- (a) the Trademarks;
- (b) all registrations of the Trademarks in any State of the United States, any political subdivision thereof and any other country or jurisdiction;
- (c) all trademarks, servicemarks, trade names, trade styles, trademark and service mark applications, licenses and rights to use any of the foregoing, and all applications, registrations and recordings relating to any of the foregoing, hereafter adopted or acquired and used, including, but not limited to, those which are based upon or derived from the Trademarks or any variations thereof (the "**Future Trademarks**");

All of the foregoing items set forth in clauses (a) through (h) are hereinafter referred to collectively as the "**Collateral**".

Notwithstanding the foregoing, "Collateral" shall not include any lease, license, permit, contract, property right or agreement to which Pledgor is a party or under which Pledgor has any right or interest (including any Intellectual Property of Pledgor that is the subject of such lease, license, permit, contract, property right or agreement) if and only for so long as the grant of a security interest hereunder shall constitute or result in a breach, termination or default under any such lease, license, permit, contract, property right or agreement (other than to the extent that any such term would be rendered ineffective under Sections 9406, 9407, 9408 or 9409 of the UCC or any other applicable law or principle of equity); provided, however, that such security interest shall attach immediately to any portion of such lease, license, permit, contract, property right or agreement that does not result in any of the consequences specified above in this paragraph.

AND Pledgor hereby covenants with Pledgee as follows:

1. Loan and Security Agreement and Financing Agreements. The security interest granted pursuant to this Security Agreement is granted in conjunction with the security interests granted to Pledgee pursuant to the Loan Agreement. Pledgor hereby acknowledges and affirms that the rights and remedies of Pledgee with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Loan Agreement and the other Financing Agreements, and that Pledgee shall have all the rights and remedies granted to it by the Loan Agreement and the other Financing Agreements, which rights and remedies are specifically incorporated herein by reference and made a part hereof, and any and all rights and remedies of law available to Pledgee. This Security Agreement is a supplement to, and is hereby incorporated into, the Financing Agreements and made a part thereof.

2. No Obligations of Pledgee. Pledgee shall have no obligation or liability in connection with the Collateral or any licenses or agreements relating thereto by reason of this Security Agreement or any payment received by Pledgee relating to the Collateral, nor shall

Pledgee be required to perform any covenant, duty, or obligation of Pledgor arising in connection with the Collateral or any license or agreement related thereto or to take any other action regarding the Collateral or any such licenses or agreement.

3. Amendments and Waivers. This Security Agreement may not be modified, supplemented, or amended, or any of its provisions waived except in a writing signed by Pledgor and Pledgee. Pledgor hereby authorizes Pledgee to modify this Security Agreement at any time and from time to time upon prior notification to Pledgor by amending Exhibit A hereto to include any Future Trademarks or any additional licenses relating to the Collateral. Notwithstanding the foregoing, no failure to so modify this Security Agreement or amend Exhibit A hereto shall in any way affect, invalidate or detract from Pledgee's continuing security interest in all Collateral, whether or not listed on Exhibit A hereto.

4. Severability. If any clause or provision of this Security Agreement shall be held invalid or unenforceable, in whole or in part, in any jurisdiction, such invalidity or unenforceability shall attach only to such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such or any other clause or provision in any other jurisdiction.

5. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

6. Counterparts, etc. This Security Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Security Agreement by telefacsimile shall have the same force and effect as the delivery of an original executed counterpart of this Security Agreement. Any party delivering an executed counterpart of this Security Agreement by telefacsimile shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability or binding effect of this Security Agreement.
