## INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment is made on this 2d day of <sup>July</sup> ~~June~~, 2007, between Turbine Generator Maintenance, Inc., a Florida corporation ("Assignor"), and Turbine Generator Maintenance, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor owns all right, title, and interest in and to the service marks and other intellectual property listed on the attached Schedule A, all applications and registrations pertaining thereto, all common law rights associated therewith, together with all goodwill arising from the use of and symbolized by said property (the "Property");

WHEREAS, by an Asset Purchase Agreement, dated as of ~~June~~ <sup>July 2</sup>, 2007, Assignor has agreed to sell and assign and Assignee has agreed to acquire, all right, title and interest in and to the Property, together with all of the goodwill associated therewith, and all rights to claims of past infringement thereof (the "Purchase Agreement").

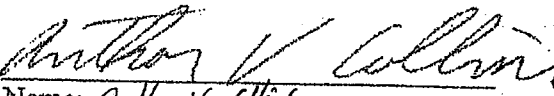

1. NOW THEREFORE, in consideration for the purchase price and other agreements set forth in the Purchase Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and convey to Assignee, its successors and assigns, all of Assignor's right, title, and interest in and to the Property throughout the world, including all applications and registrations therefor and all goodwill pertaining thereto, the right to conduct business under the Property, including the right to license others under the Property, the portion of the business of Assignor to which any intent-to-use application pertains to, and all rights to sue and to collect all damages and payments for claims of past or future infringements or misappropriations thereof.

2. Assignor hereby agrees to execute upon the request of Assignee such additional documents as are necessary to continue, secure, defend, register, and otherwise give full effect to and to perfect the rights of Assignee under this Assignment in and to the Property worldwide, including all documents necessary to register in the name of Assignee the assignment of the Property with the appropriate regulatory office(s) or registrar(s), and, with respect to any equivalent foreign rights, with any other appropriate foreign or international office or registrar.

3. Assignor acknowledges and agrees that this Assignment is supplemental to, and does not supersede, replace or otherwise limit the effect of, any bill of sale or other instrument of assignment delivered by Assignor under the Purchase Agreement.

IN WITNESS WHEREOF, the parties have executed this Assignment.
