This Amended Agreement amends and restates the Trademark Security Interest Agreement, dated October 20, 2006, between CoreComm-ATX, Inc. and the Administrative Agent (the "Original Agreement"). The Original Agreement was executed and entered into pursuant to the terms of a Collateral Agreement, dated as of August 23, 2006, by and among the Borrowers, certain of the Borrowers' Subsidiaries party thereto and the Administrative Agent (as amended, restated, supplemented or otherwise modified, the "Collateral Agreement"). The parties desire to amend and restate the Original Agreement to include additional parties as Grantors that are the owners of the trademarks set forth in Schedule A, and to amend Schedule A to the Original Agreement. Capitalized terms used herein but not defined herein shall have the meaning assigned to them in the Collateral Agreement.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Grantors hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, *nunc pro tunc* as of October 20, 2006, a continuing security interest in all of the following property, whether tangible or intangible, whether now or hereafter existing, owned or acquired by the Grantors and wherever located: all of the Grantors' right, title and interest in and to:

- (i) (a) all trademarks, rights and interests in trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, whether registered or unregistered, all registrations and recordings thereof, and all applications in connection therewith (other than each application to register any trademark or service mark prior to the filing under

Applicable Law of a verified statement of use for such trademark or service mark) anywhere in the world, including, without limitation, those described on Schedule A, (b) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing, (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present or future infringements of any of the foregoing, (d) the right to sue for past, present and future infringements of any of the foregoing and (e) all rights corresponding to any of the foregoing (including the goodwill) throughout the world;

(ii) any agreement now or hereafter in existence, whether written or oral, providing for the grant by or to any Grantors of any right to use any Trademark, including, without limitation, those described on Schedule B; and

(iii) all products and proceeds of the foregoing and, to the extent not otherwise included, (A) all payments under insurance (whether or not the Administrative Agent is the loss payee thereof) and (B) all tort claims, and all collateral security and Supporting Obligations (as now or hereafter defined in the UCC) given by any Person with respect to any of the foregoing).

The rights and remedies of the Administrative Agent with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Amended Agreement are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.
