AGREEMENT (the "Agreement"), as of May 1, 2007, among the

"Administrative Agent").

Reference is made to the Guarantee and Collateral Agreement dated as of July 28, 2006 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Infor Lux Bond Company, a société à responsabilité limitée having its registered office at 8-10 rue Mathias Hardt, L-1717 Luxembourg, registered with the Luxembourg register of trade and companies under section B number 113.718 and having a share capital of \$234,500 (the "Lux Issuer"), Infor ISA Holdings, a société à responsabilité limitée having its registered office at 8-10 rue Mathias Hardt, L-1717 Luxembourg, registered with the Luxembourg register of trade and companies under section B number 118.071 and having a share capital of \$211,000 ("New Foreign Partnership"), Infor Lux Finance Company, a société à responsabilité limitée having its registered office at 8-10 rue Mathias Hardt, L-1717 Luxembourg, registered with the Luxembourg register of trade and companies under section B number 118.070 and having a share capital of \$234,500 ("Holdings"), Infor Global Solutions European Finance S.à R.L., a société à responsabilité limitée having its registered office at 8-10 rue Mathias Hardt, L-1717 Luxembourg, registered with the Luxembourg register of trade and companies under section B number 107.138 and having a share capital of \$20,000 (the "Lux Borrower"), Infor Enterprise Solutions Holdings, Inc. (f/k/a Magellan Holdings, Inc.), a Georgia corporation (the "U.S. Borrower" and, together with the Lux Borrower, the "Borrowers"), the Subsidiaries of Infor Global Solutions Intermediate Holdings Limited, a company organized under the laws of the Cayman Islands ("Topco"), identified therein and the Administrative Agent. The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Amended and Restated Credit Agreement dated as of March 2, 2007 (as amended, supplemented or otherwise modified from time to time (the "Credit Agreement")) among Topco, Holdings, the Borrowers, the Lenders party thereto, JPMorgan Chase Bank, N.A. as Administrative Agent, and the other agents party thereto. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Parties are affiliates of the Borrowers, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, each Grantor's right, title or interest in or to any and all of the following assets and properties that are included in the Article 9 Collateral as defined in the Security Agreement now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, but excluding intent-to-use applications, prior to the filing of any statement of use with respect thereto or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "Trademarks");

all goodwill associated with or symbolized by the Trademarks; and

all assets, rights and interests that uniquely reflect or embody the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
