EXECUTION VERSIONTRADEMARK COLLATERAL
SECURITY AND PLEDGE AGREEMENT

TRADEMARK COLLATERAL SECURITY AND PLEDGE AGREEMENT dated as of August 20, 2007 (this "Trademark Agreement"), between YARD HOUSE USA, INC., a Delaware corporation (formerly known as TSG-YH Newco, Inc. ("Newco") and successor by merger to Yard House USA, LLC) (Yard House USA, Inc. and, prior to the YHUSA Merger (as defined below), Newco, the "Borrower"), the other parties signatory hereto as Assignors (as hereinafter defined) and each other party as shall from time to time become a party hereto (such parties and the Borrower being hereinafter referred to from time to time individually, as an "Assignor" and, collectively, as the "Assignors"), and WELLS FARGO BANK, N.A. ("Wells Fargo" or "Assignee"), a national banking association having an office at 5938 Priestly Drive, Suite 200, Carlsbad, CA 92008, as administrative agent (in such capacity, the "Administrative Agent") for itself and other lending institutions (hereinafter, collectively, the "Lenders") which are, or may in the future become, parties to a Credit Agreement, dated as of even date herewith (as amended, restated, supplemented, modified and otherwise in effect from time to time, the "Credit Agreement"), among the Borrower, the Lenders, the Administrative Agent, and Wells Fargo, as Syndication Agent, Swing Line Lender, L/C Issuer and Arranger.

WHEREAS, pursuant to the Amended and Restated Recapitalization Agreement dated July 30, 2007, with an effective date of June 22, 2007, by and among certain individuals and companies (including Yard House Restaurant, LLC ("YHR") listed on the signature pages thereof and identified as the "Controlling Persons", YH USA Sub, LLC ("YHUSA Sub"), TSG5 L.P. and Newco, (a) Newco consummated a merger with Yard House USA, LLC (the "YHUSA Merger") in which Yard House USA, LLC was merged with and into Newco with Newco as the surviving company and Newco subsequently changed its name to Yard House USA, Inc., and (b) immediately following the YHUSA Merger, YHUSA Sub consummated a merger with and into YHR (the "YHR Merger" and together with the YHUSA Merger, the "Mergers") in which YHR was the surviving company and, after giving effect to the YHR Merger, a wholly owned subsidiary of the Borrower;

WHEREAS, immediately following the consummation of the Mergers and immediately prior to the making by the Lenders of their initial Credit Extensions, this Trademark Agreement will become effective;

WHEREAS, the Borrower and each Assignor are members of a group of related companies, the success of any one of which is dependent in part on the success of the other members of such group;

WHEREAS, each Assignor expects to receive substantial direct and indirect benefits from the initial extensions of credit to the Borrower by the Lenders and the other Secured Parties (as defined in the Credit Agreement) pursuant to the Credit Agreement (which benefits are hereby acknowledged);

WHEREAS, in order to induce the Lenders and the other Secured Parties to make additional Credit Extensions to the Borrower under the Credit Agreement, each Assignor has agreed, upon the terms contained in the Credit Agreement, to deliver to the Administrative Agent, for the benefit of the Secured Parties and the Administrative Agent, a trademark agreement substantially in the form hereof;

WHEREAS, each Assignor has executed and delivered to the Administrative Agent, for the benefit of the Secured Parties and the Administrative Agent, the Security Agreement (as defined in the Credit Agreement), pursuant to which each Assignor has granted to the Administrative Agent, for the

2. GRANT OF SECURITY INTEREST.

2.1. SECURITY INTEREST; ASSIGNMENT OF MARKS. As collateral security for the payment and performance in full of all of the Obligations, each Assignor hereby unconditionally grants to the Administrative Agent, for the benefit of the Secured Parties and the Administrative Agent, a continuing security interest in and first priority lien on the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) the Pledged Trademarks to the Administrative Agent for the benefit of the Secured Parties and the Administrative Agent, except to the extent a grant of a security interest or Lien shall result in the abandonment, invalidation or unenforceability of any right, title, or interest of any Assignor in any Pledged Trademark. Each Assignor hereby authorizes the Administrative Agent to complete as assignee and record with the PTO the Assignment of Marks upon the occurrence and during the continuance of an Event of Default and the proper exercise of the Administrative Agent's remedies under this Trademark Agreement and the Security Agreement. In addition, each Assignor has executed in blank and delivered to the Administrative Agent an assignment of federally registered trademarks in substantially the form of Exhibit 1 hereto (the "Assignment of Marks").

2.2. CONDITIONAL ASSIGNMENT. In addition to, and not by way of limitation of, the grant, pledge and mortgage of the Pledged Trademarks provided in §2.1, each Assignor grants, assigns, transfers, conveys and sets over to the Administrative Agent, for the benefit of the Secured Parties and the Administrative Agent, such Assignor's entire right, title and interest in and to the Pledged Trademarks; provided that such grant, assignment, transfer and conveyance shall be and become of force and effect only (i) upon or after the occurrence and during the continuance of an Event of Default and (ii) either (A) upon the written demand of the Administrative Agent at any time during such continuance or (B) immediately and automatically (without notice or action of any kind by the Administrative Agent) upon an Event of Default for which acceleration of the Loans is automatic under the Credit Agreement or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Security Agreement and applicable law (including the transfer or other disposition of the Collateral by such Assignor to the Administrative Agent or its nominee in lieu of foreclosure).

2.3. SUPPLEMENTAL TO SECURITY AGREEMENT. Pursuant to the Security Agreement each Assignor has granted to the Administrative Agent, for the benefit of the Secured Parties and the Administrative Agent, a continuing security interest in and lien on the Collateral (including the

Pledged Trademarks). The Security Agreement, and all rights and interests of the Administrative Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Agreement, the grant, assignment, transfer and conveyance of the Pledged Trademarks hereunder, or the recordation of this Trademark Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Administrative Agent in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement and this Trademark Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Trademarks), or any present or future rights and interests of the Administrative Agent in and to the Collateral under or in connection with the Security Agreement, this Trademark Agreement or the Uniform Commercial Code. Any and all rights and interests of the Administrative Agent in and to the Pledged Trademarks (and any and all obligations of each Assignor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Administrative Agent (and the obligations of each Assignor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in or arising under or in connection with the Security Agreement and shall not be in derogation thereof.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Each Assignor represents, warrants and covenants that: (i) Schedule A sets forth a true and complete list of all federally registered (or pending federal applications for registration) Trademarks and Trademark Registrations now owned, licensed, controlled or used by such Assignor; (ii) the Trademarks and Trademark Registrations are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations; (iii) to the best of such Assignor's knowledge, each of the Trademarks and Trademark Registrations is valid and enforceable; (iv) to the best of such Assignor's knowledge, there is no infringement by others of the Trademarks, Trademark Registrations or Trademark Rights; (v) no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person, and to the best of such Assignor's knowledge, there is no infringement by such Assignor of the trademark rights of others; (vi) such Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks that such Assignor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by such Assignor not to sue third persons, other than the security interest and assignment created by the Security Agreement and this Trademark Agreement or otherwise permitted under the Credit Agreement; (vii) such Assignor has the unqualified right to enter into this Trademark Agreement and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees that will enable them to comply with the covenants herein contained; (viii) such Assignor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Trademarks; (ix) such Assignor has used, and will continue to use for the duration of this Trademark Agreement, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks; (x) this Trademark Agreement, together with the Security Agreement, will create in favor of the Administrative Agent a valid and perfected first priority security interest in the Pledged Trademarks upon making the filings referred to in clause (xi) of this §2; and (xi) except for the filing of financing statements with the Secretary of States for the States of Delaware, California and Kansas under the Uniform Commercial Code and the recording of this Trademark Agreement with the PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (A) for the grant by such Assignor or the

effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Agreement by each Assignor, or (B) for the perfection of or the exercise by the Administrative Agent of any of its rights and remedies hereunder.

4. INSPECTION RIGHTS.

Subject to Section 6.10 of the Credit Agreement, each Assignor hereby grants to the Administrative Agent and the Secured Parties and their respective employees and agents the right to visit such Assignor's stores and other facilities that manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours.

5. NO TRANSFER OR INCONSISTENT AGREEMENTS.

Without the Administrative Agent's prior written consent and except for licenses of the Pledged Trademarks in the ordinary course of such Assignor's business consistent with its past practices, no Assignor will (i) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged Trademarks, or (ii) enter into any agreement (for example, a license agreement) that is inconsistent with such Assignor's obligations under this Trademark Agreement or the Security Agreement.

6. AFTER-ACQUIRED TRADEMARKS, ETC.

6.1. AFTER-ACQUIRED TRADEMARKS. If, before the Obligations shall have been finally paid and satisfied in full, any Assignor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, the provisions of this Trademark Agreement shall automatically apply thereto and, if such Pledged Trademarks are federally registered or are pending federal applications for registration, such Assignor shall promptly provide to the Administrative Agent notice thereof in writing and execute and deliver to the Administrative Agent such documents or instruments as the Administrative Agent may reasonably request further to implement, preserve or evidence the Administrative Agent's interest therein.

6.2. AMENDMENT TO SCHEDULE. Each Assignor authorizes the Administrative Agent to modify this Trademark Agreement and the Assignment of Marks, without the necessity of any Assignor's further approval or signature, by amending Exhibit A hereto and the Annex to the Assignment of Marks to include any future or other Trademarks, Trademark Registrations or Trademark Rights under §2 or §6.

7. TRADEMARK PROSECUTION.

7.1. ASSIGNOR RESPONSIBLE. Each Assignor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Trademarks, and shall hold each of the Administrative Agent and the Secured Parties harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Administrative Agent or any Secured Party in connection with the Administrative Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby. In respect of such responsibility, such Assignor shall, as necessary, retain trademark counsel reasonably acceptable to the Administrative Agent.

7.2. ASSIGNOR'S DUTIES, ETC. Each Assignor shall have the right and the duty, through trademark counsel reasonably acceptable to the Administrative Agent, to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations. Any expenses incurred in connection with such applications and actions shall be borne by such Assignor. No Assignor shall abandon any filed trademark registration application, or any Trademark Registration or Trademark, unless such Trademark Registration or Trademark has been abandoned by the Assignor in the exercise of its commercially reasonable judgment, without the consent of the Administrative Agent, which consent shall not be unreasonably withheld.

7.3. ASSIGNORS' ENFORCEMENT RIGHTS. Each Assignor shall have the right and the duty to bring suit or other action in such Assignor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights. Such Assignor may require the Administrative Agent to join in such suit or action as necessary to assure such Assignor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Administrative Agent is completely satisfied that such joinder will not subject the Administrative Agent or any Secured Party to any risk of liability. Such Assignor shall promptly, upon demand, reimburse and indemnify the Administrative Agent for all damages, costs and expenses, including legal fees, incurred by the Administrative Agent pursuant to this §7.3.

7.4. PROTECTION OF TRADEMARKS, ETC. In general, each Assignor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks. Each Assignor shall not take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks.

7.5. NOTIFICATION BY ASSIGNOR. Promptly upon obtaining knowledge thereof, each Assignor will notify the Administrative Agent in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or Trademark Registrations or such Assignor's rights, title or interests in and to the Pledged Trademarks, and of any event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks, the ability of such Assignor or the Administrative Agent to dispose of any of the Pledged Trademarks or the rights and remedies of the Administrative Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

8. REMEDIES.

Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have, in addition to all other rights and remedies given it by this Trademark Agreement (including, without limitation, those set forth in §2.2, the Credit Agreement, the Security Agreement and the other Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York, and, without limiting the generality of the foregoing, the Administrative Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to any Assignor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or

from time to time any part of the Pledged Trademarks, or any interest that such Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Pledged Trademarks all expenses incurred by the Administrative Agent in attempting to enforce this Trademark Agreement (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in or by reference in the Security Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to such Assignor at least five (5) days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made, which such Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Administrative Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of.

9. COLLATERAL PROTECTION.

If any Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of any Assignor shall be breached, the Administrative Agent, in its own name or that of such Assignor (in the sole discretion of the Administrative Agent), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the Assignors jointly and severally agree promptly to reimburse the Administrative Agent for any cost or expense incurred by the Administrative Agent in so doing.

10. POWER OF ATTORNEY.

If any Event of Default shall have occurred and be continuing, each Assignor does hereby make, constitute and appoint the Administrative Agent (and any officer or agent of the Administrative Agent as the Administrative Agent may select in its exclusive discretion) as such Assignor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse such Assignor's name on all applications, documents, papers and instruments necessary for the Administrative Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third person, or to take any and all actions necessary for the Administrative Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of such Assignor therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts that such Assignor is obligated to execute and do hereunder. Each Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases each of the Administrative Agent and the Secured Parties from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Administrative Agent under this power of attorney (except for the Administrative Agent's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Agreement.

11. FURTHER ASSURANCES.

Each Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Administrative Agent may request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to
