## GRANT OF SECURITY INTEREST IN U.S. TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN U.S. TRADEMARK RIGHTS, dated as of March 8, 2007 (as amended, supplemented or otherwise modified from time to time, this "Agreement"), is made by LEVLAD, LLC, a Delaware limited liability company ("Grantor"), in favor of CANADIAN IMPERIAL BANK OF COMMERCE, as Collateral Agent (the "Agent") for CANADIAN IMPERIAL BANK OF COMMERCE, as administrative agent (the "Administrative Agent"), and the banks and other financial institutions or entities (the "Lenders") from time to time parties to the Credit Agreement, dated as of March 8, 2007 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among LEVLAD INTERMEDIATE HOLDCO, INC., a Delaware corporation, ARBONNE INTERMEDIATE HOLDCO, INC., a Delaware corporation, ARBONNE INTERNATIONAL, LLC, a Delaware limited liability company ("Arbonne") and Grantor (together with Levlad, the "Borrowers"), the Lenders, the Co-Documentation Agents and Syndication Agent named therein, the Agent and the Administrative Agent.

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrowers, including Grantor, upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrowers executed and delivered a Guarantee and Collateral Agreement, dated as of March 8, 2007 (as amended, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), in favor of the Agent for the benefit of the Secured Parties and the Administrative Agent;

WHEREAS, under the terms of the Guarantee and Collateral Agreement, Grantor has granted a security interest in certain Collateral, including, without limitation, certain Intellectual Property, of Grantor to the Agent for the benefit of the Secured Parties and the Administrative Agent, and has agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office;

WHEREAS, Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Borrowers pursuant to the Credit Agreement, Grantor hereby agrees, for the benefit of the Secured Parties and the Administrative Agent, as follows:

SECTION 1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in Guarantee and Collateral Agreement, and, if not therein defined, in the Credit Agreement.

SECTION 2. (1) GRANT OF SECURITY INTEREST. Grantor hereby pledges and grants to the Agent, for the benefit of the Secured Parties and the Administrative Agent, a security interest in and continuing lien on all of Grantor's right, title and interest in, to and under the under the following, whether now owned or existing or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral"):

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and

recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule I hereto), and (ii) the right to obtain all renewals thereof;

(b) any and all agreements granting any right in, to or under Trademarks to which Grantor is a party (whether such Grantor is licensee or licensor thereunder);

(c) all renewals of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License;

(e) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; and

(f) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

(2) LIMITED EXCLUSIONS. Notwithstanding anything herein to the contrary, this Agreement shall not constitute a grant of a security interest in any property to the extent that and for as long as such grant of a security interest (A) is prohibited by any Requirement of Law, (B) requires a filing with or consent from any Governmental Authority pursuant to any Requirement of Law that has not been made or obtained, or (C) constitutes a breach or default under or results in the termination of, or requires any consent not obtained under, any lease, license or agreement, except to the extent that such Requirement of Law or provisions of any such lease, license or agreement is ineffective under applicable law or would be ineffective under Sections 9-406, 9-407, 9-408 or 9-409 of the New York UCC to prevent the attachment of the security interest granted hereunder; and (ii) the security interest granted hereby (A) shall attach at all times to all Proceeds of such property, (B) shall attach to such property immediately and automatically (without need for any further grant or act) at such time as the condition described in clause (i) ceases to exist and (C) to the extent severable shall in any event attach to all rights in respect of such property that are not subject to the condition described in clause (i).

SECTION 3. GUARANTEE AND COLLATERAL AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Agent, for the benefit of the Secured Parties and the Administrative Agent, pursuant to the Guarantee and Collateral Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. APPLICABLE LAW. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York, without regard to its conflicts of law provisions (other than Section 5-1401 and Section 5-1402 of the New York General Obligation Laws).

SECTION 5. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their respective duly authorized signatories as of the day and year first above written.
