In accordance with the Asset Purchase Agreement, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor’s worldwide right, title and interest in, to and under the Intellectual Property used or held for use exclusively in connection with the Business, including without limitation the Intellectual Property listed or described on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the “**Marks**”).

All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Asset Purchase Agreement.
