6th ASSIGNMENT OF SERVICE MARKS AND TRADEMARKS made as of the day of February, 2007, by ARMINIUS SELECT SERVICES CORPORATION, a Nevada corporation with its principal place of business at 5005 West Avenue, San Antonio, Texas 78213 (“Assignor”), to EBONITE HOLDINGS, INC., a Kentucky corporation with its principal place of business at 1813 West 7th Street, P.O. Box 746, Hopkinsville, Kentucky 42240 (“Assignee”).

RECITAL

Assignee and Assignor, among others, are parties to an Asset Purchase Agreement dated as of February 6, 2007 (the “Agreement”), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Assets (as defined in the Agreement), including without limitation the servicemarks, trademarks and trade names of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor’s worldwide right, title and interest in, to and under Assignor’s registered and unregistered domestic and foreign servicemarks, trademarks, trademark applications and trade names, including without limitation the servicemarks, trademarks, servicemark and trademark applications and trade names listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the “Marks”).

NOW, THEREFORE, Assignor, for and in exchange for the payment of the purchase price set forth in the Agreement, the receipt of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor’s worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Servicemarks and Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Servicemarks and Trademarks not been made.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Servicemarks and Trademarks shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky without giving effect to the principles of conflicts of laws thereof.

Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Agreement. Notwithstanding anything to the contrary contained herein, the terms hereof are subject to the terms, provisions, conditions and limitations set forth in the Agreement, and this instrument is not intended to alter the obligations of the parties to the Agreement. Assignor acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided in the Agreement. In the event of any conflict or inconsistency between the terms of the Agreement and the terms hereof, the terms of the Agreement shall control.

This instrument may be executed by the parties hereto in one or more counterparts and by facsimile, each of which shall be an original and all of which shall constitute one and the same instrument.
