to (subject, where applicable, to the provisions of the Loan Documents) (a) endorse such Grantor's name on all applications, documents, papers and instruments reasonably necessary or reasonably desirable for the Administrative Agent in the use, prosecution or protection of the Trademarks or the Licenses, (b) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (c) grant or issue any exclusive or nonexclusive license under the Trademarks or under the Licenses, to anyone on commercially reasonable terms, and (d) take any other actions with respect to the Trademarks or, to the extent permitted, the Licenses as any of the Secured Parties deems in its or their own best interest. Each Grantor hereby ratifies all that such attorney shall lawfully do or, to the extent permitted,

Trademark Security Agreement

cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations shall have been Paid In Full and the Revolving Credit Commitments shall have been terminated. Each Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Parties under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

The Administrative Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence of an Event of Default and the election by the Administrative Agent to exercise any of its remedies under Section 9-504 or Section 9-505 of the Uniform Commercial Code with respect to the Trademarks and Licenses, each Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to the Administrative Agent or any transferee of the Administrative Agent and to execute and deliver to the Administrative Agent or any such transferee all such agreements, documents and instruments as may be reasonably necessary, in the Administrative Agent's sole discretion, to effect such assignment, conveyance and transfer. All of the Administrative Agent's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Security Agreement, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default, the Administrative Agent may exercise any of the rights and remedies provided in this Agreement, the Security Agreement and any of the other Loan Documents. Each Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonable and properly given if given at least ten (10) days before such disposition; provided, however, that the Administrative Agent may give any shorter notice that is commercially reasonable under the circumstances. Further, notwithstanding anything set forth herein to the contrary, in exercising any rights provided in this Agreement or any of the other Loan Documents the Administrative Agent shall not cause any of the Trademarks to be abandoned by assignment or conveyance of a Trademark separate from the goodwill symbolized by such mark.

15. Successors and Assigns. This Agreement shall be binding upon each Grantor and its successors and assigns, and shall inure to the benefit of each of the Secured Parties and their respective nominees, successors and assigns. Each Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for such Grantor; provided, however, that such Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without the Administrative Agent's prior written consent.

16. Governing Law. **THIS AGREEMENT SHALL BE INTERPRETED, AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED, IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK.**

17. Notices. All notices and other communications required or desired to be served, given or delivered hereunder shall be in writing and shall be served, given or delivered as

Trademark Security Agreement

provided in Section 13.08 of the Credit Agreement, and the terms of such Section are herein incorporated by reference.

18. Section Titles. The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

19. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

20. Consent to Jurisdiction and Service of Process. Each Grantor agrees that the terms of Section 13.17 of the Credit Agreement with respect to consent to jurisdiction and service of process shall apply equally to this Agreement, and the terms of such Section are herein incorporated by reference.

21. **WAIVER OF JURY TRIAL.** EACH GRANTOR AND THE ADMINISTRATIVE AGENT WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, BETWEEN THE ADMINISTRATIVE AGENT AND ANY GRANTOR ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT, OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH. EITHER GRANTOR OR THE ADMINISTRATIVE AGENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

22. Intercreditor Agreements. Certain provisions of this Agreement are subject to the provisions of the Intercreditor Agreements, provided that this Section 22 shall in no way benefit any Grantor or any successor or assign of such Grantor, including, without limitation, a debtor in possession or any trustee for the estate created by an Insolvency and Liquidation Proceeding (as defined in the Intercreditor Agreement).
