## TRADEMARK SECURITY AGREEMENT

**TRADEMARK SECURITY AGREEMENT**, dated as of May 23, 2007 (as amended, restated or otherwise modified, the "**Trademark Security Agreement**"), between **EACH OF THE UNDERSIGNED** (other than the Collateral Agent (as herein defined)), whether as an original signatory hereto or as an Additional Grantor (as defined in the Security Agreement) (collectively, "**Grantors**"), and **THE BANK OF NOVA SCOTIA**, in its capacity as collateral agent for the Secured Parties (together with successors and assigns in such capacity, the "**Collateral Agent**").

### WITNESSETH:

WHEREAS, Grantors are party to a Security Agreement dated as of May 23, 2007 (the "**Security Agreement**") between each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to Collateral Agent, on behalf of all Secured Parties, a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under the following, in each case whether new, owned or existing or hereafter acquired or arising (collectively, the "**Trademark Collateral**"): all United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing (excluding any United States intent-to-use trademark application prior to the filing and acceptance of a statement of use or an amendment to allege use in connection therewith), including, but not limited to: (i) the registrations and applications referred to on Schedule I hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income payments, claims, damages and proceeds of suit (collectively, "**Trademarks**").

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Applicable Law. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
