Pursuant to the Loan Agreement, You have granted to Us a lien on and a security interest in all the present and future rights, title, and interest that You may now have or hereafter acquire in all Patents, Trademarks, Patent Licenses, Trademark Licenses, and applications for patents or trademarks.

In consideration for the mutual covenants and agreements contained in the Loan Agreement and this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. GRANT OF SECURITY INTEREST OF PATENTS

You grant to Us a lien upon and continuing security interest in all of Your right, title, and interest in, to and under all of the following (all of the following items of property collectively will be referred to as the "Patent Collateral"), whether now existing or hereafter arising or acquired:

- ⇒ all Patents, Patent Licenses, and patent applications and specifically those listed on the attached **Schedule A**, as the same may be amended to include any patents acquired and patent applications filed and made a part of, and the reissues, divisions, continuations, renewals, extensions and continuations-in-part of;
- ⇒ all Trademarks, Trademark Licenses, and trademark applications and specifically those listed on **Schedule B** attached and made a part of as the same may be amended to include any trademarks acquired and trademark applications acquired, and all registrations and renewals of;
- ⇒ all Proceeds.

2. LOAN AGREEMENT

This security interest is granted to secure the Secured Obligations, under the Loan Agreement. The Loan Agreement is incorporated by reference in this Agreement as though set forth in full and all the capitalized words and other terms used but not otherwise defined are used in this Agreement with the same meaning as defined in the Loan Agreement.

3. AUTHORIZATION

You authorize and request that the Commissioner of Patents and Trademarks record this Agreement and the interests granted in this Agreement.

Tentoe Coll. Grant.

4. FURTHER ASSURANCES

You will from time to time execute, deliver and file, alone or with Us, any security agreements, or other documents to perfect or give priority to Our lien on the Patent Collateral. You will from time to time obtain any instruments or documents as we may request, and take all further action that may be reasonably necessary or desirable, or that We may reasonably request, to carry out more effectively the provisions and purposes of this Agreement or any other related agreements or to confirm, perfect, preserve and protect the liens granted to Us. In addition, and for such purposes only, You hereby authorize Us to execute and deliver on Your behalf and to file such financing statements, assignments, notices, control agreements, security agreements and other documents without your signature either in Our name or in Our name as agent and attorney-in-fact for You. The Parties agree that a carbon, facsimile, photographic or other reproduction of this Agreement shall be sufficient as a financing statement and may be filed in any appropriate office in lieu thereof.

5. OUR RIGHT TO SUE

From and after an event of default, subject to the terms of the Loan Agreement, We shall have the right, but shall in no way be obligated, to bring suit in Our own name to enforce the Patents and Trademarks. If We commence any such suit, You shall, at the Our request, do all lawful acts and execute and deliver all proper documents or information that may be necessary or desirable to aid Us in such enforcement. You shall promptly, upon demand, reimburse and indemnify Us for all of Our costs and expenses, including reasonable attorney's fees, related to Our exercise of the above mentioned rights; provided, that you are not required to indemnify us for any matter resulting from our gross negligence or willful misconduct.

6. MODIFICATION
