**INTELLECTUAL PROPERTY ASSIGNMENT AND
ASSUMPTION AGREEMENT**

WHEREAS, Concord Electronics Corporation, a corporation organized and existing under the laws of the State of New York ("Assignor"), is using or has used and is the record owner of certain trademarks, service marks, trade names, trademark registrations and trademark applications listed in Schedule A (collectively referred to as the "Marks"), and certain other Intellectual Property as defined in an agreement of even date between Assignor and Assignee; and,

WHEREAS, Concord Electronics, Inc., a company organized and existing under the laws of the State of Arizona ("Assignee"), desires to acquire the Marks under the terms of that certain Asset Purchase Agreement, dated as of February 5, 2007, between, among others, Assignor and Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely, irrevocably and forever, the entire right, title and interest, whether statutory or at common law, in and to the Marks and the Intellectual Property, together with the goodwill of the business symbolized by them through the world and such other trademarks, service marks, trade names and trade dress as may be owned by Assignor and used in connection with the Marks and Intellectual Property, and all registrations and pending applications therefor, in all countries throughout the world, together with all causes of action for any and all previously occurring

infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

Assignor represents and warrants that all maintenance and renewal fees, if any, for the Marks have been paid to the Patent and Trademark Office and that the Marks have not lapsed due to Assignor's failure to pay any maintenance or renewal fee.

From and after the date hereof, Assignee hereby assumes and undertakes to pay, perform or discharge when due the liabilities and obligations of the Assignor with respect to the Marks, including, but not limited to, any expenses associated with the extension or enforcement of any Mark.

Assignor agrees to execute further papers and to do such other acts as may be necessary and proper to vest full title in and to the Marks in the Assignee or which may be necessary to obtain, renew, issue or enforce the Marks.

This Intellectual Property Assignment Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same instrument.
