TRADEMARK ASSIGNMENT

WHEREAS, ROWMARK, INC., an Ohio corporation, having its principal place of business at PO Box 1605, 2040 Industrial Drive, Findlay, OH 45839 (“**Assignor**”), has used the trademarks registered in the United States Patent and Trademark Office as set forth on the attached Annex 1, which is incorporated herein by reference (collectively, the “**Marks**”); and

WHEREAS, ROWMARK LLC, a Delaware limited liability company, having its principal place of business at PO Box 1605, 2040 Industrial Drive, Findlay, OH 45839 (“**Assignee**”), is desirous of acquiring any and all rights that Assignor may have in and to the Marks and the registrations thereof, together with the goodwill of the business in connection with which any of the Marks is used and which is symbolized by such Mark, along with the right to pursue claims and recover damages and profits for past infringements thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, transfer, convey and deliver (and agrees further to assign, transfer, convey and deliver) unto Assignee all right, title and interest in and to each Mark, including the registration therefor and any common law rights therein, in the United States and throughout the world, and any and all similar designations thereto, together with the goodwill of the business in connection with which such Mark is used and which is symbolized by such Mark, along with any and all licenses to or for such Mark and the right to pursue claims and recover damages and profits for past infringements thereof.

Following the execution of this Trademark Assignment and at Assignee’s reasonable request, Assignor shall provide Assignee with whatever reasonable assistance is required in the preparation of all other assignment documents necessary to confirm and effect the assignment and transfer to Assignee of all of Assignor’s right, title, and interest in all of the Marks in those countries as set forth in the Annex 1, and all related goodwill. At the request of Assignee, Assignor shall execute, and shall designate a responsible person (as applicable) who shall in the future, timely execute and deliver all such assignment documents to Assignee. Until such time as all of the assignments of Assignor’s Marks in all countries as set forth in Annex 1 are duly recorded with the responsible government offices (the “**Interim Period**”), Assignor acknowledges and confirms that Assignee shall, in any event, be deemed hereunder and in accordance with the terms and conditions of this Trademark Assignment, to be the owner of Assignor’s Marks identified on Annex 1.

If it shall be necessary to record this Trademark Assignment, or other confirmatory documentation during the Interim Period, or in the event that any of Assignor’s Marks shall become due for any maintenance filings or other recordations during the Interim Period, Assignor shall likewise cooperate with Assignee’s requests and hereby consents and grants to Assignee the right to take whatever action is necessary, in Assignee’s judgment, and at Assignee’s expense, to record and file assignments and other materials confirming ownership by Assignee and to maintain and enforce all registrations and other filings worldwide.
