TRADEMARK AND SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement"), dated April 11, 2006, is by and between O'SULLIVAN INDUSTRIES, INC., a Delaware corporation ("Debtor"), and WILMINGTON TRUST COMPANY, a Delaware banking corporation, in its capacity as agent (in such capacity, "Secured Party") pursuant to the Note Issuance Agreement (as hereinafter defined) acting for and on behalf of the parties thereto as Recipients (each individually, a "Recipient" and, collectively, "Recipients").

WITNESSETH:

WHEREAS, Debtor is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Schedule A hereto and made a part hereof;

WHEREAS, Debtor, its domestic subsidiaries, as Guarantors (the "Guarantors"), Secured Party and the Recipients have entered or are about to enter into the Note Issuance Agreement pursuant to which the Company will issue the Variable Rate Senior Secured Notes (the "Notes") to Recipients, to be secured by a lien in favor of Agent on behalf of the Recipients, as set forth in the Note Issuance Agreement, dated of even date herewith by and among Debtor, Guarantors, Agent and Recipients (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Note Issuance Agreement") and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, this Agreement (all of the foregoing, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, together with the Note Issuance Agreement, being collectively referred to herein as the "Financing Agreements"); and

WHEREAS, in order to induce Secured Party and Recipients to enter into the Note Issuance Agreement and the other Financing Agreements, the Debtor has agreed to grant to Secured Party certain collateral security as set forth herein.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST.

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party a continuing security interest in and a general lien upon the following (being collectively referred to herein as the "Collateral"): (a) all of Debtor's now owned or hereafter acquired or existing right, title, and interest in and to: (i) all of Debtor's trademarks, trade names, trade styles and service marks and all applications for registration, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof, including, without

limitation, the trademarks, terms, designs and applications described in Schedule A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any trademarks, trade names, trade styles and service marks, and all reissues, extensions, continuation and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); and (ii) all prints and labels on which such trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all present and future license and distribution agreements (subject to the rights of the licensors therein) pertaining to the Trademarks, (d) all income, fees, royalties and other payments at any time due or payable to Debtor with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (e) the right to sue for past, present and future infringements thereof; (f) all rights corresponding thereto throughout the world; and (g) any and all other proceeds of any of the foregoing, including, without limitation, all damages and payments or claims by Debtor against third parties for past or future infringement of the Trademarks. Notwithstanding anything to the contrary contained in this Section 1, the Collateral shall not include any rights or interest in any contract, license or license agreement covering personal property of Debtor, so long as under the terms of such contract, license or license agreement, or applicable law with respect thereto, the grant of a security interest or lien therein to Secured Party is prohibited and such prohibition has not been or is not waived or the consent of the other party to such contract, license or license agreement has not been or is not otherwise obtained; provided, that, the foregoing exclusion shall in no way be construed (i) to apply if any such prohibition is unenforceable under the Uniform Commercial Code or other applicable law or (ii) so as to limit, impair or otherwise affect Secured Party's unconditional continuing security interests in and liens upon any rights or interests of such Debtor in or to monies due or to become due under any such contract, license or license agreement.

2. OBLIGATIONS SECURED.

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Debtor to Secured Party, Recipients and the other Secured Parties (as defined in the Note Issuance Agreement), including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under this Agreement, the Note Issuance Agreement or the other Financing Agreements or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Note Issuance Agreement or after the commencement of any case with respect to Debtor under the Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case, whether or not such amounts are allowed or allowable in whole or in part in such case and including loans, interest, fees, charges and expenses related thereto and all other obligations of Debtor to Secured Party, any Recipient or any Secured Party arising after the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Secured Party, any Recipient or any Secured Party (all of the foregoing being collectively referred to herein as the "Obligations").

3. **REPRESENTATIONS, WARRANTIES AND COVENANTS.**

Debtor hereby represents, warrants and covenants with and to Secured Party the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Trademarks are subsisting in full force and effect and, to the knowledge of Debtor, are valid. Debtor owns the sole, full and clear title to the Collateral, and the right and power to grant the security interest granted hereunder. Debtor shall, at Debtor's expense, perform all acts and execute all documents necessary to maintain the existence of registered Trademarks, including, without limitation, the filing of any renewal affidavits and applications, except as set forth in Section 3(i) hereof. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the Note Issuance Agreement, (ii) the security interests permitted under the Note Issuance Agreement and (iii) the licenses referred to under Section 3(e) below.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the Note Issuance Agreement. Nothing in this Agreement shall be deemed a consent by Secured Party or any Recipient to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform any acts and execute any documents reasonably requested by Secured Party from time to time to evidence, perfect, maintain, record or enforce the security interest in the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(e) As of the date hereof, Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, or any political subdivision thereof, other than those described in Schedule A hereto and has not granted any licenses with respect thereto other than as set forth in Schedule B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit I annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder.

(g) Secured Party may, in its discretion, pay any amount or do any act which Debtor fails to pay or do as required hereunder or as reasonably requested by Secured Party to preserve, defend,

protect, maintain, record or enforce the Obligations, the Collateral, or the security interest or general lien granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. Debtor shall be liable to Secured Party for any such payment, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with interest at the rate then applicable to the Obligations set forth in the Note Issuance Agreement and shall be part of the Obligations secured hereby.

(h) Debtor shall notify Secured Party within (30) days of filing any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country. If, after the date hereof, Debtor shall (i) obtain any registered trademark or trade name, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration used in the United States, any State thereof, any political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Debtor shall promptly execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be requested by Secured Party to evidence the security interest in such Trademark in favor of Secured Party.

(i) Debtor has not abandoned any of the Trademarks and Debtor will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable; provided, that, Debtor may, after written notice to Secured Party, abandon, cancel, not renew or otherwise not maintain a Trademark so long as (i) such Trademark is no longer used or useful in the business of Debtor or any of its affiliates or subsidiaries, (ii) such Trademark has not been used in the business of Debtor or any of its affiliates or subsidiaries for a period of six (6) consecutive months, (iii) such Trademark is not otherwise material to the business of Debtor or any of its affiliates or subsidiaries in any respect, (iv) such Trademark has little or no value, and (v) no Default (as defined in the Note Issuance Agreement) or Event of Default (as hereinafter defined) shall exist or have occurred as of such time. Debtor shall notify Secured Party promptly if it knows of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Debtor shall render any reasonable assistance, as Secured Party shall determine is necessary, to Secured Party and Recipients in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as Debtor's exclusive property and to protect Secured Party's interests and Recipients' interests therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) Except as set forth in Section 7.14 of the Schedule of Exceptions (as defined in the Note Issuance Agreement), no infringement or unauthorized use presently is being made of any of the Trademarks by any person that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Secured Party and Recipients, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured Party hereunder. There has been no judgment holding any of the

Trademarks invalid or unenforceable, in whole or in part, nor is the validity or enforceability of any of the Trademarks presently being questioned in any litigation or proceeding to which Debtor is a party. Debtor shall promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark.

(l) Debtor assumes all responsibility and liability arising from its use of the Trademarks, and Debtor hereby indemnifies and holds Secured Party and Recipients harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Note Issuance Agreement.

(m) Debtor shall promptly pay Secured Party and Recipients for any and all reasonable expenditures made by Secured Party or any Recipient pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, and reasonable attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the Obligations set forth in the Note Issuance Agreement and shall be part of the Obligations secured hereby.

4. **EVENTS OF DEFAULT.**

The occurrence or existence of any Event of Default under the Note Issuance Agreement or any of the other Financing Agreements is referred to herein individually as an "Event of Default" and collectively as "Events of Default".

5. **RIGHTS AND REMEDIES.**

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party or any Recipient, whether provided under this Agreement, the Note Issuance Agreement, the other Financing Agreements, applicable law or otherwise, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services or otherwise in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary or affiliate of Debtor or for such other reason as Secured Party may determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an

exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of ten (10) days' prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application for registration, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party and Recipients on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and reasonable attorneys' fees and legal expenses. Debtor agrees that Secured Party and Recipients have no obligation to preserve rights to the Trademarks against any other parties.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party or Recipients. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to Secured Party and Recipients for any of the Obligations remaining unpaid after the application of such proceeds, and Debtor shall pay Secured Party on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Note Issuance Agreement.

(f) Debtor shall supply to Secured Party, or to Secured Party's designee, Debtor's knowledge and expertise relating to the manufacture, sale and distribution of the products and services bearing the Trademarks and Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party or any Recipient to take any such action at any time. All of Secured Party's and Recipients' rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. **JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW.**

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Agreements and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York without regard to principals of conflicts of laws, but excluding any rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(b) Debtor and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York located in the County of New York and the United States District Court for the Southern District of New York, whichever Secured Party may elect, and waives any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Agreements or in any way connected or related or incidental to the dealings of Debtor and Secured Party or any Recipient in respect of this Agreement or the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Debtor in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Debtor shall appear in answer to such process, failing which Debtor shall be deemed in default and judgment may be entered by Secured Party against Debtor for the amount of the claim and other relief requested.

(d) DEBTOR AND SECURED PARTY EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTOR AND SECURED PARTY OR ANY RECIPIENT IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. DEBTOR AND SECURED PARTY EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTOR AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Notwithstanding any other provision contained herein, Secured Party and Recipients shall not have any liability to Debtor (whether in tort, contract, equity or otherwise) for losses suffered by Debtor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Secured Party or such Recipient that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Secured Party and Recipients shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Financing Agreements.
