Re: BREAKDANCE, Reg. #3,175,491
Applicant: J. & P. Coats, Limited
155 St. Vincent St.
Glasgow, Scotland

Applicant, J. & P. Coats, Limited. does hereby affirm that the above-referenced registration has been erroneously assigned to a third party and does hereby respectfully request that the records of the United States Patent and Trademark Office be corrected to reflect J. & P. Coats, Limited. as the owner of Registration #3,175,491.

Applicant hereby affirms the following:

1. J. & P. Coats, Limited filed an application for the mark BREAKDANCE on June 30, 2005. The Serial Number assigned to the mark was SN#78/661,360. A copy of the Filing Receipt is attached as Exhibit A.
2. On 1/24/06, an assignment from CM Systems International Distributors, LLC to Marcos Perez was recorded at Reel #003290, Frame 0619, incorrectly referencing Serial #78/661,360 instead of #78/361,360 on the Trademark Cover Page. The records of the UPSTO were changed to reflect Marcos Perez as the owner of Serial #78/661,360. A copy of the assignment is attached as Exhibit B.
3. On 2/1/07, in an effort to correct the records, Marcos Perez recorded a corrective assignment at Reel #003472, Frame 0779 in which he incorrectly changed the Assignee Name to Alston & Bird, LLP. He also incorrectly referenced the Reel and Frame number of the original assignment as Reel #003290, Frame 0B19, instead of Frame 0619. He did, however state that the correct Serial Number of the original assignment should have been 78/361,360. A copy of the Corrective Assignment is attached as Exhibit C.
4. Applicant has contacted Marcos Perez in an effort to have him file another corrective assignment to clear the title to this Registration, but he is unwilling to do so.

5. J. & P. Coats, Limited has been and continues to be the owner of Registration #3,175,491. Applicant respectfully requests that the records of the United States Patent and Trademark Office be amended to delete any reference to Marcos Perez and to correctly reflect the Owner of said Registration #3,175,491 (SN#78/661,360) to be J. & P. Coats, Limited. Applicant also request that a new Certificate of Registration be issued reflecting the correct owner.

6. The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of this registration, declares that all statements made of his own knowledge are true and all statements made on information and belief are believed to be true.

Subject: Trademark Application Serial No. 78661360 Received

<MARK> BREAKDANCE (standard characters)

The mark is presented in standard characters without claim to any particular font style, size or color.

We have received your application and assigned serial number '78661360' to your submission. The summary of the application data below serves as your official filing receipt. For electronically-submitted applications, the USPTO will no longer mail a paper filing receipt. If the USPTO later determines that no filing date was justified, your submission will be returned, and your filing fee will be refunded. You could then, if possible, cure the deficiency, and re-file the application.

If you determine that you made an error in the information you entered, you may file a preliminary amendment electronically, stating your proposed correction, at <http://eteas.uspto.gov/V2.0/pa250/WIZARD.htm>.

NOTE: You cannot file a Preliminary Amendment until at least 30 days after initial filing of the application. Prior to that time, the serial number will not appear in the USPTO database (even though the number was assigned at the time of filing), preventing the uploading of new data.

The examining attorney will determine whether the change proposed in the amendment is permissible, within the normal course of his or her review of the application. Please note that not all errors may be corrected; for example, if you submitted the wrong mark or the incorrect goods and/or services, if the proposed correction would be considered a material alteration to your original filing, this will NOT be accepted. Unfortunately, your only recourse in that event is to re-file - your fee would NOT be refunded. Once you submit an application, either electronically or through the mail, we will not cancel the filing or refund your fee, unless the application fails to satisfy minimum filing requirements. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

In approximately 7 months, you will hear from the assigned examining attorney.

NOTE: If you have a question, comment or technical concern about your specific application or TEAS in general, please send that question to teaskey.uspto.gov. NOTE: To check status information, please use either <http://tarr.uspto.gov>, or call 703-305-8747 (M-F, 6:30 a.m. to 12 midnight, EST). However, do NOT attempt to check status until at least 45 days after submission, to allow sufficient time for our databases to be updated.

The applicant, J. & P. Coats, Limited, a corporation of Great Britain, residing at 155 St. Vincent Street, Glasgow, , Scotland, , requests registration of the trademark/service mark identified above in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C.
