AMENDMENT NUMBER TWO TO TRADEMARK SECURITY AGREEMENT

This **AMENDMENT NUMBER TWO TO TRADEMARK SECURITY AGREEMENT**, dated as of September 6, 2007 (this "Amendment"), is delivered pursuant to Section 5 of that certain Trademark Security Agreement, dated as of January 9, 2007 (as amended by that certain Amendment Number One to Trademark Security Agreement, dated as of June 8, 2007, the "Trademark Security Agreement"), among the Grantors signatory thereto and the Grantors that executed that certain Security Agreement Supplement No. 2, dated as of September 6, 2007 (each referred to hereinafter each individually as a "Grantor" and collectively, jointly and severally, as "Grantors") and **WELLS FARGO FOOTHILL, INC.**, a California corporation, as arranger and administrative agent for the Lenders (in such capacity, together with its successors and permitted assigns, if any, in such capacity, "Agent"). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Trademark Security Agreement, which by this reference is incorporated herein.

WHEREAS, the Grantors and Agent wish to amend the Trademark Security Agreement by adding Trademarks to the Trademark Collateral.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree to amend the Trademark Security Agreement as follows:

1. Grantors and Agent hereby agree that the Trademark Collateral listed on Schedule 1 attached hereto (the "New Trademark Collateral") shall supplement and become part of the Trademark Collateral referred to in the Trademark Security Agreement and Schedule I attached thereto (the "Existing Trademark Collateral") and shall secure all Obligations.
2. Each Grantor, as applicable, hereby: (a) reaffirms all prior grants of security interests in favor of Agent in all of Grantor's right, title, and interest in, to, and under the Existing Trademark Collateral; (b) grants, assigns, transfers, and conveys to Agent continuing security interests in all of Grantor's right, title, and interest in, to, and under the New Trademark Collateral; (c) represents and warrants, to the extent such representation and warranty does not relate to an earlier date, that the representations and warranties in the Trademark Security Agreement, as amended by the Amendment, are true and correct in all material respects on and as of the date hereof, as though made on such date; and (d) agrees that the Trademark Security Agreement as amended hereby is and shall remain in full force and effect.
3. This Amendment shall be governed by, and construed and enforced in accordance with, the federal laws of the United States and the laws of the State of New York.
4. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.
