ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (the "Assignment") made as of March 12, 2007, by Vin-Dotco, Inc., a Florida corporation ("Assignor") whose principal place of business is located at 2875 MCI Drive, Pinellas Park, Florida 33782, to A.B.C. Compounding Company, Inc., a Georgia corporation ("Assignee") whose principal place of business is located at 6970 Jonesboro Road, Morrow, Georgia 30260.

RECITAL

Assignee and Assignor are parties to an Asset Purchase Agreement, dated as of March 12, 2007 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee, and Assignee has agreed to buy from Assignor, the Assets (as defined in the Agreement), including without limitation the trademarks and trade names of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign trademarks, trademark applications and trade names, including without limitation the trademarks and trademark applications and trade names listed in Schedule A annexed hereto and incorporated herein by this reference (all of the foregoing being referred to herein as the "Marks").

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and in the Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of the Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment not been made.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Georgia without regard to the principles of conflicts of laws thereunder.

(Signatures appear on the next page)

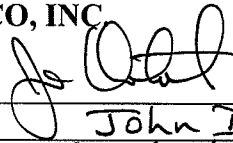

IN WITNESS WHEREOF, this Assignment has been duly executed and delivered by the duly authorized officer of each party as of the date first above written.
