2. Further Assistance. Assignor shall provide Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and reasonable expense (except for subparagraph (d) below, which shall be at the expense of Assignor) (including the execution and delivery of any and all affidavits, declarations, oaths, assignments, powers of attorney, exhibits, specimens or other documentation as may be reasonably required):

(a) in the preparation, maintenance and prosecution of any applications or registrations or any applications for renewal of registrations covering the Mark in the United States and throughout the world;

(b) in the prosecution or defense of any oppositions, interferences, infringement suits, or other proceedings that may arise in connection with the Mark anywhere in the world, including, but not limited to, testifying as to any facts relating to the trademark assigned herein and this Assignment;

(c) in obtaining any additional trademark, service mark or trade name protection for the Mark that Assignee may deem appropriate which may be secured under the laws now or hereafter in effect in the United States or throughout the world; and

(d) in the perfection of the Assignor's title to the Mark and the assignment of the Mark to Assignee under this Assignment.
