BILL OF SALE, ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS BILL OF SALE, ASSIGNMENT AND ASSUMPTION AGREEMENT (this "Bill of Sale") is entered into on this 11th day of August, 2006, by and among Raycom Media, Inc. (the "Parent"), each of the entities listed on Schedule I hereto (collectively with the Parent, the "Sellers") and Barrington Marquette LLC (the "Buyer").

RECITALS

WHEREAS, Barrington Broadcasting Corporation ("BBC") and the Sellers have entered into an Asset Purchase Agreement, dated as of March 24, 2006 (the "Purchase Agreement"), pursuant to which, among other things, the Sellers have agreed to sell to the Buyer, and the Buyer has agreed to purchase from the Sellers, the Station Assets (as defined in the Purchase Agreement) (capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Purchase Agreement);

WHEREAS, pursuant to the Purchase Agreement, BBC has agreed to assume certain obligations and liabilities in connection with the purchase of the Station Assets;

WHEREAS, Section 11.3 of the Purchase Agreement permits BBC to assign its rights and obligations (as an entirety or with respect to one or more of the Stations) to one or more Affiliates without the prior written consent of, but upon notice given to, Sellers;

WHEREAS, this Bill of Sale shall serve as notice to Sellers of BBC's assignment to the Buyer of its right to purchase all of the Station Assets, other than the FCC Licenses, relating to the following Station: WLUC (the "WLUC Purchased Assets");

WHEREAS, the Sellers desire to grant, sell, transfer, convey, assign and deliver to the Buyer all of the Sellers' right, title, privilege and interest in and to the WLUC Purchased Assets, and the Buyer desires to accept the grant, sale, transfer, conveyance, assignment and delivery of the WLUC Purchased Assets and to assume all of the Assumed Obligations relating to the WLUC Purchased Assets (the "WLUC Assumed Obligations").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, and good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment of the Station Assets.

1.1. Pursuant to the terms of the Purchase Agreement, each Seller, to the extent applicable, does hereby irrevocably grant, sell, transfer, convey, assign and deliver to the Buyer, free and clear of all Liens other than Permitted Liens, all of such Seller's right, title, privilege and interest, if any, in and to the WLUC Purchased Assets, to have and to hold the same unto the Buyer and its successors and assigns, forever.

1.2. The Buyer hereby accepts the grant, sale, transfer, conveyance, assignment and delivery of the WLUC Purchased Assets.

2. Assumption of the Assumed Obligations.

2.1. Pursuant to the terms of the Purchase Agreement, the Buyer hereby undertakes and agrees from and after the date hereof to assume and to pay, perform and discharge in accordance with their respective terms the WLUC Assumed Obligations.

2.2. Nothing contained herein shall require the Buyer to pay or discharge any obligations expressly assumed hereby so long as the Buyer shall in good faith contest or cause to be contested the amount or validity thereof.

2.3. Other than as specifically stated above or in the Purchase Agreement, the Buyer assumes no debt, liability or obligation of the Sellers, including, without limitation, the Retained Obligations, by this Bill of Sale, and it is expressly understood and agreed that all debts, liabilities and obligations not expressly assumed by the Buyer, BCC or their respective affiliates on the date hereof shall remain the sole obligation of the Sellers and their respective successors and assigns.

3. Acknowledgement. For the avoidance of doubt, the Parent, Sellers and Buyer acknowledge and agree that the Marks, Copyrights, Intangible Property and other intellectual property included in the WLUC Purchased Assets granted, sold, transferred, conveyed, assigned and delivered by the Sellers to the Buyer pursuant to this Bill of Sale shall include, but not be limited to, the following and the goodwill symbolized thereby:

4. Miscellaneous.

4.1. Other than the parties hereto, nothing in this Bill of Sale, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature under or by reason of this Bill of Sale.

4.2. This Bill of Sale may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party. This Bill of Sale may be executed by facsimile signature and a facsimile signature shall constitute an original for all purposes.

4.3. The construction and performance of this Bill of Sale shall be governed by the laws of the State of Delaware without giving effect to the choice of law provisions thereof. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Bill of Sale or the transactions contemplated hereby shall be brought in any state or federal court located in the State of Delaware, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.4 of the Purchase Agreement shall be deemed effective service of process on such party.

4.4. Whenever possible, each provision or portion of any provision of this Bill of Sale shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision or portion of any provision of this Bill of Sale is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Bill of Sale shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

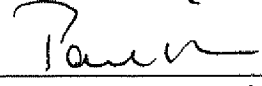

4.5. Notwithstanding any other provisions of this Bill of Sale to the contrary, nothing contained in this Bill of Sale shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions, including the covenants, agreements, conditions, representations or warranties or, in general any of the rights and remedies, or any of the obligations and indemnifications, of the parties set forth in the Purchase Agreement. This Bill of Sale is intended only to affect the assignment and assumption of certain assets and liabilities in accordance with the Purchase Agreement and shall be governed entirely in accordance with the terms and conditions of the Purchase Agreement. In the event of a conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.
