Lender has agreed to make certain advances of money and to extend certain financial accommodations (the "Loans") to Plethora Solutions Holdings plc and Plethora Solutions Limited ("Borrowers") in the amounts and manner set forth in that certain Loan Facility Agreement of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Loan Agreement") by and between Borrowers and Lender. Lender is willing to make the Loans to Borrowers, but only upon the condition, among others, that Grantor shall grant to Lender a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Borrowers under the Loan Agreement.

B. Pursuant to the terms of that certain Security Agreement of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Security Agreement"; terms defined therein being used herein as therein defined) by Grantor in favor of Lender, Grantor has granted to Lender a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

### AGREEMENT

To secure Borrowers' obligations under the Loan Agreement, Grantor grants and pledges to Lender a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Lender under the Security Agreement. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the other Transaction Documents, and those which are now or hereafter available to Lender as a matter of law or equity. Each right, power and remedy of Lender provided for herein or in the Security Agreement or any of the Transaction Documents, or now or hereafter existing at law or
