Notwithstanding anything herein to the contrary, the lien and security interest granted to the Second Lien Agent pursuant to this Agreement and the exercise of any right or remedy by the Second Lien Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of October 6, 2006, as the same may be amended, supplemented, modified or replaced from time to time (the "**Intercreditor Agreement**") among North Fork Business Capital Corporation, as First Lien Agent, LBC Credit Partners, L.P., as Second Lien Agent, and the Grantors (as defined therein) from time to time a party thereto. In the event of any conflict between the terms of the Intercreditor Agreement and this IP Security Agreement, the terms of the Intercreditor Agreement shall govern.

INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (as amended, supplemented or otherwise modified from time to time, this "**IP Security Agreement**") is made and effective as of April 23, 2007, by GARSITE/PROGRESS LLC, a Texas limited liability company, ("**Grantor**"), in favor of LBC CREDIT PARTNERS, L.P., as a Lender and as agent for the Lenders (in such capacity, the "**Second Lien Agent**"). Capitalized terms used in this IP Security Agreement and not otherwise defined shall have the respective meanings ascribed to such terms in the Loan Agreement (defined below).

RECITALS

WHEREAS, pursuant to that certain Second Lien Loan and Security Agreement, dated as of October 6, 2006, by and among the Grantor, the other Loan Parties, Second Lien Agent and the Lenders party thereto from time to time (as amended, supplemented or otherwise modified from time to time, the "**Loan Agreement**"), the Lenders have agreed, subject to the terms and conditions set forth therein, to lend to the Grantor certain amounts pursuant to a term loan facility (the "**Loan**"); and

WHEREAS, it is a condition precedent to the obligation of Second Lien Agent and the Lenders to execute and perform under the Loan Agreement that Grantor shall have executed and delivered this IP Security Agreement to Second Lien Agent, for the ratable benefit of the Lenders;

NOW, THEREFORE, in consideration of the willingness of Second Lien Agent and the Lenders to enter into the Loan Agreement and to agree, subject to the terms and conditions set forth therein, to make the Loans to the Borrowers pursuant thereto, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

1. Grant of Security Interest. To secure the Grantor's prompt and complete payment of the Loans and the performance and observance of all of the Grantor's Obligations under the Loan Agreement, Grantor hereby grants to Second Lien Agent, for the ratable benefit of the Lenders, a continuing security interest in all of the right, title and interest of Grantor in and to any and all of the following collateral, whether now owned or hereafter acquired, but excluding any Intellectual Property (as defined in the Loan Agreement) for which the granting of a security interest therein would terminate, invalidate, void, cancel, degrade or abandon such Intellectual Property (the "IP Collateral"):

(a) The U.S and foreign copyrights, associated copyright registrations and applications for copyright registration, set forth on Schedule A attached hereto (collectively, the "Copyrights");

(b) The U.S. and foreign patents and patent applications set forth on Schedule B attached hereto, including, without limitation, divisions, continuations, reissues, extensions and continuations-in-part of the same (collectively, the "Patents");

(c) The U.S., state and foreign trademark and service mark registrations, trademark and service mark applications set forth on Schedule C attached hereto and all goodwill associated with the foregoing (collectively, the "Trademarks");

(d) The domain names and registrations set forth on Schedule D attached hereto and all goodwill associated with the foregoing (collectively, the "Domain Names");

(e) Any and all claims and causes of action for past, present or future infringement of any of the foregoing, with the right, but not the obligation, to sue for and collect damages for infringement of the foregoing;

(f) Any and all licenses or rights granted under any of the foregoing, and all license fees and royalties arising from such licenses or rights, in each case to the extent permitted by such licenses or rights;

(g) Any and all amendments, renewals, extensions, reissuances and replacements of any of the foregoing; and

(h) Any and all products and proceeds of any of the foregoing.

2. Requested Recordation. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks (and any state, foreign or other authority to which this IP Security Agreement is submitted) file and record this IP Security Agreement (and any corresponding or separate forms of such jurisdiction) in order to publicly reflect the interests of Second Lien Agent and the Lenders in the IP Collateral.

3. Assignment. Upon the occurrence and during the continuance of an Event of Default, each Grantor shall execute and deliver to the Second Lien Agent an

absolute assignment transferring its entire right, title, and interest in and to the IP Collateral to the Second Lien Agent, for the ratable benefit of the Lenders.

4. Power of Attorney. Grantor hereby irrevocably grants to the Second Lien Agent, for the ratable benefit of the Lenders, a power of attorney, to act as Grantor's attorney-in-fact, with full authority in the name, place and stead of Grantor, from time to time in the Second Lien Agent's discretion, to take any action and to execute any instrument that the Second Lien Agent may reasonably deem necessary or advisable to accomplish the purposes of this IP Security Agreement. This authority includes, without limitation, the following:

(a) To modify or amend (in the sole discretion of Second Lien Agent and the Lenders without first obtaining Grantor's approval thereof or signature thereto), but after providing notice to Administrative Borrower, Schedule A, Schedule B, Schedule C, and/or Schedule D hereof, as appropriate, to include references to any registered Intellectual Property (or application or license therefor) acquired by Grantor after the execution hereof or to delete any reference to any IP Collateral in which Grantor no longer has or claims any right, title or interest;

(b) To execute, file and pursue (in the sole discretion of Second Lien Agent and the Lenders without first obtaining Grantor's approval thereof or signature thereto, unless otherwise prohibited by applicable law) any application, form or other document in order to perfect, maintain, continue or otherwise protect the Second Lien Agent's interest or Grantor's rights in the IP Collateral, including, without limitation, executing and filing (i) any financing statement, any continuation statement or any amendment thereto, and (ii) any document in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or the relevant office of any state or foreign jurisdiction (including, without limitation, the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings) and to pay any fees and taxes in connection therewith or otherwise; provided, however, unless an Event of Default has occurred and is continuing, Second Lien Agent will not take any actions which result in an assignment or transfer of title of such IP Collateral to Second Lien Agent. Notwithstanding the foregoing, unless an Event of Default has occurred and is continuing, neither Second Lien Agent nor Lender shall undertake prosecution of any pending patent application listed in Schedule B before the United States Patent and Trademark Office; responsibility for such prosecution of any pending patent application listed on Schedule B shall remain with the Grantor's attorney of record before the United States Patent and Trademark Office.

(c) To execute any document required to acknowledge, register or perfect the interest of Second Lien Agent and the Lenders in any part of the IP Collateral without the signature of Grantor unless prohibited by applicable law; and

(d) Upon the occurrence and during the continuation of an Event of Default, to (i) endorse the Grantor's name on all applications, documents, papers and

instruments necessary or desirable for Second Lien Agent in the use of the IP Collateral, and (ii) take any other actions with respect to the IP Collateral as Second Lien Agent deems to be in the best interest of Second Lien Agent.

The foregoing power of attorney is coupled with an interest and is irrevocable until the Obligations secured hereby have been unconditionally and indefeasibly paid or performed in full and the Loan Agreement has been terminated (except for any obligations designated under the Loan Agreement as continuing on an unsecured basis).

5. Release. Unless otherwise agreed in writing by the parties, the security interests granted herein will terminate (and all rights to the IP Collateral will revert to the Grantor) upon satisfaction of the following conditions: (a) payment and performance in full of all the Obligations secured hereby unconditionally and indefeasibly and (b) the termination of the Loan Agreement (except for any obligations designated thereunder as continuing on an unsecured basis). Upon any such termination, the Second Lien Agent (at the Grantor's request and sole expense) will promptly execute and deliver to the Grantor (with such customary representations and warranties from a secured lender releasing its lien as Grantor may reasonably request) such documents as the Grantor may reasonably request and as are provided to the Second Lien Agent to evidence such termination.

6. Newly Registered Copyrights, Patents and Trademarks. Grantor hereby agrees to provide the Second Lien Agent, for the ratable benefit of the Lenders, every three (3) months, a schedule of newly registered Copyrights, Patents and Trademarks (if any).

7. Miscellaneous.

(a) This IP Security Agreement has been entered into in conjunction with the provisions of and the security interest granted to Second Lien Agent, for the ratable benefit of the Lenders, under the Loan Agreement. The rights and remedies of the Grantor and Second Lien Agent with respect to the security interests granted herein are in addition and without prejudice to those set forth in the Loan Agreement, all terms and provisions of which are hereby incorporated herein by reference. In the event that any provisions of this IP Security Agreement are deemed to conflict with the Loan Agreement or the other Loan Documents, the provisions of the Loan Agreement or the other Loan Documents shall govern.

(b) This IP Security Agreement may be executed in any number of counterparts with the same effect as if all the signatures on such counterparts appeared on one document. Each such counterpart will be deemed to be an original, but all counterparts together will constitute one and the same instrument.
