WHEREAS, Assignor is the owner of the trademarks and trademark applications listed in Attachment A, and all other rights appurtenant thereto, including, but not limited to, all common law rights, trade name rights and the right to recover for past infringement throughout the world ("Trademarks");

WHEREAS, Assignor has acquired goodwill associated with and symbolized by the Trademarks and has not abandoned the same;

WHEREAS, pursuant to the Asset Agreement, Assignee has acquired, and is to acquire, all rights, title and interest in and to the Trademarks throughout the world; and

WHEREAS, Assignor is willing to assign to Assignee all rights, title and interest as Assignor may possess in and to the Trademarks throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor makes the following assignment and agrees as follows:

1. ASSIGNMENT.

a. Assignor hereby assigns and sells to Assignee all of Assignor's rights, title and interest in and to the Trademarks throughout the world, together with the goodwill symbolized by the Trademarks; said rights, title and interest including, without limitation, any and all causes of action heretofore accrued in Assignor's favor for infringement of the aforesaid rights, to have and to hold the same unto Assignee, its successors and assigns, for and during the existence of the rights and all renewals thereof.

b. At any time, and from time to time hereafter, Assignor shall forthwith, upon Assignee's written request, take any and all steps to execute, acknowledge and deliver to Assignee any and all further instruments and assurances, necessary or expedient, in order to vest the aforesaid rights in Assignee and to facilitate Assignee's enjoyment and enforcement of said rights and causes of action.

c. Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including

This includes, but is not limited to, any rights with respect to the Trademarks that may have accrued in Assignor's favor from the respective date of first use of any of the Trademarks to the Effective Date of this Assignment. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

2. **MISCELLANEOUS.** If any provision of this Assignment shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Assignment shall otherwise remain in full force and effect and enforceable.
