TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (the "Assignment") is made effective this 31st day of May, 2007 (the "Effective Date"), by and between SKYLINE DUPLICATING & DOCUMENT MANAGEMENT CORP., a corporation organized under the laws of the State of New York ("Assignor") and DOCUMENT TECHNOLOGIES OF NEW YORK, LLC, a Georgia limited liability company ("Assignee").

STATEMENT OF FACTS

WHEREAS, Assignor and Assignee have entered into a Purchase and Sale Agreement (the "Purchase Agreement"), dated May 31, 2007, by and among Assignor, Assignee, Document Technologies, LLC, Michael Dennis McGowan, James Peter Georgetti, Matthew Joseph Hanley, CDB Capital LLC, CDB Advisory Group, LLC, and Christopher Michael Urso, pursuant to which, among other things, Assignor shall sell, transfer, assign, and deliver to Assignee the Acquired Assets (defined in the Purchase Agreement) (which Acquired Assets include the Marks (as defined below)), and Assignee shall purchase and accept such Acquired Assets, and in connection therewith, the Assignor will receive the consideration set forth in the Purchase Agreement;

WHEREAS, pursuant to the terms of the Purchase Agreement, and in consideration therewith and herewith, Assignor wishes to transfer and assign to Assignee all of its right, title and interest in and to the service marks and trademarks set forth on Exhibit A attached hereto (the "Marks"), along with all goodwill pertaining thereto, and the parties wish to evidence this absolute transfer of rights by this instrument of assignment; and

WHEREAS, capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

ASSIGNMENT

1. Assignor hereby irrevocably sells, assigns and transfers to Assignee, and Assignee hereby accepts, Assignor's entire right, title and interest in and to the Marks in the United States, together with all the goodwill of the business associated therewith and symbolized thereby, and any trademark registrations and trademark applications Assignor has filed in the United States Patent and Trademark Office with respect to the Marks, along with any priorities, rights or registrations resulting therefrom; and any and all rights and causes of action to recover past, present, or future damages, royalties, fees, profits, or other relief, including equitable or injunctive relief, arising from infringement of the Marks by a third party and to which Assignor is or would have been entitled had the Assignment not been made.

2. Assignor hereby irrevocably sells, assigns and transfers to Assignee, and Assignee hereby accepts, Assignor's entire right, title and interest in and to the Marks in all jurisdictions worldwide (except in the United States), together with all the goodwill of the business associated therewith and symbolized thereby, and any trademark registrations and trademark applications Assignor has filed in any jurisdiction worldwide (other than the United States) with respect to the Marks, along with any priorities, rights or registrations resulting therefrom; and any and all rights and causes of action to recover past, present, or future damages, royalties, fees, profits, or other

relief, including equitable or injunctive relief, arising from infringement of the Marks by a third party and to which Assignor is or would have been entitled had the Assignment not been made.

3. The Marks are to be held and enjoyed by Assignee and Assignee in the manner contemplated herein for the exclusive use and benefit of Assignee, Assignee, and their respective representatives, successors, and assigns, as fully and entirely as the same would be held and enjoyed by Assignor had this Assignment not been made.

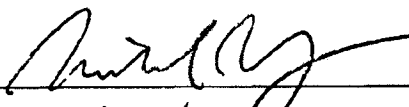

4. Assignor agrees, for itself and its successors, with said Assignee and its successors and assigns, but solely at Assignee's expense, hereafter to execute all reasonable applications, amended specifications, deeds or other instruments, and to do all reasonable acts necessary or proper to secure the grant of registered trademarks and service marks in the United States and in all other countries to Assignee, in such form as shall be reasonably approved by the counsel of Assignee and to vest and confirm in Assignee its successors and assigns, the legal title to all such trademarks and service marks.
