**AMENDED AND RESTATED PATENT AND TRADEMARK SECURITY  
AGREEMENT**

This AMENDED AND RESTATED PATENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of March 30, 2007, by and among SENCO PRODUCTS, INC., an Ohio corporation (the "Company"), NEXICOR LLC, an Ohio limited liability company ("Nexicor"), OMNIFAST LLC, Ohio limited liability company ("Omnifast"), SENCO INTERNATIONAL INC., an Ohio corporation ("International"), SENCORP, an Ohio corporation ("SENCORP") and DURASPIN PRODUCTS, LLC, an Ohio limited liability company ("DuraSpin" and collectively with the Company, Nexicor, Omnifast, International and SENCORP the "Grantors"), in favor of LASALLE BANK NATIONAL ASSOCIATION, in its capacity as Global Administrative Agent for the Lenders (in such capacity, the "Global Administrative Agent").

**RECITALS**

A. Grantors and the Global Administrative Agent are parties to that certain Patent, Trademark and License Security Agreement dated as of April 24, 2003 (as amended from time to time, the "Original IP Agreement").

B. The Company and SENCORP, an Ohio corporation have entered into a Second and Amended Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") with, the financial institutions that are or may from time to time become parties thereto (together with their respective successors and assigns, the "Lenders"), the Global Administrative Agent, in its individual capacity and as the Global Administrative Agent for the Lenders, and ABN AMRO Inc., as Lead Arranger and Sole Bookrunner for the Lenders, pursuant to which the Lenders have agreed to make loans to, and issue or participate in letters of credit for the account of, Grantors and/or their affiliates.

C. The Grantors, together with their affiliates, have entered into a Guaranty and Collateral Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Collateral Agreement") with the Global Administrative Agent pursuant to which certain obligations owed to the Lenders are secured.

D. Pursuant to the Guaranty and Collateral Agreement, Grantors are required to execute and deliver to the Global Administrative Agent, for the ratable benefit of the Lenders, this Agreement.

E. Pursuant to the terms of the Guaranty and Collateral Agreement, Grantors have granted to the Global Administrative Agent, for the benefit of the Lenders, a security interest in substantially all the assets of the Grantors, including all right, title and interest of the Grantors in, to and under all now owned and hereafter acquired patents, patent applications, patent licenses, trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantors under the Credit Agreement.

F. The parties hereto desire to consolidate, amend and restate the Original IP Agreement by entering into this Agreement in accordance with the terms and conditions set forth below.

In consideration of the mutual agreements set forth herein and in the Credit Agreement, the Grantors hereby grant to the Global Administrative Agent, for the benefit of the Lenders, a continuing security interest in all of Grantors' right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantors against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral");
- (4) each patent and patent application, including, without limitation, each patent and patent application referred to in Schedule 2 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (5) each patent license, including, without limitation, each patent license listed on Schedule 2 annexed hereto, together with all goodwill associated therewith;
- (6) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantors against third parties for past, present or future infringement of any patent, including, without limitation, any patent referred to in Schedule 2 annexed hereto, any patent issued pursuant to a patent application referred to in Schedule 2 and any patent licensed under any patent license listed on Schedule 2 annexed hereto (items 4 through 6 being herein collectively referred to as the "Patent Collateral").

This security interest is granted in conjunction with the security interests granted to the Global Administrative Agent pursuant to the Guaranty and Collateral Agreement and subject to limitations set forth therein. Grantors hereby acknowledge and affirm that the rights and remedies of the Global Administrative Agent with respect to the security interest in the Trademark Collateral and the Patent Collateral made and granted hereby are more fully set forth

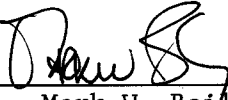

in the Credit Agreement and Guaranty and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Guaranty and Collateral Agreement.

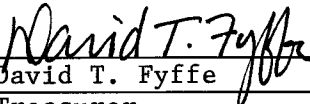

This Agreement amends and restates the Original IP Agreement, and such agreement has been superseded hereby.

[signature page follows]

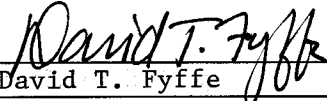

Grantors have caused this Patent and Trademark Security Agreement to be duly executed by their duly authorized officers thereunto as of the date first set forth above.

Patent Case Summary Report

Date: March 19, 2007

Case Number	Client Name, Client Case No.	Status	Application Serial Number, Patent No.	Title	Count
SENCOS01	Senco Products, Inc.	Issued Issued: 8/1/2006 Expires: 10/13/2024	10/964,099 7,082,857	Sliding Rail Containment Device For Flexible Collated Screws Used With A Top Feed Screw Driving Tool	1
SENCOS02	Senco Products, Inc.	Issued Issued: 4/25/2006 Expires: 9/29/2024	10/953,422 7,032,482	Tensioning Device Apparatus For A Bottom Feed Screw Driving Tool For Use With Collated Screws	2
SENCOS04	Senco Products, Inc.	Issued Issued: 11/23/1999 Expires: 12/3/2017	08/984,674 5,988,026	Screw Feed And Driver For A Screw Driving Tool	3
SENCOS05	Senco Products, Inc.	Issued Issued: 8/27/2002 Expires: 8/27/2016	29/138,358 D462,001	Screw Driving Tool	4
SENCOS10	Senco Products, Inc. 283.1	Pending Filed on 4/14/2005	11/106,227	Screw Driving Apparatus With Attachable And Detachable Nose Sub-Assembly For Use With Single-Feed Screws Or For Use With Automatic-Feed Collated Screw	5
SENCOS11	Senco Products, Inc. 283.1	Pending Filed on 4/14/2005	11/106,299	Apparatus For Controlling A Fastener Driving Tool, With User-Adjustable Torque Limiting Control	6
DURAS16	DuraSpin Products LLC	Pending Filed on 12/16/2005	11/303,339	Method And Apparatus For Attaching Ribs On Cargo Trailers	7
DURAS17	Senco Products, Inc.	Pending Filed on 2/22/2006	11/359,943	PORTABLE SCREW DRIVING TOOL WITH COLLAPSIBLE FRONT END	8

*These are all U.S. patents or applications.*
