ASSIGNMENT OF INTELLECTUAL PROPERTIES

THIS ASSIGNMENT OF INTELLECTUAL PROPERTIES, effective the 5th day of March 1999, is between ROBOTRON CORPORATION, a Michigan corporation ("Assignor"), and RBC ACQUISITION CORP., a Michigan corporation ("Assignee").

RECITALS

A. The Assignor is the owner of all right, title and interest in and to certain intellectual properties relating to its resistance spot welding business, as specified below.

B. The Assignor desires to assign all right, title and interest in these properties to the Assignee and the Assignee desires to accept such assignment.

AGREEMENTS

In consideration of the recitals and mutual agreements which follow and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignee and the Assignor agree as follows:

1. Assignment of Patents and Inventions. The Assignor assigns and contributes to the Assignee, and the Assignee assumes, all right, title and interest worldwide in and to the patents, patent applications and patentable inventions listed in Schedule A attached hereto, and in and to any continuations, divisionals, foreign filings, continuations-in-part, extensions or reissuances that may result from such patents or applications, and in and to any patents that may result from such applications, and in and to any other protectable aspects of the inventions on which such patents or patent applications are based.

2. Assignment of Trade Secrets. The Assignor assigns and contributes to the Assignee, and the Assignee assumes, all of the Assignor's right, title and interest worldwide in and to all trade secrets, unfiled patent or invention disclosures, confidential information and know-how related solely to Assignor's resistance spot welding division's business.

3. Assignment of Trademarks. The Assignor assigns and contributes to the Assignee, and the Assignee assumes: (i) all right, title and

interest worldwide in and to the trademarks, trademark registrations, and applications for trademark registration listed in Schedule B attached hereto, and (ii) all of Assignor's goodwill associated with any of the above trademarks.

4. Assignment of Copyrights. The Assignor assigns and contributes to the Assignee, and the Assignee assumes, all of Assignor's right, title and interest worldwide in and to any copyrightable works, copyright registrations and applications for copyright registration related solely to Assignor's resistance spot welding division's business, including without limitation all of the exclusive rights listed in 17 U.S.C. § 106 and any copyright renewal terms available for any such registrations, and in and to any copyright registrations that may result from such applications.

5. Assignment of Accrued Enforcement Rights. The Assignor assigns and contributes to the Assignee, and the Assignee assumes, any causes of action for infringement of any of the intellectual properties specified in Paragraphs 1 through 4 above that may have accrued prior to the execution date of this Agreement.

6. Further Assurances. The Assignor shall provide the Assignee, its successors, assigns or other legal representatives, cooperation and assistance at the Assignee's reasonable request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation as may be reasonably required): (1) in the preparation and prosecution of any applications for patents or registration of the intellectual property assigned pursuant to this Assignment; (2) in the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the intellectual property assigned pursuant to this Assignment; and (3) in the implementation or perfection of this Assignment. The Assignor agrees that it shall not assist or encourage, through action or inaction, any challenge to the validity, enforceability or ownership of the intellectual property assigned hereby.

7. Governing Law. This Agreement shall be governed by the laws of the State of Michigan, without regards to any conflicts of laws provisions to the contrary.

that said instrument was signed on behalf of said corporation by authority of the Board of Directors.
