THIS TRADEMARK ASSIGNMENT AGREEMENT is made the 26th day of March 2004 between Vivendi Games, Inc. This Agreement supersedes the Trademark Assignment Agreement dated March 26, 2004 between Assignee and Fox Interactive, Inc.;

WHEREAS, the Assignor has specifically acquired certain rights in and to the NO ONE LIVES FOREVER trademark (the "MARK"), including certain U.S. trademark registrations and/or applications, foreign trademark registrations and/or applications, state trademark registrations and/or applications, as referenced in Exhibit "A," attached hereto, and any common law rights in the MARK with respect to computer game software, video game software, strategy guides, manuals and other promotional material related to the marketing of such electronic games (the "Goods"), together with any and all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past, present or future infringements thereof, and all rights corresponding thereto throughout the world, and all of the goodwill associated with respect to the Goods; and

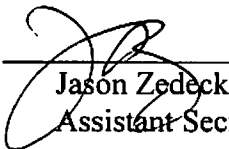

WHEREAS, pursuant to the Letter of Intent between Fox Interactive, Inc. ("Fox"), and Assignee and its subsidiary, Sierra Entertainment, Inc., dated as of September 24, 2002, and the Confirmation Letter Agreement between Fox Interactive, Inc., and Assignee and its subsidiary, Sierra Entertainment, Inc., dated as of January 23, 2003, the Assignee desires to acquire certain of Assignor's rights in and to the MARK and the goodwill associated with respect to the Goods, throughout the world for the purpose of recording assignments of the intellectual property rights acquired from Assignor with various governmental entities.

WHEREAS, it is understood and agreed that Assignor is retaining all rights and interest in and to the MARK for goods and/or services other than the Goods described herein including, but not limited to, rights in and to the MARK with respect to motion picture films and television series and related promotional materials and derivative goods and merchandise.

NOW THEREFORE, for and in consideration of the mutual covenants and undertakings of the parties, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby agrees to assign, transfer and convey to the Assignee all rights, title and interest in and to the MARK with respect to the Goods thereof together with the goodwill associated with the Goods. The Assignee agrees to prepare and file, at its sole cost and expense, the assignment documents required by each foreign or domestic trademark office to effectuate the recordation of the assignment of the registrations and/or applications for the MARK with respect to the Goods. The parties agree to execute all documents reasonably necessary to effectuate the terms of this agreement and if any assignment of a trademark registration or application in connection with the Goods, or portion thereof, is not accepted by the relevant foreign trademark office, the parties agree to cooperate fully in making all necessary changes and/or submitting other assignment documents pursuant to the requirements of the foreign trademark office.
