RELEASE, TRANSFER AND ASSIGNMENT

PNC Bank, National Association (the "Secured Party"), hereby releases, reassigns, transfers and delivers to Clement Communications, Incorporated, Concentrated Knowledge Corporation, Clement Publishing Group, Inc. and Business Research and Development Corporation (collectively, the "Debtor") all collateral of the Debtor previously pledged to the Secured Party as security for Loan No. 602153538 which was paid off in full on January 30, 2007, including, but not limited to, the trademarks and copyrights listed on Exhibit "A" attached hereto (collectively, the "Collateral"), and hereby acknowledges that its liens and security interests in the Collateral are hereby terminated and of no further force and effect. In furtherance of the foregoing, the Secured Party hereby authorizes the Debtor to execute, file and/or deliver all required UCC-3 termination statements, Patent and Trademark Office releases, United States Copyright Office releases, mortgage releases and other documents required to release of record the Secured Party's liens and security interests in and to the Collateral, such documents to be in the form and substance satisfactory for filing with the appropriate filing offices in each jurisdiction where required.

From time to time, upon request by the Debtor, and without further consideration other than reimbursement for any necessary costs and expenses (including reasonable attorneys' fees), the Secured Party shall execute, deliver and acknowledge all such further documents, agreements, certificates and instruments and do such further acts as the Debtor may reasonably require to more effectively evidence or effectuate the transactions contemplated by this document, including but not limited to, the release and discharge of all security interests and all other rights and interests that the Secured Party has or may have had in the Collateral. The Debtor acknowledges that the Secured Party will require some of the entities that comprise the Debtor to grant to the Secured Party new security interests in some of the Collateral as a condition of future financing arrangements.

Executed by the above-named Secured Party as of the 31st day of January, 2007.
