## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is effective as of this 27th day of July, 2007 (the "Effective Date").

WHEREAS, Owens-Illinois Prescription Products Inc., a Delaware corporation ("Assignor"), is the legal and beneficial owner of the Trademark listed on Schedule A hereto (collectively, with the registration thereof and any goodwill associated therewith, the "Assigned Trademark"); and

WHEREAS, Assignor desires to convey, transfer, assign and deliver its rights, title and interest in and to the Assigned Trademark to Owens-Illinois General Inc., a Delaware corporation ("Assignee").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged,

1. Assignor hereby conveys, transfers, assigns and delivers, effective as of the Effective Date, to Assignee, its successors and assigns, all of its rights, title, interest and ownership in and to the Assigned Trademark and said registration, together with any goodwill of the business symbolized by such Assigned Trademarks and all rights, privileges, claims, causes of action and options relating or pertaining to the Assigned Trademark including, without limitation, damages and payments for past and future infringements, and all rights corresponding to any of the above throughout the world.

2. Assignee is to hold all right, title and interest in and to the Assigned Trademark as fully and exclusively as it would have been held and enjoyed by Assignor had the assignment in this Assignment not been made.

3. This Assignment shall be deemed effective as between the parties as of the Effective Date. Assignor will, without additional consideration, take such further actions and execute promptly such further documents as may be reasonably requested by Assignee, at Assignee's expense, to transfer, vest, record and perfect Assignor's rights, title and interest in and to the Assigned Trademark and the related rights in Section 1 in Assignee. Assignor hereby authorizes Assignee to request the United States Patent and Trademark Office to record Assignee as the assignee and owner thereof.

4. This Assignment may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same instrument.

\* \* \*

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed and delivered by their respective officers as of the date first written above.
