TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of September 15, 2006 ("Effective Date") by and between Razor & Tie Direct, L.L.C., a New York limited liability company ("Assignor") and Kidz Bop LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Contribution Agreement dated September 15, 2006 (the "Agreement");

WHEREAS, Assignor is the owner of the United States and foreign trademark registrations and applications identified and set forth on Schedule A attached hereto (collectively, the "Marks");

WHEREAS, Assignee is the successor to that portion of the business of the Assignor to which the Marks pertain; and

WHEREAS, pursuant to the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of the right, title and interest in and to the Marks,

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Assignor hereby sells, conveys, transfers, assigns and delivers to Assignee the entire right, title and interest in and to the Marks, together with the goodwill of the business associated therewith, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Closing Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement, unfair competition, dilution, or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks.

Assignor shall provide Assignee, its successors and assigns, or their legal representatives such information as Assignee may reasonably request (including execution and delivery of any affidavits, declarations, oaths or other documents as may reasonably be required), at Assignee's own cost and expense: (1) in the preparation of any application for registration or any application for renewal of a registration covering the Marks; (2) in the prosecution or defense of any infringement or other proceedings that may arise in connection with any of the

Marks including, but not limited to, testifying as to any facts relating to the Marks assigned herein and this Assignment; (3) in obtaining any additional protection for the Marks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or for all foreign countries; and (4) in the implementation of this Assignment.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York without regard to the conflict of law provisions thereof.

This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

* * * * *

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be signed and executed by the undersigned officers thereunto duly authorized as of the date first set forth above.
