EXHIBIT 1.01(a)

INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT (this "Agreement"), dated as of June 29, 2007, is made and entered into among AmQuip Corporation, a Pennsylvania corporation ("AmQuip"), Elliott AmQuip Corporation, a Tennessee corporation (together with AmQuip, "Assignors") and AmQuip Crane Rental, LLC, a Delaware limited liability company ("Assignee") (each a "Party," and collectively, the "Parties").

RECITALS

WHEREAS, Assignors and Assignee are parties to a Contribution and Asset Purchase Agreement, dated as of May 29, 2007 (the "Purchase Agreement"; all capitalized terms used but not otherwise defined herein shall have their respective meanings given to such terms in the Purchase Agreement), by and among Assignors, Joseph L. Wesley, Sr., Assignee and Bard Capital Group LLC, a Delaware limited liability company;

NOW THEREFORE, in consideration of the premises and mutual agreements set forth in the Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment and Transfer. Assignors hereby assign, convey and transfer to Assignee, its successors and assigns, all of Assignors' rights, title and interest in and to the Owned Intellectual Property Rights listed on Schedule A, together with the goodwill associated with the trademarks listed thereon and together with all rights to sue for and collect damages for, and to obtain injunctive or equitable relief for, any past, present or future infringement, misappropriation, dilution, violation or unlawful imitation, whether currently known or unknown, of the foregoing. Assignors also hereby assign, transfer, sell, convey, grant, deliver and set over to Assignee, and Assignee accepts the Licensed Intellectual Property listed on Schedule B attached hereto, together with all rights to sue and collect damages for, and to obtain injunctive or equitable relief for, any past, present or future infringement, misappropriation, dilution, violation or unlawful imitation, whether currently known or unknown, of the foregoing. Assignee hereby assumes and agrees to perform all of the obligations of Assignors under the Licensed Intellectual Property listed on Schedule B.

2. Due Authorization. Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States, Register of Copyrights of the United States and any official of any state or foreign country whose duty it is to issue intellectual property registrations, to record Assignee as the owner of the Owned Intellectual Property Rights listed on Schedule A and to issue all registrations from any applications for registration included in the Owned Intellectual Property Rights to Assignee.

3. Further Assurances; Recordation. Assignors covenant and agree that they will, upon the reasonable request of Assignee, execute and deliver, or cause to be executed or delivered, any and all documents and take any and all actions that may be necessary or desirable

to perfect the assignment, conveyance and transfer of the Owned Intellectual Property and the Licensed Intellectual Property hereunder.

4. Governing Law and Forum. This Assignment shall be controlled, construed and enforced in accordance with the laws of the State of Delaware applicable to contracts executed in and to be performed in that state, without giving effect to principles of conflicts of law. In any action between or among any of the parties, whether arising out of this Assignment, any of the agreements contemplated hereby or otherwise, (a) each of the parties irrevocably consents to the exclusive jurisdiction and venue of the federal and state courts located in the State of Delaware, (b) if any such action is commenced in a state court, then, subject to applicable law, no party shall object to the removal of such action to any federal court located in the State of Delaware, (c) each of the parties irrevocably consents to service of process by first class certified mail, return receipt requested, postage prepaid, and (d) the prevailing parties shall be entitled to recover their reasonable attorneys' fees, costs and disbursements from the other parties (in addition to any other relief to which the prevailing parties may be entitled).

5. Counterparts. This Assignment may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.
