TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("**Assignment**") is made and entered into as of February 28, 2006, by and between Interprint Acquisitions, LLC, a limited liability company organized under the laws of the State of Indiana ("**Assignor**") and InterPrint, LLC, a limited liability company organized under the laws of the State of Delaware ("**Assignee**").

WHEREAS, Assignor and Assignee previously have entered into a certain Asset Purchase Agreement dated February 28, 2006, pursuant to the terms of which Assignor agreed to assign all right, title and interest of Assignor in and to the Company's Intellectual Property, as defined therein, which includes, without limitation, the registered trademarks set forth in Exhibit A; and

WHEREAS, Assignor has agreed to execute such additional instruments as may be necessary or desirable to confirm such assignment to Assignee;

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Assignor hereby agrees as follows:

1. Assignment. Assignor hereby sells, transfers, assigns and agrees to assign, and delivers to Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in and to the Company's Intellectual Property, including, without limitation the registered trademarks set forth in Exhibit A, together with the goodwill of the business in connection with which the Company's Intellectual Property have been used, and all registrations and applications therefor, in the United States and for all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

Assignor requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner thereof.

2. Further Assistance. Assignor shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's reasonable request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required) in the implementation or perfection of this Agreement.

3. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware and shall be binding upon and inure to

the benefit of the parties hereto and their respective successors and assigns. This Agreement may be executed in two or more counterparts (including by facsimile), each of which shall be deemed to be an original but all of which shall constitute one and the same instrument.
