a. Debtor will take such actions as shall be commercially reasonable to protect the marks, inventions and works of authorship identified on Exhibits A, B and C, as well as any subsequent marks, inventions and works of authorship, which are security for the Loan and the failure to do so would have a material adverse effect on the financial condition or operations of Debtor.

b. Debtor shall execute and deliver such additional instruments and documents from time to time as Secured Party shall reasonably request to perfect Secured Party's security interest in any Intellectual Property Collateral issued and/or registered after the date of this Agreement.

c. Debtor shall use commercially reasonable efforts to prosecute and maintain the validity and enforceability of the Trademarks, Patents and Copyrights and promptly advise Secured Party in writing of material infringements detected. Debtor shall not allow any

6. Further Understandings. Debtor's rights as to the Intellectual Property Collateral are subject to the following further understandings:

a. Prior to the occurrence and continuance of an Event of Default hereunder Debtor may continue to exploit, license, franchise, use, enjoy and protect (whether in the United States of America or any foreign jurisdiction) the Intellectual Property Collateral in the ordinary course of business and in a manner consistent with the preservation of Secured Party's rights hereunder, and Secured Party will execute and deliver, at Debtor's sole cost and expense, any and all instruments, certificates or other documents reasonably requested by Debtor to enable Debtor to do so.

b. This Agreement, and the security interest created hereunder, will terminate when all Indebtedness has been fully paid and satisfied. Secured Party (without recourse upon, or any warranty whatsoever by, Secured Party) will then execute and deliver to Debtor such documents and instruments evidencing the termination of the security interest hereunder as Debtor may reasonably request.

c. Debtor hereby irrevocably appoints Secured Party as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, from time to time in Secured party's discretion, to take any action and to execute any instrument which Secured party may deem necessary or advisable to accomplish the purposes of this Agreement, including (i) modification by amending any Exhibit hereto to include reference to any Intellectual Property Collateral acquired by Debtor after the execution thereof or to delete any reference to any Intellectual Property Collateral in which Secured Party no longer has or claims any interest and (ii) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto relative to any of the Intellectual Property Collateral without the signature of Debtor, where permitted by law.

7. Default. The occurrence of an "Event of Default" under the Loan Agreement shall be an Event of Default hereunder.
