**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

REGISTRANT: Lancaster Colony Corporation  
REGISTRATION NO.: 1,556,726  
MARK: NYRACORD  
REGISTRATION DATE: 09/19/1989

**AFFIDAVIT OF DAVID M. SEGAL**

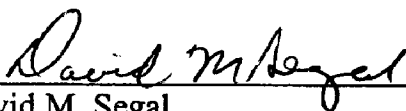

1. I, David M. Segal, state that I am Secretary/General Counsel of Lancaster Colony Corporation (LCC), an Ohio Corporation having a principle place of business at 37 West Broad Street, Columbus, Ohio 43215.
2. LCC is the owner of all right, title and interest in the trademark NYRACORD, including the above-referenced Registration No. 1,556,726 (the "LCC Registration"). LCC has owned the LCC Registration since its registration on 09/19/89. No other entities other than LCC have owned the LCC Registration or the NYRACORD mark.
3. Upon a recent investigation, it was brought to my attention that a third party, Texas Commerce Bank National Association filed a Security Interest with respect to the LCC Registration. Specifically, the Security Interest was executed in favor of assignee, Texas Commerce Bank National Association and granted from assignor, Purolator Products NA, Inc. The Security Interest was executed on 12/14/92 and recorded on 12/12/92 at Reel/Frame 0915/0111 (attached hereto as **Exhibit 1**). This conveyance document lists a total 29 Federal trademarks for which Texas Commerce Bank National Association claims a security interest from Purolator Products, NA. One of the marks is Registration No. 1,556,728 for PUROLATOR. It is believed that an error in transcription was made so that Registration No. 1,556,726 (the LCC

Registration) was typed instead of Registration No. 1,556,728, thereby making the LCC Registration a part of this assignment. Again, a review of the Assignment status of the LCC Registration reveals that the LCC Registration was recorded on this reel/frame and yet the LCC Registration does not appear on this document.

4. LCC is not affiliated in any way with Purolator Products NA, Inc. or Texas Commerce Bank National Association and has never granted any rights in the LCC Registration to either of these parties. It is believed that one or both of Purolator Products NA, Inc. and/or Texas Commerce Bank National Association prepared and filed the Security Interest recorded at Reel/Frame 0915/0111 and Registration No. 1,556,728 was mistyped so that the Trademark Office record reflects this Assignment as including the LCC Registration by mistake.

5. On 01/29/07, a representative for LCC contacted Purolator Products NA (now Robert Bosch GmbH) to inform them of this issue. Robert Bosch GmbH informed LCC's representatives that they were unsure how to fix the problem considering their recent acquisition of Purolator Products NA. On 01/29/07, a representative for LCC contacted the Assignment Division at the USPTO and was informed that the Assignment/Security Interest could be reversed if LCC filed an Affidavit describing the situation, claiming ownership of the LCC Registration and requesting that the Security Interest be reversed for error.

6. Accordingly, LCC respectfully requests that that Security Interest recorded at Reel/Frame 0915/0111 be reversed with respect to Registration No. 1,556,726.

THIS TRADEMARK SECURITY AGREEMENT ("Agreement"), dated as of December 14, 1992, is by and between PUROLATOR PRODUCTS NA, INC., a corporation duly organized and validly existing under the laws of the State of Delaware (the "Debtor"), and TEXAS COMMERCE BANK NATIONAL ASSOCIATION, a national banking association, ("TCB"), as agent for the Banks (as defined in the Credit Agreement defined below) (in such capacity, together with its successors in such capacity, the "Agent").

WHEREAS, PUROLATOR PRODUCTS COMPANY, a Delaware corporation ("Borrower"), the Banks and TCB as Agent for the Banks, are parties to a Credit Agreement of even date herewith (as the same may be amended, restated, modified, supplemented and in effect from time to time, the "Credit Agreement");

WHEREAS, the Debtor and TCB as Agent for the Banks are parties to a Security Agreement (Personal Property) of even date hereof (as said Security Agreement may be amended, restated, modified, supplemented and in effect from time to time, the "Security Agreement"), which sets forth in more detail certain terms and conditions relating to the matters agreed to herein;

WHEREAS, the Credit Agreement and the Security Agreement contemplate the execution of a Agreement between the Debtor and TCB as Agent for the Banks;

The Debtor does hereby grant to the Agent a continuing security interest in all of the Company's rights, titles and interests of every kind or character now owned or hereafter acquired, created or arising in and to the following (all of the following being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired, to secure the payment of the Debt (as defined in the Security Agreement):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, and other source or business identifiers, designs and general intangibles of like nature, and all prints and labels on which any of the foregoing have appeared or appear, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith including,

(b) each agreement granting any right to use any trademark, service mark or tradename which agreement by its terms or by law does not prohibit encumbrance of Company's interest thereunder (each herein called a "Trademark License," and collectively the "Trademark Licenses"), including, without limitation, each Trademark License listed in Schedule 1 attached, and all of the goodwill of the business connected with the use of, and symbolized by, any trademark, service mark or tradename licensed by such Trademark License; and

(c) all substitutions for and improvements and proceeds of, and all renewals and replacements of, any of the foregoing, and all general intangibles relating to or arising in connection with any of the foregoing, including, without limitation, any claim for past, present or future infringement or dilution of any Trademark or of any trademark, service mark or tradename licensed under any Trademark License, or for injury to the goodwill associated with any Trademark or trademark, service mark or tradename licensed under any Trademark License, and all insurance and claims for insurance with respect to same.
