GRANT OF A SECURITY INTEREST IN TRADEMARKS RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of June 18, 2007, is made by YAMAMOTO MOSS MACKENZIE INC., a Delaware corporation located at 252 First Avenue North, Minneapolis, MN 55401, (the "Grantor") in favor of FORTRESS CREDIT CORP., a Delaware Corporation, as Collateral Agent (in such capacity, together with its successors and assigns, if any, the "Collateral Agent") for itself and the lenders from time to time (the "Lenders"), parties to the Financing Agreement, dated as of June 18, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Financing Agreement"), among MDC PARTNERS INC., a Canadian corporation (the "Parent"), MAXXCOM INC., a Delaware corporation (the "Borrower"), the subsidiaries of the Parent parties thereto, the Lenders, the Collateral Agent, and WELLS FARGO FOOTHILL INC., as administrative agent for the Lenders.

WHEREAS, pursuant to the Financing Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Financing Agreement, the Borrower and certain subsidiaries of the Parent (including the Grantor) have executed and delivered a Pledge and Security Agreement, dated as of June 18, 2007 in favor of the Collateral Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, the Grantor holds all right, title and interest in and to, the Trademarks, including, without limitation, the marks listed on the attached Schedule A, which Trademarks are registered or applied for in the United States Patent and Trademark Office;

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties and the L/C Issuer (each such term as defined in the Security Agreement and/or the Financing Agreement), a continuing security interest in all Intellectual Property, including, without limitation the Trademarks (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Security Agreement, the Grantor does hereby grant to the Collateral Agent for the benefit of the Secured Parties and the L/C Issuer, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Financing Agreement or the Security Agreement.

This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to Collateral Agent for the benefit of the Secured Parties and the L/C Issuer in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed by its officer thereunto duly authorized as of June 18, 2007.
