INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement"), dated as of March 23, 2007, is made by the Grantors listed on the signature pages hereof (collectively, the "Grantors") in favor of Citicorp North America, Inc., as administrative agent and collateral agent for the Secured Parties (the "Administrative Agent"). Terms defined in the Security Agreement (as defined below) and not otherwise defined herein are used herein as defined in the Security Agreement.

WHEREAS, US Airways Group, Inc., a Delaware corporation (the "Borrower"), the Subsidiaries of the Borrower parties thereto, the lenders party thereto (the "Lenders") and the Administrative Agent are parties to that certain Loan Agreement dated as of March 23, 2007 (as amended, supplemented or otherwise modified through the date hereof, the "Loan Agreement");

WHEREAS, to induce the Lenders to enter into the Loan Agreement, the Grantors have agreed to enter into the Security Agreement dated as of March 23, 2007, between Grantors and the Administrative Agent (the "Security Agreement") and this IP Security Agreement.

NOW, THEREFORE, in consideration of these premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

Section 1. Grant of Security. Each Grantor hereby grants to the Administrative Agent, for itself and for the ratable benefit of the Secured Parties, as security for the prompt payment in full when due of all payment Secured Obligations and the performance and observance by each Grantor and each other Obligor of all other Secured Obligations, and in consideration of the premises and of the covenants herein contained, and for other good and valuable consideration the receipt and adequacy whereof are hereby acknowledged, each Grantor does hereby grant, bargain, sell, assign, transfer, convey, mortgage, and pledge unto the Administrative Agent, its successors and assigns, for the ratable security and benefit of the Secured Parties, a Lien on and security interest in all estate, right, title and interest of such Grantor in, to and under the following, whether now owned or and (to the extent related to any Collateral other than the Intellectual Property Collateral) hereafter acquired, and wherever located (the "Collateral"):

- (a) the patents and patent applications set forth in Schedule A hereto;
- (b) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in any

application for trademarks and service marks filed in the U.S. Patent and Trademark Office on the basis of a Grantor's intent to use such mark pursuant to 15 U.S.C. §1051 Section (b)(1) and for which a form evidencing use of the mark in interstate commerce has not been filed with the U.S. Patent and Trademark Office pursuant to 15 U.S.C §1060(a)), together, in each case, with the goodwill symbolized thereby;

(c) the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto;

(d) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world, and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(e) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(f) any and all Proceeds of any and all of the foregoing.

Section 2. Security for Secured Obligations. The grant of a security interest in the Collateral by each Grantor under this IP Security Agreement secures the payment and performance of all Secured Obligations of such Grantor under the Loan Documents.

Section 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

Section 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Loan Agreement and the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Loan Agreement and the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. Unless otherwise expressly provided in this IP Security Agreement, if any provision contained in this IP Security Agreement conflicts with any provision of any other Loan Document, the provision contained in this IP Security Agreement shall govern and control, except to the extent of a conflict with the Loan Agreement or the Security Agreement, in which case the Loan Agreement or the

Security Agreement (as applicable) shall control; provided, that the inclusion of supplemental rights or remedies in favor of the Administrative Agent or the Lenders in any other Loan Document shall not be deemed a conflict with this IP Security Agreement.

Section 6. Governing Law. This IP Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed in accordance with, the law of the State of New York.
