SYNTHONIX PHARMACEUTICALS, INC.

RELEASE AND REASSIGNMENT OF INTELLECTUAL PROPERTY

THIS RELEASE AND REASSIGNMENT OF INTELLECTUAL PROPERTY is made as of February 21, 2007 by Biogen Idec Inc. (the "Secured Party") in favor of Syntonix Pharmaceuticals, Inc., a Delaware corporation (the "Owner").

The Owner granted the Secured Party a security interest in substantially all of its assets pursuant to a note dated as of December 21, 2006 (the "Note") between the Owner and the Secured Party. The Note defined Collateral to include the following:

Accounts receivable, contract rights, documents, instruments, general intangibles, inventory, goods, equipment, patents, copyrights, trademarks, domain names, goodwill, investment property, stock or other evidences of ownership, chattel paper, instruments, leases, commercial tort claims, cash, cash equivalents, deposit accounts, books, records, insurance proceeds, dividends, all other property, assets and items of value and proceeds and products of the foregoing.

In addition to filing a UCC-1 financing statement to perfect its interest in all of the Owner's Collateral, the Secured Party also filed its security interest in all the Owner's trademarks and trademark applications, attached as Exhibit A (the "Trademarks"), and the Owner's patents and patent applications, attached as Exhibit B (the "Patents"), with the United States Patent and Trademark Office. The Secured Party entered into an Agreement and Plan of Merger with the Owner and other parties on January 3, 2007, pursuant to which the Owner became a wholly-owned subsidiary of the Secured Party on January 31, 2007. The Secured Party now wishes to release its security interest in the Trademarks and Patents and to reassign to the Owner all of the Secured Party's right, title, and interest in and to the Trademarks and Patents.

For good and valuable consideration, the Secured Party hereby (a) releases the security interest, and transfers and assigns to the Owner all of the rights, title and interests, of the Secured Party in and to the Trademark and Patents; (b) authorizes the Owner to take any and all actions in connection with the Trademark and Patents in the Owner's own name and at the Owner's own cost and expense; and (c) agrees that, after the date hereof, the Secured Party will, at the cost and expense of the Owner, execute and deliver to the Owner such documents, and take such other actions, as the Owner may reasonably request to accomplish the release, transfer and assignment set forth herein.

IN WITNESS WHEREOF, the Secured Party has executed this Release and Reassignment of Intellectual Property as of the date first above written.
