**FIRST AMENDMENT TO  
PATENT AND TRADEMARK SECURITY AGREEMENT**

This First Amendment to Patent and Trademark Security Agreement, dated as of March \_\_, 2007, ("Amendment") is made by and between DPI, Inc., a Missouri corporation having a business location at the address set forth below next to its signature and formerly known as GPX, Inc. ("Borrower"), and Wells Fargo Bank, National Association, acting through its Wells Fargo Business Credit operating division, having a business location at the address set forth below next to its signature ("Lender").

Recitals

The Borrower and the Lender are parties to a Credit and Security Agreement of June 14, 2006 (as subsequently amended, supplemented or restated from time to time, the "Credit and Security Agreement") setting forth the terms on which the Lender may now or hereafter extend credit to or for the account of the Borrower.

As a condition to extending credit to or for the account of the Borrower, the Lender required the execution and delivery of the original Patent and Trademark Security Agreement dated June 14, 2006, and which was recorded with the U.S. Patent and Trademark Office on July 24, 2006 at Reel 017982, Frame 0233. (the "Patent and Trademark Security Agreement") by the Borrower.

Pursuant to the Credit and Security Agreement, Borrower covenanted to Lender that it would not change its name.

Effective as of November 9, 2006, Borrower changed its name from GPX, Inc. to DPI, Inc., which name change constituted a breach of its covenant to Lender under the Credit and Security Agreement ("the Name Change Covenant Breach").

Lender is willing to waive the Name Change Covenant Breach and amend relevant portions of the Credit and Security Agreement and the Patent and Trademark Security Agreement to reflect the name change of Borrower.

ACCORDINGLY, in consideration for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Amendments to Patent and Trademark Security Agreement. All references to GPX, Inc. in the Patent and Trademark Security Agreement are hereby amended to hereinafter refer to DPI, Inc. All other definitions, terms, and conditions of the Patent and Trademark Security Agreement shall remain unchanged.

2. Non-waiver. By entering into this Amendment, Lender is not waiving any other Default or Event of Default that may exist at this time under the Credit and Security Agreement and/or the Patent and Trademark Security Agreement, and Lender reserves all rights and remedies available to it.

3. Representations, Warranties and Agreements. The Borrower represents, warrants and agrees as follows:

(a) *Existence; Authority*. The Borrower has all requisite power and authority to execute this Amendment and to perform all of its obligations hereunder, and this Amendment has been duly executed and delivered by the Borrower and constitutes the legal, valid, and binding obligation of the Borrower, enforceable in accordance with its terms.

(b) *Patents*. The Borrower hereby reaffirms that Exhibit A accurately lists all Patents owned or controlled by the Borrower as of the date hereof, or to which the Borrower has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof.

(c) *Trademarks*. The Borrower hereby reaffirms that Exhibit B accurately lists all Trademarks owned or controlled by the Borrower as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit B need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to the Borrower's or any Affiliate's business(es).

4. Miscellaneous. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original and all of which counterparts, taken together, shall constitute one and the same instrument.

[SIGNATURE PAGE TO FOLLOW]
