INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment ("**Assignment**") is entered into effective as of 11:59 p.m. on August 31, 2007 (the "**Effective Date**"), by and between Hart Intercivic, Inc., a Texas corporation ("**Assignor**"), and Manatron, Inc., a Michigan corporation ("**Assignee**"). This Assignment is made pursuant to and in partial consideration of the transfer of substantially all of the assets of Assignor's Records Management Business (as defined in the Purchase Agreement) to Assignee pursuant to a certain Asset Purchase Agreement between Assignor and Assignee dated August 20, 2007 (the "**Purchase Agreement**"). Capitalized terms not otherwise defined in this Agreement have the meanings ascribed to them in the Purchase Agreement.

Assignor is the owner of certain ideas, inventions, discoveries, improvements, technology concepts, designs, programs, works of authorship, know-how, trade secrets, business plans, customer lists or information, financial data, or other confidential or otherwise proprietary information, whether patentable or unpatentable, that relate to Assignor's Records Management Business and that, as of the Effective Date have been created, discovered, acquired, conceived, reduced to practice or developed by Assignor ("**Proprietary Information**"). Assignor also owns certain copyrights, trademarks, services marks, trade dress, trade secrets and other forms of intellectual property protection or proprietary rights available any where in the world, arising out of or otherwise associated with Assignor's Proprietary Information, including, but not limited to, the trademark identified in the table below (collectively, "**Intellectual Property Rights**").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns and transfers to Assignee, its successors and assigns, its entire right, title and interest, whether statutory or at common law, in, to and under all of Assignor's Proprietary Information and Intellectual Property Rights in the Proprietary Information, together with the goodwill of Assignor's Records Management Business symbolized by the trademarks or services marks, throughout the world. Assignor further assigns to Assignee, its successors and assigns, the entire right, title, and interest in and to all claims for damages by reason of past infringement of any such Intellectual Property Rights, together with the right to sue for, collect, and retain the proceeds relating to any such infringement. Assignor warrants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.
