TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*") is made this 1st day of May, 2007 by and between Drilltec Patents & Technologies Company, Inc., a Delaware corporation, and Drilltec Technologies, L.P., a Delaware limited partnership (collectively, the "*Assignors*"), and DT-HP Patents and Technologies Corporation, a Delaware corporation ("*Assignee*").

WHEREAS, Assignors own the entire right, title and interest in and to certain trademarks, along with United States registrations for such trademarks more particularly identified on Schedule A attached hereto and incorporated by reference herein (the "*Trademarks*") and the goodwill of the business associated therewith;

WHEREAS, Assignors are assigning to Assignee all of Assignors' entire right, title and interest in and to the Trademarks pursuant to that certain Asset Purchase Agreement entered into by and among the Assignors, Assignee, DT-HP Acquisition Holding Corporation, a Delaware corporation, and DT-HP Texas Operating Corporation, a Delaware corporation, dated as of May 1, 2007 (the "*Purchase Agreement*");

WHEREAS, Assignors and Assignee are executing and delivering this Assignment in connection with and as a condition to the consummation of the transactions contemplated by the Purchase Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, and intending to be legally bound, Assignors and Assignee hereby agree as follows:

1. Certain Defined Terms. Unless otherwise defined in this Assignment, capitalized terms used in this Assignment shall have the respective meanings ascribed to such terms in the Purchase Agreement.

2. Assignment. Assignors do hereby assign, transfer and deliver to Assignee, and Assignee hereby receives and accepts from Assignors, all of the entire right, title and interest of Assignors in and to the Trademarks and all rights associated therewith including, without limitation, the right to sue for past, present and future infringement thereof, together with the business to which the Trademarks pertain and the goodwill associated with the business in connection with which the Trademarks have been used.

3. Nonimpairment of Purchase Agreement. Neither the making nor the acceptance of this Assignment shall restrict, impair, reduce, expand or otherwise modify the terms of the Purchase Agreement or constitute a waiver or release by Assignors or Assignee of any liabilities, duties or obligations imposed upon any of them by the terms of the Purchase Agreement including, without limitation, the representations and warranties and other provisions thereof. The covenants, representations and warranties of Assignors and Assignee set forth in the Purchase Agreement will survive the execution and delivery of this Assignment and are subject to the limitations and restrictions set forth in the Purchase Agreement.

4. Registration. Assignors hereby authorize and request, at the sole cost and expense of Assignee, the Commissioner of the United States Patent and Trademark Office and the empowered officials of all other governments, and the diverse registrars, commissioners and other official authorities charged with the registration and issuance of trademarks in the various affected jurisdictions to record Assignee as the owner of the Trademarks and to issue to Assignee, in lieu of Assignors, in accordance with this instrument, all future certificates, notices and any other communications and documents bearing on the Trademarks.

5. Binding Effect and Governing Law. This Assignment is binding on Assignors, and their successors and assigns, and will inure to the benefit of Assignee, its successors and assigns, and shall be construed and enforced in accordance with the laws of the State of Texas without regard to the conflict or choice of law rules of Texas or any other jurisdiction.

6. Counterparts; Amendment. This Assignment may be executed in two or more counterparts, each of which shall constitute an original, but all of which taken together shall constitute one and the same instrument. This Assignment cannot be amended without a writing signed by each of Assignors and Assignee.

7. Severability. If any term or other provision of this Assignment is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in a manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

8. Further Assurance. Assignors and Assignee agree to cooperate with each other and to perform such further acts, to execute and deliver any and all further documents that may be reasonably be necessary or desirable to effectuate the purposes of this Agreement and refrain or forbear from any act that would be inconsistent with the purposes of this Agreement. If further assignment or transfer is deemed necessary by Assignee to establish, perfect or defend its rights acquired hereunder, any such cooperation by Assignors to be at the sole cost and expense of Assignee, Assignors hereby appoint Assignee as their attorney in fact, with full power of substitution, on behalf of Assignors and for the benefit of Assignee, to execute all documents, to demand and receive any and all of the Trademarks, to give receipts and releases for and in respect of the Trademarks, to institute and prosecute in the name of Assignors any proceedings at law, in equity, or otherwise, and to take any other action Assignee deems necessary or desirable to establish, perfect or defend its rights acquired hereunder.

*[Signature Page Follows]*

IN WITNESS WHEREOF, Assignors and Assignee have caused their respective duly authorized representative to execute this Assignment as of the 1 day of May, 2007.
